UP-N-DOWN 290

By Marty

Well - our fair is over for another year, and we can all be proud of both the participants and the hundreds of workers who put it all together. It was really super. That parade last Thursday turned out to be a Jim-Dandy! And the heat certainly didn't discourage the thousands of people who came out to watch. I had lots of fun at the staging area, as there was a bit of a delay, and I got to chat with many old friends whom I hadn't seen in awhile. Wish we could have more excuses each year for all of the folks of our county to get together and pull in the same direction. Does us good.

Had a chance to see the lifesavers from our hospital ambulance crew get the job done again along our stretch of 290. A member of my family was involved in a nasty smashup at the "Y" north of Hempstead, and the EMT folks did a first-class job of responding and rendering the required aid. I sure am glad we have those dedicated folks on our team. I wish we would all drive so as to render them less necessary, but I guess that it's a futile hope. Everyone, myself included, seems to be in a big hurry these days.

And, speaking of rendering aid, on Saturday, Sept. 29th, the men of the Waller County Shrine Club will be joining their brothers all across the state in collecting money for the fabulous Shrine Hospitals. You'll know them by the distinctive fez, that tall red cap with the tassel worn by the Shriners. What you may

Judge Mulanax Visits Voters

Judge Virgil E. Mulanax

Judge Virgil E. Mulanax, Republican nominee for Place 1, Court of Criminal Appeals, said he hopes to bring an awareness to the public of who they elect to this Court. Judge Mulanax was in Waller County on Tuesday, Sept. 11, visiting with local voters about his statewide campaign.

"I am concerned that this extremely important position does not receive the attention it deserves by the voter," he said. "This is our state's highest court for appeal of criminal cases, yet many voters go to the polls without knowledge of the candidates."

Judge Mulanax is only the second Republican in recent history to campaign for a place on the Court of Criminal Appeals. By his campaign, he hopes to give voters in the general election a decision and a conservative opinion. (See Judge, Pg. 2)

Bike-A-Thon Set Sept. 28

The Dallas Prairie View Alumni Association and the Dallas-Prairie View Club are sponsoring their second annual benefit Bike-A-Thon, with proceeds going to the Sickle Cell Anemia Foundation.

Ronnie Smith, president of the club, is asking that churches, businesses, friends and potential members of the Prairie View Alumni Association join the group in its fight against sickle cell anemia.

"There are 240 miles between Prairie View and Dallas," he said, "and we're asking that supporters of this project contribute at

Waller County Fair Parade A Hit

Clowns, Pretty Girls, Bands, Horses - Even "The Blues Brothers." That's what the Waller County Fair Parade was all about. If you missed it, here are a few scenes. If you saw it, here's something to remember it by.

UP - N - DOWN 290

(From Page One)
not know, is that the money you kick in goes to support Crippled Children's Hospitals and Burn Institutes, which are doing so much for so many. Not many places on earth work so hard to help our crippled children walk and play, or use their limbs. And did you know that it's all free? That's right. Free! Any youngster who needs the services of these hospitals is helped at no cost. How do the kids get this help? By your letting a Shriner in your family, church or neighborhood who needs these services. It's that simple. I hope that no child near and dear to you ever needs to go to the Shrine Children's Hospital, but I

hope that some of your money goes there on Saturday, the 29th. Thanks for helping.

That Norther that came through over the weekend sure did stir up my blood and made me feel more like going and doing. I even took a whack at some of the outdoor honey-do projects around the house, and that always stirs up my wife's blood, and inspires her to create new honey-do projects. She's smart enough to not let her list get too long, and I'm smart enough to not let it get too short. It's a delicate balance that we both strive to keep. She doesn't have a honey-do list, and when she isn't working at the school house, she wastes her time around our house, doing

the wash, cleaning, cooking meals, picking up after me, and keeping the yards cut, trimmed and weeded. I don't see how she finds time to work on a honey-do list, but she does!

Did you see Dilorio's float in the parade? It was fantastic! Looked good enough to eat on the spot, and represented the great things we grow here in Waller County: Beautiful fruits and vegetables, and the more beautiful children. Marshall's float was covered with a great crop of the employees' youngsters, all in matching T-shirts. I saw one young fellow in the parade who solved his loyalty problem in a unique way. He rode with his Cub Scout pack, but he wore his Marshall's T-shirt. Ah, America, the land of freedom of choice!

Well, the fair is over, the banners taken down, the politicians' hand-outs cleaned up, the animals back in home pasture, and we folks back to full-time work. And, speaking of work, I'd better stop this

rambling and get my column in to Sallie so she can get to work on the paper for this week.

See you up-n-down the road.

Judge Seeks Local Votes

(From Page One)

"My opponent (Sam Houston Clinton) says he rejects the characterization that he is a liberal who finds ways to reverse criminal cases on a technicality," said Judge Mulanax. "However, Texas Monthly reports that Clinton has voted to reverse two of every three cases in which a written opinion is given. This record seems to support his characterization as a liberal."

Judge Mulanax, 46, has served since January 1975 as 115th District Court Judge in Upshur and Marion counties. A 1960 graduate of Texas A&M, he received his law degree from Southern Methodist University in 1970 and had a private practice in Gilmer for three years before first seeking public office.

least 10 cents a mile. Your tax-deductible contribution should be mailed to the Dallas-Prairie View Club no later than Sept. 28th.

"Make a notation on the bottom of the check indicating that it is for the sickle cell anemia project," Smith advises. "A statement acknowledging your contribution will be mailed to you

after the event."

The participating students are scheduled to leave Prairie View at 10 p.m. Friday, Sept. 28, and arrive in Dallas at the Martin Luther King Center at approximately 5 p.m. Saturday, Sept. 29.

Area residents are cordially invited to attend the send-off of the bikers and wish them well on their journey.
