Ticket Information

Tickets for Prairie View A. & M. College home football games may be purchased by letter enclosing check or money order covering price of tickets. Tickets for Prairie View games in Dallas and Houston are also made available through regular ticket channels in these cities, which are usually publicized in the local press. For tickets or further information, write Luther Francis, Athletic Business Manager, Prairie View, Texas.

Press Passes

The Sports Information department attempts to provide working press passes to representatives of all media who normally cover Panther games. These Press Cards are good for all sports events at the college during the year. Other representatives of the various media should write to the college for passes, and they will be gladly sent.

Services

Complete statistics will be furnished including line-ups, game summary, halftime statistics and final team and individual statistics. Spotters will also be provided when request is received in advance. A press box public address system will provide information during the course of the game. Western Union services are available on the campus.

Special Games

Several of the Panther games are played on a neutral field, but are considered home games for Prairie View. The locations are DALLAS and HOUSTON. Complete wire services are available in both the Cotton Bowl, Dallas and Jeppesen Stadium, Houston. Special Press Box and Sideline Passes are issued for the Dallas game, but the regular Prairie View Pass Card is good for admission to the games in Houston.

Panther Seniors are presented during Homecoming, 1964.

PRAIRIE VIEW A & M
COLLEGE OF TEXAS

PRAIRIE VIEW, TEXAS 77445

Prairie View A. & M. College

Prairie View A. & M. College is a part of the Texas A. & M. University System. It is a four-year co-educational institution established in 1876 by the Fifteenth Legislature of the State of Texas.

The college is located at Prairie View, Texas, a small community located 45 miles northwest of Houston, Texas, just off U. S. Highway 290. It is eight miles east of Hempstead, Texas, the county seat of Waller County.

Prairie View offers training leading to a bachelor's degree in the fields of Agriculture, Engineering, Arts and Sciences, Home Economics, Industrial Education and Nursing Education. A master's degree may be earned in the fields of Agriculture, Arts and Sciences, Industrial Education and Home Economics.

From an original \$20,000 investment, one building and six students, Prairie View A. & M. College has developed continually into a physical plant valued at \$12,000,000, 138 buildings, 174 faculty members and an enrollment approximating 3400 students.

The President

DR. E. B. EVANS

The main reason why Prairie View A. & M. athletic programs are rated at the top is President E. B. Evans.

Dr. Evans was one of the founders of the Southwestern Athletic Conference, and he served for many years as Athletic Director at the college and as an officer of the coaches and officials organization in this area.

As president of Prairie View he has seen the college double its enrollment and staff and has been instrumental in adding new buildings and other facilities and equipment for a first class institution of higher learning.

A native of Missouri, Dr. Evans has served at Prairie View for 47 years. He reached the age of retirement in 1964, but the Board of Directors of the Texas A. & M. College system asked him to continue as President.

His leadership and keen athletic interest have inspired the Panther teams to give their best in each contest.

Coach Nicks is pictured speaking at left with President E. B. Evans during 1964 - 65 All - Sports Banquet.

Coach Nicks is regarded everywhere as one of the top football coaches in the nation. His lifetime record is 184 victories, 9 ties and 55 losses. His teams have won five (5) National Championships, and a total of nine (9) conference championships in his 25 years as head football coach.

Nicks joined the Prairie View staff in 1945, and has served as Head of the Department of Health and Physical Education since that time. He has served as head football coach for 14 years. He came to Prairie View following a very successful coaching record at Morris Brown College, Atlanta, Georgia. Nicks is a graduate of Morris Brown and Columbia University.

The 1965 Panthers will represent Nicks' sixteenth Panther Team. His teams have consistently finished in the first division in the very rugged Southwestern Conference.

1965 PANTHER COACHING STAFF

EOLUS RETTIG

(*Wilberforce University, 1933*)

Coach Rettig has been a member of the Nicks staff longer than any other coach. He joined the staff in 1952 and has served as assistant football coach and Head Baseball coach. His particular responsibility is director of the defense. Under his guidance opponents have found it difficult to penetrate Rettig's defensive line maneuvers. He has molded many great lines at Prairie View.

Before joining the Panther Staff, Rettig enjoyed great success at Texas College, where he won the Southwestern Conference Championships in 1934, 35, 36 and 1937.

