PRAIRIE VIEW A&M

PRODUCER OF PRODUCTIVE PEOPLE

Prairie View A&M has been successful in providing for the optimal development of the students it serves. Students at the University represent all sections of the state, with the highest percentages coming from Southeast Texas. A total of 29 other states and six foreign countries are also represented in the student body of 5381. The enrollment includes 11% white, 88% black and 1% other races.

Student development at the university has and will continue to take into account the hard facts concerning the socio-economic backgrounds of students enrolled. For a student clientele characterized by all the limitations that economic poverty brings, Prairie View provides opportunities for socio-cultural development as an integral feature of the student's education.

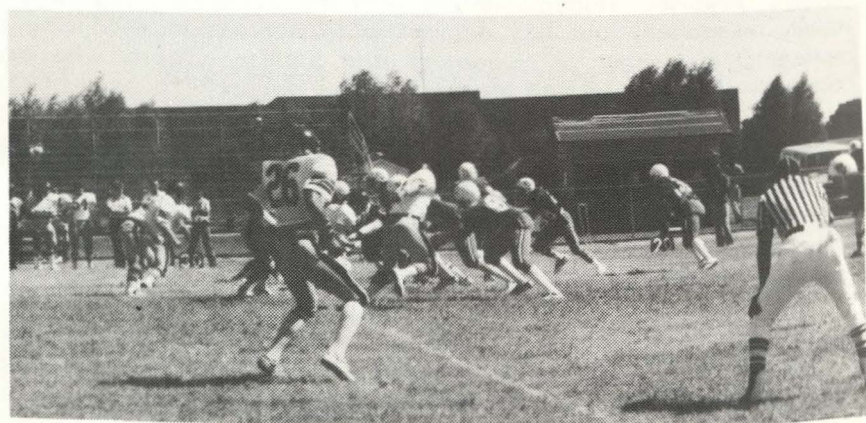

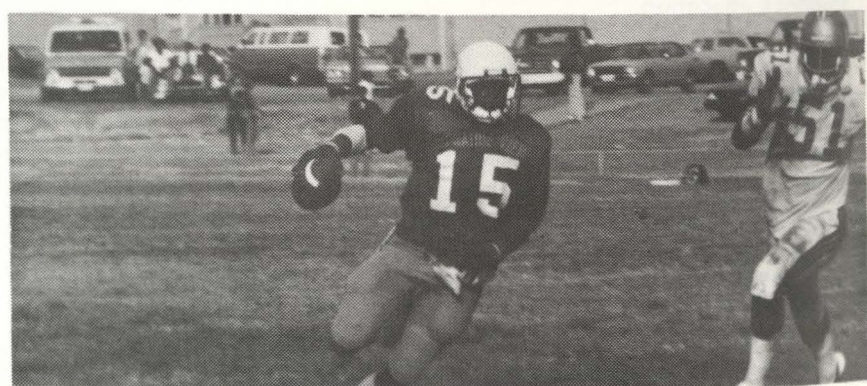

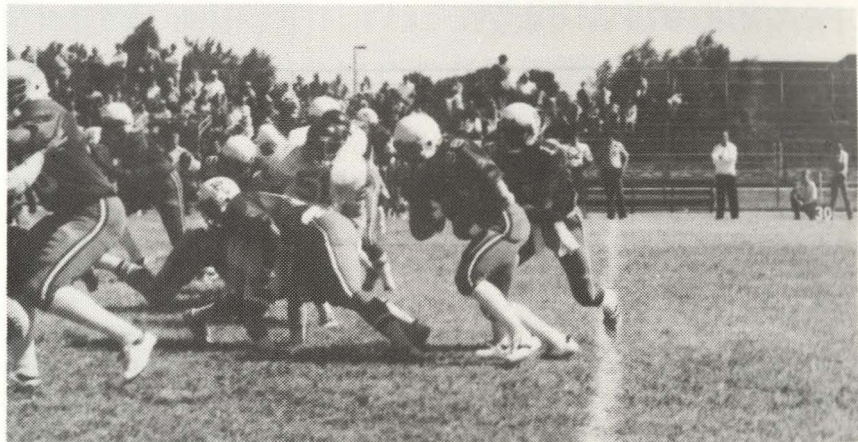

The University is committed to providing an intensive program of academic enrichment at the freshman level in the basic tool curricula areas in order to provide a foundation for student success. Also to meet the special needs of students, the University is utilizing its total resources in the creation of an environment and in the provision of programs and services which aid in the maximum development of its students.

Contribution to the advancement of our free society and the continued progress of our civilization are major goals of the University.

As an institution established to meet the needs of Black Americans and one now serving a predominantly minority clientele, Prairie View is undoubtedly serving a special need of society. The University admits society's "high-risk" students (along with the academically able and socially responsive) and has demonstrated success in producing a representative number of competent and mature citizens who are contributing in many ways to the goals of this nation.

To cite only a few examples, the University graduates more Black engineers than any other of the 307 colleges and universities offering engineering. Prairie View is the major supplier of the nation's Black Army and Navy officers and a leading supplier of minority professionals to the federal government.

