ST. JOHN'S EPISCOPAL CHURCH

514 WEST ADAMS BOULEVARD  
LOS ANGELES, CALIFORNIA 90007

12 August 1971

Dear Director of Choral Music ..

Each year Saint John's Church, a racially mixed community, sponsors a Sacred Music Series for our parishoners and friends. This series features organ recitals, concerts by our choir and orchestra, and at least one guest college choir.

This year it is our desire to feature a touring choir such as the one you may direct. Are you perhaps planning to tour this far West this year, or would you be interested in doing so if, with the help of our Episcopal Diocesan offices, we could aid you in arranging a series of concert appearances around Southern California?

It is my personal desire in planning our series to obtain a guest choir during either the month of February or May 1972. Please indicate by return letter what you would need to charge per concert and what dates you might be touring in this area. In the past we have helped the choirs by arranging for housing within our congregation as a part of the remuneration.

We look forward to hearing from you. It would be appreciated if you would enclose a sample program and information on your choir.

Sincerely yours,

*Harold Daugherty*
