### MEMO TO PRESS, RADIO, TV

The Sports Publicity Office is always available to members of the various news media seeking information about Prairie View sports.

## MEET THE COACHES

**HEAD FOOTBALL COACH,  
ASSOCIATE  
ATHLETIC DIRECTOR  
Hoover J. Wright**

Hoover J. Wright, a native of Maryland became Prairie View's fourth head football coach since Billy Nicks stepped down in 1965.

Wright, a 1948 graduate of Maryland State, came to Prairie View in 1961 as an assistant football coach to Billy Nicks.

When Billy Nicks stepped down in 1965, Nicks named Wright to succeed him and in his first season (1966) Wright posted a 5-3-1 record.

In 1968, Wright stepped down from football to devote more time to track, which he has been head coach since 1961. He was a member of the 1972 Olympics coaching staff and is currently President of the NAIA track Coaches Association. In track he has been twice named NAIA and SWAC coach of the year and has coached the Panther track teams to four national and two SWAC titles.

In 1973, then Panther head football coach T. Danzy, was stricken with a heart attack and Wright was asked to serve the year out.

Wright will direct the 1974 Panther team and bring a 10-year head football coaching record (4 at PV) of 43-38-2 with him.

Wright was born in Hebron, Maryland and graduated from F.D. St. Clair High School in Cambridge, Maryland, where he was a member of the soccer team, captain of the basketball team and a star sprinter in track.

He attended college at Maryland State (now Maryland Eastern Shore) where he was a star halfback on the 1947 undefeated team. He was basketball captain as a junior and senior, outfielder in baseball and sprinter in track.

He received the Master of Education degree from Penn State in 1951, with emphasis on Physical Education. He has done advanced study at the University of Iowa, and North Texas State.

After several years of playing semi-pro basketball, working with Boy Scout troops and attending graduate school, Wright began coaching college athletics at Shorter College at North Little Rock, Arkansas in 1951. He was an instructor of physical education, football coach, men and women's basketball and track coach.

In 1952, he went to Paul Quinn in Waco, where he later became head coach and won championships in every major sport.

In 1961, he came to Prairie View as an assistant to Billy Nicks. Wright was married in 1951, to Miss Eloise McCreary of Waco, Texas. They have three daughters and one son.

**ROBERT KINNEY**

# 1974 OUTLOOK

Hoover Wright, head football coach of the Prairie View Panthers feels that pieces are being put back together and sometime around midseason the Panthers could pull a few surprises.

Returning to PVU are 19 lettermen from last year's 2-6-1 season. Twelve starters return, 6 on offense and 6 on defense.

Wright took over last season the day fall practice started and still gave the Panthers a respectable look.

Wright will bank most of his offensive hope on senior quarterback Stephen Francis, a fleet 6-2, 190 pounder and Ellis Cable, 6-4, 225 pound All American offensive tackle.

## OFFENSE

**QUARTERBACK**—Steve Francis (6-2, 190) returns as the starting field general. Also, back will be Curtis Ceasar (6-3, 220), who will be fighting for the quarterback slot. Sam Maxie, a sophomore will be waiting on the wing, if needed.

**RUNNING BACK**—This could be a blessing in disguise with Billy Isaac (6-2, 225), and David Bohannon, (6-2, 230). Jim Sweet and Vaugh Craddock, will add depth. Harvey Hardeman is a returning letterman, along with Doug Bolden.

**WIDE RECEIVER**—Phillip Brazille, (6-2, 180) should give the Panthers a lot of class here. Walter Mitchell and Ernest Burke, will also be looking for a spot.

**INTERIOR LINE**—All American tackle Ellis Cagle (6-4, 225), heads the offensive line. Jesse Simon, (6-1, 250), James Cole, (240), John Hunt (225), Tyrone Harland (250), Aaron Brown (235), add experience.

**KICKING GAME**—Charlie Jackson is expected to do most of the kicking. Leroy Clark, who graduated, leaves a big loss in the punting game.

## DEFENSE

**FRONT FOUR**—Kenneth Austin (240), John Montgomery (190) and John Hunt (250), head the front line. Additional help will come from returning squadmen.

**LINEBACKERS**—Charlie Jackson (230) heads the linebacking crew. Lonnie Lewis (220) will get a shot there, also.

**SECONDARY**—All SWAC David Shaw heads a crew of speedsters that include Carl Gude, Halving Young and Samuel Maxie.

## OUTLOOK

"We'll have a pretty representative team in 1974," says East Texas State head coach Ernest Hawkins. "And it could be better than average in the Lone Star Conference, depending on how our quarterbacks do."