HOOVER WRIGHT

(*Maryland State College, 1948*)

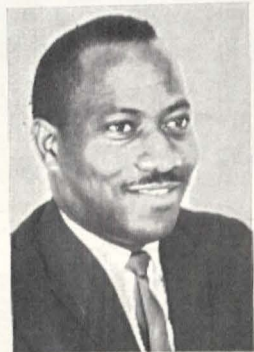

A newcomer to the Panther coaching staff, Wright serves as offensive line coach and is also head track coach.

He joined the Prairie View staff in 1961, coming from Paul Quinn College where he was head coach. Wright also studied at Pennsylvania State College and at the State University of Iowa.

HUGH McKINNIS

(*Indiana University, 1950*)

Coach McKinnis was an outstanding back on "Bo" McMillan's great Indiana teams in the late 40's. His first coaching job was at Prairie View, joining the staff here in 1950. He left the college and after traveling around the country for a few years, returned in 1963 to resume coaching duties here. He serves as line coach and is also head baseball coach.

MARTIN EPPS

(*Fisk University, 1958*)

This will be Coach Epps' third year as assistant football coach. He came to Prairie View as Intramural director with the Memorial Center and served three years in this position before joining the Athletic staff.

His specialty is working with centers and guards, and he is also head scout. Epps is also coach of Golf and Tennis, both teams having won conference championships in 1963.

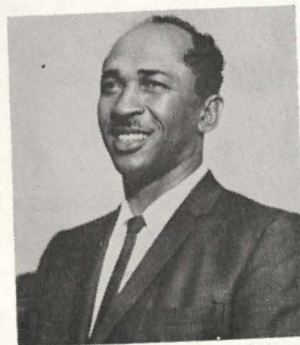

LEROY MOORE

(*Langston University, 1948*)

Returning to the campus after a year's study leave, at the University of Colorado, Coach Moore serves as assistant football coach and Head Basketball coach. He joined the Prairie View staff in 1956 following successful coaching experiences in his native Oklahoma and at Arkansas AM&N.

Moore's teams won the SW Conference championship in 1961 and 1962. His teams were picked as the Number One Small college team in the nation both years, and in 1962 Prairie View won the National (NAIA) Basketball Championship.

LEONARD CHEW and LEON BROOKS

Both Coaches Chew and Brooks are student assistants in football. Both are former Panther stars who have returned to continue studies in Physical Education and athletics. Chew also serves as an assistant in baseball, sports information and statistician. Brooks serves as assistant recreational advisor.

Outlook for 1965

The Panthers lost ten (10) letter men from last years team. Men like Jimmy Kearney All American quarterback, Otis Taylor All American end, George Dearborn All American guard and others. These men will be hard to replace. However the Panthers still have that winning desire going for them. A team with such we must admit will be hard to beat. It should be interesting watching this years Panther team. Winning three (3) National Championships in a row and going undefeated three (3) straight years and twenty three (23) consecutive wins might be asking too much from captains Seals and Johnson and team mates. It will be quite interesting.

1965 Panther Profiles

QUARTERBACKS

1. **LEON CARR** — 6'3", 210. Known to his teammates as "deac". Played in the shadow of the great Jimmy Kearney but should come in on his own, make fans forget the past.

2. **BILLY HALL** — 6'2", 200. The "shotgun" has great running and passing ability. Missed last year but showed up well in spring practice.

3. **JAMES R. WILLIAMS** — 6' 180. "Skindozer" is rated the best defensive back in the conference and does just as well on defense.

4. **ROBERT JONES** — 6'2", 195. Robert is so versatile that he can play anywhere on the team except those blocking positions. Last year he was a standout on defense.

HALFBACKS

5. **RICHARD SEALS** — 5'11", 175. "Hook" is one of the co-captains. Once a defensive specialist now has turned to exhibiting his running and catching ability. The last of the great Seals, pity, pity.

6. **THURMAN THOMAS**, 5'11", 185. Known to his intimate friends as "Sam", has a most unique style of running that is very deceptive. Should be great this year.

7. **EDDIE HUGHES** — 5'11". 195. Eddie was one of the most sought after boys in the state and proved to be all that was said about him. Can go either way but is more valuable offensively.

8. **WAYMAN ALEXANDER** — 6'2", 215. Alex was a little slow getting started last season but toward the end of the season he set the world on fire when the chips were down. Very aggressive and a high knee action runner.

9. **DOUGLAS BROADUS** — 5'7", 155. "The Knot or Herman" is one of the smallest men on the team but one of the toughest. An outstanding dashman in track and a terror on the gridiron.

