## Chief Bennett Back From Conference

Prairie View Police Chief Daniel L. Bennett returned this week from Oakland, California, where he attended a week-long national convention of Black Police Officers. The event, which took place between Aug. 27 and Sept. 2, was an opportunity for Black policemen across the nation to come together for workshops, to exchange views, solve problems and get advice on a great number of topics common to all departments in some degree.

Offered were workshops in test-taking, crime prevention, undercover investigations, police management, civil liabilities, community relations, hiring and promotion practices.

Chief Bennett, who states he's brought back "good memories" of the convention, attended six workshops during his week at the Hyatt Regency - Oakland. "It was a very positive experience," he notes. "I had the opportunity not only to gain some real insight into the problems of departments from all over the nation, but I learned how they were solving these

problems and how effective our policemen are. I met and exchanged views with officers on the local, state and federal level, educators, religious leaders and local residents who voiced their opinions.

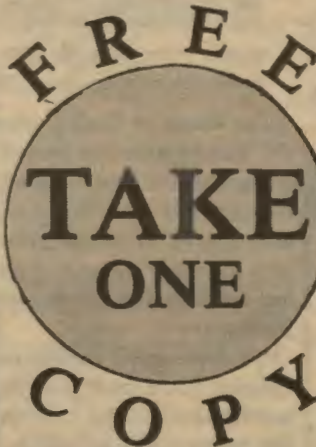

"Some of the problems we

## Flora Nominated For Ministerial Honors

Brother Kenneth Flora, pastor of the Community Chapel, Hempstead, has been nominated for selection as "Rural Minister of the Year," in the state of Texas. He is one of only 24 religious leaders throughout the state to be selected for this honor and the only one from this area.

In addition, Brother Flora is the only non-denominational, full-gospel nominee.

Approximately 30 members of the Community Chapel congregation attended the dinner and awards ceremony held this past Monday evening in Bryan, which was the closing event in a two-day convention of the Texas

discussed are not ones we're currently experiencing here in Prairie View, and I would say we're lucky in many respects. However, should any of these situations arise in the future, the exposure to them at the convention will be a great help in dealing with them." Bennett adds.

Among the speakers were Willie Brown, member of the state of California Assembly; John Henry, deputy (See Police Chief, Pg. 6)

Ministerial Association. The selection committee announced its decision at this time and all 24 nominees were honored for their outstanding contributions to rural ministry during the past year.

In addition to his pastoral duties, Brother Flora is also administrator of Community Chapel's affiliated school, which opened this fall with 26 children enrolled in Kindergarten and First Grade. At present, plans are to add a grade each year until students are served through the Sixth Grade. The new church and school campus will be dedicated in October.

## Bethea Is Parade Grand Marshall

Former Houston Oiler defensive end Elvin Bethea has been named Grand Marshall of the 1984 Waller County Fair Parade. The 15-year veteran, drafted by the Oilers in 1968 as a third-round pick, will lead the parade which begins at 10 a.m. Thursday, Sept. 13.

Bethea holds three Oilers records relating to service: most seasons (15), most career games played - regular season only (203) and most consecutive games played - regular season only (135). Bethea's consecutive game streak began with the opening game of his rookie season and ended when he suffered a broken arm in the Nov. 13, 1977 game against the Oakland Raiders.

Bethea also shares the club mark for most Pro Bowl appearances with Robert Brazile, appearing in seven. He has also played in eight playoff games as an Oiler, saw action in every game of the 1982 season, was credited with 14 tackles, five quarterback

pressures, one caused fumble and one quarterback sack. Even though he had no starts in the '82 season, Bethea saw considerable action relieving Jesse Baker at defensive end.

Bethea is a native of Trenton, New Jersey, where he was born March 1, 1946. The 6'2", 252 star is a graduate of North Carolina A&T. Although he announced his intention to retire after the '82 season, Bethea was persuaded by General Manager Ladd Herzeg and Head Coach Ed Biles to return for one final season.

According to Herzeg, "His value as leader both on and off the field is impossible to measure. He always takes control of situations and leads by example. Few will question the fact that Elvin may have been the best ever pick in the third round of the 1968 draft."

Bethea did retire after the 1983 season, but his feats on the football field will be long remembered by Oiler fans.

to take a youngster or two with you. Can't beat the feeling of excitement we can get through the eyes and minds of the kids.

