Post Marked Dec. 17th

# Texas Federation of Colored Women's Clubs

OFFICE OF

MRS. A. B. DeMENT, President

708 South East 4th Avenue

MINERAL WELLS, TEXAS

Dear Mrs. Thorne: - I am not certain this will reach you as I find I am experiencing just what Mrs. Parsons said <sup>that is</sup> I cannot hold that correct name in mind so you will pardon all errors in the add. please.

Dec. 15<sup>th</sup> 1932  
Kindly have you heard from Mrs. S. M. Lee Marshall, Tex. Supervisor of Young Women's Dept. or Mrs. R. H. Hines Ferris, Tex. (State organizer) since we talked in Dallas? I am so anxious that your clubs be connected with us, and you will remember our drive is on now and Junior Clubs come to us for gifts etc. and adult clubs for one dollar joining fee.

May I hear from you regarding this matter? For my dear, very recently I have been appointed State Chr. of the National Assn. of Better Homes & Gardens and I have been asked to furnish the names of some one to serve as Secy. to our work. I suggest some extension worker, so I am writing to ask if you will accept the office and if not could you furnish me the name of some active, dependable worker of your assistants who might help with the work?

I do wish for you a peaceful and happy Xmas season.

May I hear from you soon?

I am  
Yours for  
Lifting As We Climb  
A. B. DeMENT.

Prairie View, Texas  
December 21, 1932

Mrs. A. B. Deibnt, President  
Texas Federation of Colored Women's Clubs  
Mineral Wells, Texas

My dear Mrs. Deibnt:

I have your favor of Dec. 17th but regret to say I have not heard from either Mrs. McGee or Mrs. Hines at any time. Our women and girls will not meet before the meeting of the State Federation in July but I am sure the officials of The Texas Home Makers Council will act for the group in this case. May I receive an application form, if such is necessary?

The work of the National Assn. of Better Homes in America is of sufficient importance to justify my accepting your offer to act as your State Sec'y. even though I imagine I am always busily engaged with the work of Home Demonstration Activities and supervisory duties. You will please outline to me my duties in detail at the earliest date possible.

Wishing for you success and happiness, I am

Very truly yours

I. W. Rowan, Supervising  
Home Demonstration Agent
