BISHOP COLLEGE

PRAIRIE VIEW

FACTS ABOUT

Bishop College was Established in 1881 in Marshall, Texas, on the 10-acre estate of the Holcomb Family, which had been purchased by "illiterate ex-slaves" of Harrison County. After 80 years of helping young men and women develop their potentialities for scholarly achievement, professional competence and effective participation in the general processes of the democratic society in Marshall, the college marked a turn to a new chapter in its history by moving to Dallas, Texas. The new Bishop story in Dallas, vibrant with a nucleus of new buildings of modern architecture, is poised to set forth a new dimension of academic achievement, one that is directed toward providing a learning environment and meaningful experiences which are consistent with high aims and principles.

In Athletics, Bishop College holds membership in the Gulf Coast Athletic Conference, the National Collegiate Athletic Association, and the National Association of Intercollegiate Athletics. At Bishop College, athletes are, first of all, students. No less academic excellence is accepted because of the athlete status. It is the aim of the college that this rigorous training of body and mind will prepare both the athletes of Bishop College and their opponents for the life ahead.