Prairie View's services to Texas are substantial in all areas, particularly in agriculture and in education. Our services to developing international countries are "Outstanding" and are expanding.

HEAD FOOTBALL COACH ATHLETIC DIRECTOR

Hoover J. Wright, a native of Maryland, became Prairie View's fourth head football coach since Billy Nicks stepped down in 1965.

Wright, a 1948 graduate of Maryland State, came to Prairie View in 1961 as an assistant football coach to Billy Nicks.

When Billy Nicks stepped down in 1965, Nicks named Wright to succeed him, and in his first season (1966) Wright posted a 5-3-1 record.

In 1968, Wright stepped down from football to devote more time to track, of which he has been head coach since 1961. He was a member of the 1972 Olympics coaching staff and is currently President of the NAIA Track Coaches Association. In track, he has been named NAIA and SWAC coach of the year and has coached the Panther track teams to four national and two SWAC titles. Wright was born in Hebron, Maryland and graduated from F. D. St. Clair High School in Cambridge, Maryland, where he was a member of the soccer team, captain of the basketball team and a star sprinter in track.

He received the Master of Education degree from Penn State in 1951, with emphasis on Physical Education. He has done advanced study at the University of Iowa and North Texas State.

After several years of playing semi-pro basketball, working with Boy Scout troops and attending graduate school, Wright began coaching college athletics at Shorter College at North Little Rock, Arkansas in 1951. He was an instructor of physical education, football coach, men and women's basketball and track coach.

In 1952, he went to Paul Quinn in Waco, where he later became head coach and won championships in every major sport.

OUTLOOK FOR '79

THE 1979 PANTHERS

The Panthers' head football coach and Athletic Director Hoover Wright has made several key changes in an effort to get the Panthers off and running to a great season during the 1979 campaign. The changes could very well put the Panthers into a contending role for the conference championship.

Prairie View returns a well-balanced group with 11 defensive lettermen and 11 offensive lettermen. The offensive group having the greatest number of starters returning.

On offense, Charles Weatherspoon and Howard Grant should compliment each other very well to provide the Panthers with a potent running attack. The passing attack should be just as potent with the likes of Tracy Jones, Tommy Dunson, Eugene Scott and Bobby Baker.

The defense could have its best year ever with great leadership coming from Robert Alexander and Andrew Winzer in the secondary and up front from Milton Hall, Matthew Teague, Larry Jackson, Sammy August and others.

THE OFFENSIVE LINE

The key to the Panthers successful running and passing attack lies up front with the returning of a well seasoned veteran line. Tackles Harold Norfleet and Keith Albury; Guard Dale Clark, Center Gerald Davis and James Hicks, Jesse Nelson should prove to be an adequate replacement for the spot vacated by Gerald Holman. Kendal Clark will serve as swing man for both guard and tackle.

TIGHT ENDS

The Panthers return both tight ends, Eugene Scott and Bobby Barker who compliment each other very well in the blocking and receiving. Wright feels that Scott and Barker provide the team with the stability needed at such a key spot in the offensive attack.

WIDE RECEIVERS

All American Candidate Tracy Jones returns from a great performance last season to lead the Panthers in this category along with the move of Tommie Dunson for added strength to the wide receiver spot.

THE 1979 PANTHERS

QUARTERBACKS

Kenneth "JoJo" Jones readies himself to step into the leading role as field general for the Panthers. However, contending for the starting job is Darrell "Pop" Jackson who had a great spring and south paw Maurice Mitchell. All three quarterbacks possess great ball handling and passing abilities and fit very well into the Panthers offensive scheme. The battle for the starting role should be very interesting.

OFFENSIVE BACKS

The Panthers have one of the SWAC's best returning for his final campaign, Charles Weatherspoon. Weatherspoon will be adequately complimented by the bruising red-shirt freshman Howard Grant. Great support is also expected from Gerald Dodge, Darrell Jackson, Ken Reeves, Michael Long and Floyd Richardson.

THE DEFENSIVE LINE

Coach Wright expects the defensive line to be the key to the defensive unit being able to contend for the number one rating in the Conference this year. Returning vets who should give the line this stability are: Sammy August, Milton Hall, Matthew Teague, Larry Jackson, and Alvin Prince.

LINEBACKERS

Complimenting the defensive line at the linebacking position will be returning veterans Kevin Sullivan, Andra Gillam, Alvis Prince, Charles Richard and John Zachary.

SECONDARY

Leading the Panthers in the defensive secondary which should prove to be one of the best secondaries in Panther history are captains Robert Alexander and Andrew Winzer. Supporting this duo will be James Herd, Floyd Richardson and Ellwyn Dean.

KICKING GAME

The place kicking will be handled by Charles Weatherspoon.

The punting will be handled by the Jackson boys — Darrell M. Jackson and Darrell "Pop" Jackson.

