## A Word of Greeting:

It is certainly with a great deal of delight that we, of Second Baptist Church, welcome to our city and church The A Cappella Concert Choir of Prairie View A. and M. College. We remember very happily their fine contribution to the cultural life of our community last year while they were with us. We feel that their coming again this year will be a blessing to all who will share this evening of fine music. We want to thank the members of the choir and Dr. Anderson for making this spiritual experience possible.

With Text by Walt Whitman

An old man thought of school and saw Sparkling Youth building,  
 equipping, like a fleet of immortal ships soon to sail over the seas on  
 the souls voyage. To girlhood, boyhood, look teachers, the school, and  
 you America. 'Tis not the present only, the past and future of the world  
 are also stored in thee. "Sail-Sail thy best Ship of Democracy."

''THE HOUSE OF THE RIGHTEOUS SHALL STAND''  
PROVERBS 12:7

Even in the days of the Bible...there were references to the home and its role in family life. In those days, only a few were fortunate enough to own their own homes. But today, with modern construction methods and long range financing, more families than ever are enjoying the comfort, convenience and security of home ownership. The dedicated purpose of The Schaefer Co. is to make it possible for the maximum number of families in this City of San Antonio to enjoy the benefits, as well as the pride and prestige, of owning their own home. You and your family are cordially invited to visit our Field Office or call for further information. Payments for our lovely new three-bedroom homes are as low as \$59.50 per month...less than many people are now paying for rent. We look forward to seeing you.