Aside from quarterback, most positions are fairly settled. The Lions have a lot of beef up front on the offensive line, and that may be the key to improving ETSU's 1973 7-4 season record. The defense will have size too.

The Tigers retain All American running back Walter Payton, who led the league in rushing (1139) and the nation in scoring with 160 points on 24 TDs, 13 PATs and one FG. Jimmy Lewis is All SWAC quarterback.

The big building job is on defense where seven seniors have vacated. Heading the list of returning stars are LBs Robert Braizile, Al Simmons and defensive tackle Charles Braddy.

Bates and his followers look for a big year also from linebackers Armond Brown and Chester Jones.

The Jags attack may succeed or fail on the offensive line. Four of last year's starters are gone.

## OUTLOOK

Can Grambling keep rambling? Coach Eddie Robinson thinks so, providing his Tigers can "eliminate costly mental errors" and "display an affirmative attitude." And also blow the other people out of the park. Last year's 9-2 outfit was slightly erratic and penalties, on occasion, hurt.

Defense looks big. Pro scouts will be feasting their eyes on dudes like All American Gary Johnson (261), Jesse O'Neal (267), Robert Barber (243) and James Holmes (238). David Dixon (235) lead the rushers.

Coach Shannon Little is thinking big as he contemplates his new job in Dallas. Half the games lost by the Tigers in '73 were lost in the second half. Coach Little thinks the boys could be a little bit better conditioned. He is confident the talent is there to do better than the 2-9 last year. For starters, he has 38 lettermen around, with seven who started on offense and six who started on defense.

## THE BAND MAJORETTES

The Band Majorettes, better known to audiences as "The Black Foxes," is an ensemble of hard-working, beautiful and shapely eye-catchers.

Not only are these young ladies pleasing to the eye, but they are also an integral part of each half-time, pre-game and post-game show. Their ability to combine the skills of marching and field maneuvering with brilliant dance choreography makes them one of the most highly applauded majorette groups in the Nation.

Each year in the month of August the Director of Bands, in a day of rigorous competition, selects nine young ladies who become the new "Black Foxes" for that coming marching season.

From the nine, he selects a Head Majorette. Her responsibilities will include coordinating the performances and appearances of the young ladies.

Beauty of face and figure, poise, intelligence, personality, and marching and dance ability are the minimum requirements for consideration.

The majorette Sponsor is Mrs. D. M. Hunt, noted lecturer and Home Economics Professor at Prairie View A & M University.

The Director of Bands is James P. Mosley, II

## PRAIRIE VIEW MARCHING BAND

The 140-member swinging-and-swaying, purple-and-gold, rhythmical-stepping Marching Band, consisting of 128 bandsmen, 8 majorettes, 1 head majorette and 3 drum majors, is one of the most outstanding and popular units performing today.

Wherever they travel — whether it is by plane or greyhound — throngs of fans always gather to greet them and to welcome them to their cities. That is why they get down, they always look professional, act professional, and above all, put on the type of action-packed half-time, pre-game shows that the audience comes to see.

Rarely does the band leave the field without having touched the members of the audience to the point that they cannot keep their seats. And they respond warmly—in standing ovations, cheers, and unharnessed applause.

## HISTORY OF THE SOUTHWESTERN ATHLETIC CONFERENCE

The Southwestern Athletic Conference had its beginning as an alliance of small Texas schools in the early twenties. By mutual agreement, representatives from Jarvis, Texas College, Bishop, Prairie View, and Paul Quinn met for preliminary consideration of a series of recommendations, resulting in the formal organization of the SWAC.

The function of the Conference, as stated at that time, was to legislate the management and control of all intercollegiate athletics of the schools represented. With the exception of Prairie View, charter membership was composed exclusively of church affiliated schools. Later, Langston (Oklahoma), Arkansas A. M. & N. and Southern University were added by election. They were followed by Grambling, Alcorn A. & M. and Jackson State in the late fifties.

Today, the SWAC ranks as one of the nation's strongest small-college leagues. Conference teams have won national championships in basketball, baseball and track. The SWAC also ranks as one of the most prolific producers of professional football players. Prairie View A & M University has won more SWAC titles and national championships than any other active member.

**Andrew Brown**

Andrew Brown, a Southern University graduate was named the first Commissioner of the Southwestern Athletic Conference. Brown came from Stanford University in California, where he was assistant to the Athletic Director. He assumes full control of the Southwestern Athletic Conference.