10. **MARSHALL WHITE** — 5'11", 187. Known as "Gallimore" and has speed and deception and hard to bring down. Most underrated player in spring practice but has good potentials.

CO-CAPTAINS

EDWARD JOHNSON AND RICHARD SEALS

FULLBACKS

11. **NOLAN BAILEY** — 6'2", 225. "Big John" is one of the strongest men on the team and once underway is hard to bring down. Has good speed.

12. **JIMMY BROWN** — 5'11", 205. Jimmy wants to be just like his name sake but lacks the size. Shifty runner and powerful.

13. **WILLIE RHODES** — 5'10", 205. Willie has eye trouble and cannot find the hole sometimes but once in there its good bye Katy bar the door. A hard runner and elusive once in the open field.

CENTERS

14. **ALONZO WALLACE** — 6'2½", 220. "Space" is the iron man on the squad. Can go a full sixty minutes and then go out and play basketball. Best blocker on the team and does not know what dummy scrimmage is.

15. **ALLEN ALDRIDGE** — 6'6", 220. "Slim" is one of the best men that we have. Can play any one of the linebacker slots. Also doubles at offensive center.

16. **KENNETH HOUSTON** — 6'3", 200. "Kenny" is another of these defensive specialists and also doubles as an offensive center. He looks frail but is far from it.

GUARDS

17. **DAVID KIRKPATRICK** — 6' 245. "Chicago Red" is one of the most improved and self disciplined fellows on the squad. Can go both ways. Intercepted his first touchdown last year, now he thinks he's a back.

18. **ROY DAVIS** — 6'1", 207. Roy started out as defensive specialist but later moved to offense. Now he can't get back to his old position. Very fast and smooth, very good blocker.

19. **CURTIS COBB** — 5'11", 240. "Heavy" is one of the biggest running guards in the business. Likes contact and the bigger they are the better he likes it. Good blocker and trapper.

20. **ELLIOT FRANKLIN** — 6'2", 273. "Tack" is one of the defensive mainstays on the line. Plays middle guard and is the fastest big man in pursuit since Big Daddy.

21. **JESSE HATTON** — 5'8", 220. "Hat" is another one of those small iron men on the squad and likes big strong opponents. Can go either offensively or defensively.

22. **IRVIN PRINCE** — 6'1", 225. "Fat" is another two way man and roughness is down his alley. Looked real good in spring practice.

23. **EDWARD PRICE** — 6', 225. "UFO" is one of the best defensive men on the squad but can make that offense move too. Likes to use his own methods sometimes but they very seldom work.

TACKLES

24. **PETER ALFRED** — 6'4½", 290. "Pete" is the biggest on the squad but the most coachable. Very aggressive on defense. Should have a great year.
25. **EDWARD JOHNSON** — 6'4", 235. "Ed" is the other captain elect. Very good blocker and is hard as nails. Likes rough contact. Can go both ways and plays either end or tackle.
26. **CORNELIUS COOPER** — 6'3", 247. "Corky" came here to play football and proved into the starting slot when Big Ed got hurt. Plays both ways and likes it hot. Keep your eye on this one.
27. **RAYMOND JOHNSON** — 6'6", 269. "Big Blue" was a former center but things got too hot over there and he moved to tackle where he is making it hot for the other tackles. Aggressive and rough.

ENDS

28. **TOMMY NELMS** — 6'2", 190. Tommy was defensive specialist but also played a little offensive end whenever possible. Has a good pair of hands and speed.
29. **GEORGE SHANKLE** — 6'3", 220. "Shank" is the other half of the defensive end corps. Very few gains made around his side.
30. **RAY SCOTT** — 6'6", 225. Ray is the other defensive end and also the team's punter. Scott could be the conference's best punter if he worked at it.
31. **ALVIN REED** — 6'4½", 225. "Big Red" is one of the most clumsiest smooth men on the team. He has good hands and maneuverability. Can be equally valuable on offense or defense.
32. **FRANK PERRY** — 6' 185. Frank was a former quarter back on the "zoo" team. Being knocked around so much made him decide to become a split end, thinking it was safer out there.
33. **WILLIE POLLARD** — 6'3", 206. Pollard is a military man with ideas of playing football. Does a good job defensively but weak on offense.
34. **KENNETH MARTINDALE** — 6'2", 180. Kenny has a great pair of hands and once he gets over his stage fright will become pass catcher.