Be extra careful on 290 when you go back and forth past the FM 359 blinker this week. Folks are coming and going to the fairground in record numbers, and we need to give them a "brake" if they need to slow down getting in or pulling out.

Lots of horse and stock trailers hooked onto the pickups, so be alert for them.

Between logging time at the fair, keeping up with football at our three schools, and bird hunting, I sure hope I'll be able to find some time to work at my job. I hope that this time of year is as much fun for you as it is for me.

See you up-n-down the road.

## Waller Woman Wins Grand Opening Prize

Grand Prize winner Effie Jones, with Charlie Jene's owner Margie Sanders. The prize was awarded Sept. 5.

Effie Jones of Waller won the \$200 wardrobe awarded by Charlie Jene on Wednesday, Sept. 5. The prize was offered in conjunction with the store's grand opening, under new owner Margie Sanders.

Mrs. Jones, who resides on Pennick Road, accepted the wardrobe as an early birthday present. She celebrated her 84th birthday on Tuesday, Sept. 11. She declined

the second part of the grand prize - a color analysis by Pat Hebert and a facial and makeover by Luverna Brejcha. Sanders then decided to make these a second prize.

Jared Sanders, 5-year-old son of Margie and Charlie, drew the winning ticket for Mrs. Jones and for Carol Apple of Brenham, who will receive the beauty treatment.

# County Republican Women Meet

The two Republican Women's Clubs of Waller County met in a well-attended joint meeting on Tuesday evening, Sept. 4, at the home of Linda Taylor, Waller Country Club.

In their efforts to be informed, the women heard two men, both of whom are running for State Justice.

The first speaker was John L. Bates, campaigning for election as Chief Justice of the Supreme Court in Texas. Bates and his wife, Dorothy, came to the meeting from Waco.

A practicing trial lawyer for 37 years, Bates has been an active leader in civil affairs in the Waco

area during his career. Associate Justice of the 14th Court of Appeals Paul C. Murphy also spoke to the group. Justice Murphy has the outstanding distinction of being the first Republican elected to the 14th Texas Court of Appeals.

During the business meeting, conducted by Rosey Lorhn, president of the South Waller County Republican Women's Club and Cheri Cole, president of the North Waller County Republican Women's Club, plans were made to have a float in the Waller County Fair. Tickets were also distributed for the fashion show to be held at the Cotton Gin in Brookshire on Saturday, Sept. 29. The fashion show - tea will be from 2 p.m. to 4 p.m. and will attract many wives of Republican candidates, including Mrs. Phil Gramm, Mrs. Mac Sweeney, Mrs. Mark Mitchell, Mrs. John Bates, Mrs. Paul Murphy and others.

Tickets for the fashion show are available at Hempstead Printing and Office

Supply for women in the Hempstead, Waller and Prairie View area, for a \$5 donation. Those needing a ride, should leave their names and phone numbers with Marty Cole when they pick up their tickets.

Those interested in voter information and being involved in grass roots activities are invited to join the Women's Republican Club.

# Police Chief Attends Conference

(From Page One) chief of police, city of Detroit; Robert Lamb, U.S. Department of Justice and Lee Brown, Houston chief of police. The keynote address was delivered by the president of Jay College, New York, one of the leading criminal justice schools in the country.

Bennett reports that the delegates were also offered some entertainment, in the form of "a cruise in the San Francisco Bay area one night, a tour of San Francisco and Fisherman's Wharf, a community church service and we even visited a couple of night clubs."

A 29-year-old bachelor, who became Prairie View's chief a few months ago, after the retirement of Booker T. Morgan, Bennett is a graduate of Prairie View A&M University who gained experience as a member of the campus police

department, the Waller County Sheriff's Department and the Transit Authority in Houston.

"I really appreciate the fact that the city saw fit to allow

me to attend the convention," Chief Bennett says. "We're trying to build a department here which serves the community and meets its needs. During the months ahead, I'll be using much of what I learned in Oakland as we work toward supply-

ing additional manpower, effective management, crime prevention and a good working relationship with the community and its civil leaders, cooperation with other agencies, county, state, federal and in the courts.

"I brought back not only additional knowledge which I can put to work here," Bennett notes, "but new friendships with officers on both coasts and most cities in between. I feel that this communication among departments is crucial to effective police work."
