Mexia Texas,

Mrs. I.W.Rowan,
District Home Demonstration Agent;
Prairie View Texas,

My Dear Mrs. Rowan:

Here is hoping that you are well and happy, and still
able to direct the good work that you are so capable of directing.

While in Waco I saw Mrs. Hodge and she spoke to me about
coming to Dallas in time to assist in the arranging of the Exhibit prior to
the opening date, of course there is little that I may be able to do of my
own initiative but with such experienced persons as she and others to direct me
I may be able to help quite a lot and I am willing to learn and do what I can
to make things be what you would have them be. So I want you to tell me by return
mail if you can, if I should report in Dallas to Mrs. Hodge March 7th or
March 8th, she suggested that I get that information from you.

With best wishes for you at all times,
I am your co-worker,

Kathryn Watson Booth
Local Agent, Limestone County, Texas.

Mrs. Jeffie O. Conner,
Asst. Dist. Home Demonstration Agent,
Waco, Texas.

Dear Mrs. Conner:

I am thinking that this material was left with the "Wharton Carbon" by mistake so I am rushing them to you at Waco hoping that the delay and inconvenience has not upset you greatly.

Your Score Cards, with lecture margins, will be awaiting you at Dallas. In conference with Mr. Waller this morning I find that he is planning a trip to College Station on Thursday, maybe; I am notifying Miss Holden that I will be in Bryan on the 7th and 8th so I shall be at College Station on the 8th also.

My presence at Dallas before the 9th is too uncertain to promise so please have Mrs. Hodge call in as many Local Club Women as will be needed to get things in place for judging on the 8th. I notice on the letter of instruction to agents that judging is to begin at 3P.M. on the 8th.

Yours truly,

Mrs. I. W. Rowan, District
Home Demonstration Agent

Come to Waco and spend the night
enroute to Cameron, if it fits in with

I shall send the article which
you mentioned to the College tomorrow.

Dear Mrs. Conner:

I realize that I owe you an apology for keeping you in suspense waiting for these news articles, but the truth is- we have been receiving compliments and making summaries, records and reports for two days and have just found a way out, today.

I have fallen down on my "get-acquainted" trips for the month to the counties surrounding Dallas County; maybe I will follow one itinerary LATER.

My plan is to be at Cameron on the 16th and 17th and to go from there to East Texas (Marshall) working back to Palestine for the 22nd and 23rd.

My health is not hindering my operations so far, I'm feeling fine.

Yours very truly,

Dear Mrs. Booth:

It is my plan to leave Corsicana, Texas on the afternoon of March 15th for Mexia via of S.P. (Sunbeam) to spend a few minutes in your city and county. A previous engagement makes it impossible for me to remain in Limestone County longer than the 16th. I will want to get out to Cameron that day.

I have been told that Mrs. Carlton is ill or has been ill so I would not like to impose upon her for lodging; will you find a lodging place for me.

Yours truly,

Mrs. I.W. Rowan,
District Home Demonstration Agent;
Prairie View Texas.

My Dear Mrs. Rowan:

I am entirely without Narrative Sheets, I ordered some twice last month but it failed to come and I had to get my Narrative Sheets for my February report from my Farm Agent. I do not even have the regular form order blank on which to make the order; I have the order blanks for circulars bulletins etc; but none for the paper. Please see that I get some in time for my March report as the Farm Agent may not have enough to supply me this month.

I have been all eyes looking for you this week, but I am sure your work is even more subject to a change than mine, and it is impossible for me to follow my Tentative Itinerary at all times, as much as I would like to do so. However whenever you do come I shall be glad to see you, for some times I feel a bit jealous that you do not come to my county more, but that is just a crazy notion of mine so pay it no attention; but believe me when I say you are at all times welcome, and I am hoping to be so situated in the near future that you can stop with me, as I am looking out for a small place to move in order that I will have more room for my material which is accumulating rather fast, and room for the staff members when they are in town.

With best wishes to you, and for your success and good health,
I am sincerely,

Kathryn Watson Booth

I am leaving for Caldwell and Guadalupe counties. I will be there several days.

I have not begun to do the things that I was to have done this month, I shall try to get to a few of them.

Dear Miss Chatman:

Your letter of March 17th reached me at Palestine, Tex
yesterday; your card was received at Dallas, Texas but
I have not been back to the Campus since I left on
the 7th.

I'll send your suit and dress to you at Giddings if
you have not been for it when I return to the Campus
on or about the 20th unless you have a message there
saying send it to Houston to the cleaners.

It was convenient for me to go to Cameron on the 16th
so they were not greatly inconvenienced.

As soon as I return to the Campus I will send you the
recipe for Peanut Butter.

Dear Mrs. Rowan:

I hope you are feeling fine these days and enjoying your trip. Guess you received this card or anyway by now you know I've been by your house.

I enjoyed the trip home. We stayed awhile Sunday night. Oh yes Powell went up with me. He seemed to have enjoyed the trip. He won't get along though and won't stop wasting time together. Randolph comes over now and then, but every time I think of what you told me. (smile)

Johnnie Mae was with us until kind o' late Sunday night and my how we did talk, and talked until we said a little "too" much concerning her friends, friend and me. The result is I am wondering what is your prophetic saying; that I am going to get slapped for some thing I do in fur. Well I guess it's all in the deal.

Papa asked me to ask you, when

are you sending me home and something else. I don't remember. I didn't go up until Sunday so I haven't had the chance to get the Shrubbery. Guess I'll go home for Easter. I could go up Sat if it isn't too late for shrubs and the weather permits me to do so. When are you going with me?

Did you find some shoes and a suit in your house to fit me? They belong to me. If you decide some things about to happen that I need to wear it there, send it to the shop and I'll send me. I prefer Houstons, perhaps the Tailor's shop might do, but not the laundry.

I don't know when I am coming back to the Campus as I was down first Sunday afternoon also last week end. These trips and right back to work get on my feelings. I mean P. V. trips only ^(small).

Listen Mrs. Cowan please find at least one dollar to apply to the Anderson Hall Fund or more, ^{for me} what ever you do drop me a line & I will remember to send it to you but I keep forgetting. Didn't go to Samerow. Attended meeting here. They are having Athletics there today, so I didn't go.

Oh yes I sent an Application to La Grange! Also talked with Prof. Randolph at the meeting and he urged me to make application immediately. That reminds me that I didn't pay Ray for typing the application. If I don't come down soon, please pay her, ^{since} ~~as~~ I know she is ready to order some shoes.

Mama has made the garden larger and moved the wood pile, but they cut the large persimmon tree, that wasn't planned, and they plan to make the yard larger.

Oh yes what about a peanut Butter Dem. early in April? Globe Hill has plenty peanuts and desires such demonstration, perhaps right after Easter. Gardens and yards are doing pretty good.

Mrs. Cowan I am still hoping to prove myself worthy of all you are doing to help me find the right thing. Guess I'll stop before I change handwriting again. I am tired and kind o' ill all the week and ~~going~~ ^{stay} ~~home~~ ^{in bed}. Write me.

Love to Mrs. Conner.

Lovingly yours,

Alice