MEET THE LETTERMEN

PANTHERS OF PRAIRIE VIEW A&M

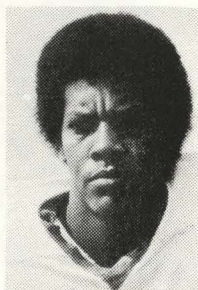

20 — ROBERT ALEXANDER — DB — 6-½ — 2L — JR — Monticello. (Capt.)

PVU: Has developed into a great team leader. Very consistent at cornerback this past season. Could be slated for All American Honors this year — also could be the key to the defensive secondary turning into one of the best conference . . . has the height, size, speed for the corner position and is very daring. **MAJOR:** Computer Science.

95 — LARRY JACKSON — DE — 6-5 — 2L — SR — Port Arthur, Texas. PVU:

Coming off a lean year, Larry should be ready to show the world that he is without doubt one of the greatest hard ends ever to wear the Purple and Gold. Very dedicated and conscientious player. Will be one of the main reasons for the defensive line giving a stellar performance this year. **MAJOR:** Engineering.

48 — JEROME HERD — DB — 6-1 — 2L — SR — Houston, Texas. PVU:

Takes great pride in his strong safety position. Very aggressive, but needs to concentrate a little more on reading his keys. If he can combine key reading with his aggressiveness, banning injury he should be a great asset to the team at the strong safety position. **MAJOR:** Physical Education.

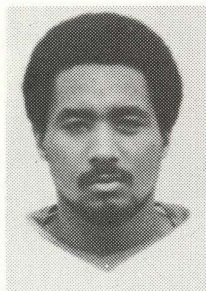

72 — MATTHEW TEAGUE — T — 6-3½ — 3L — JR — New Orleans, Louisiana (Co-Capt.) PVU:

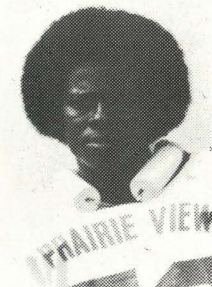

If he would ever stop walking like he is God's gift to the world and just settle down and play hard nose football, he could be a great asset to the team in the defensive line. Matthew has the size and speed but needs to develop the team spirit instead of the individual spirit. If the change is made in attitude, the opposing quarterbacks better lookout. **MAJOR:** Physical Education.

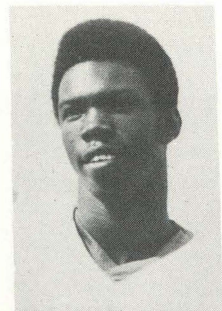

PANTHER LETTERMEN

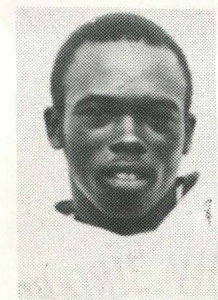

70 — HAROLD NORFLEET — T — 6-5½ — 2L — JR — Baytown, Texas. **PVU:** Has developed into one of the best offensive tackles in collegiate football today. However, Harold still has not reached his potentials. Having missed his last two years of high school football his knowledge of the game must replace his years of inexperience. Harold did a great job for the Panthers offensive line last year. If he improves as much this year as he has the past two the offensive line should turn into one of the greatest in Panthers history. Has size, speed and agility for a big man . . . could be easily rated All American selection. **MAJOR:** Physical Education.

56 — ALVIS PRICE — LB — 6-4 — 2L — JR — Houston, Texas. **PVU:** Did a great job for the Panthers on Defense after his move to LB spot last year . . . gives 100% on the field but needs to mature off the field. The coaches would like for him to demonstrate better leadership quality off the field. Alvis will be a great cog in the defense success this year. May also be looked at for one of the down positions. **MAJOR:** Engineering.

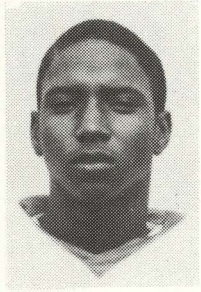

43 — ANDREW WINZER — DB — 6-1 — 2L — SR — Houston, Texas. **(Co-Capt.) PVU:** Has developed into a very dependable utility man for the Panthers in the secondary. Has the ability, range and speed for his free safety position. But also has the speed if needed at cornerback. Great team leader on and off the field . . . Winzer also had a great spring at the wide receiver spot. You may see him on the end of a reception as well as on interception. **MAJOR:** Business.

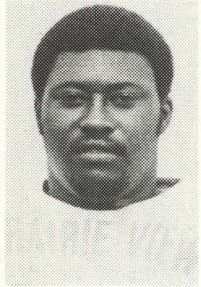

12 — KENNETH "JOJO" JONES — QB — 6-1 — SO — Dade City, Florida. **PVU:** Showed great promise last season as a freshman "backup" to Warefield. Handled holding for place kickers also drew the starting card for a couple of games. If he puts his heart into it, he should make a great field general for the Panthers this year . . . very fine runner as well as passer.

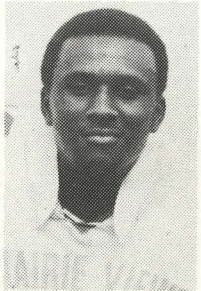

22 — JOHN ZACKERY — DB — 6-2 — SOPH — Waco, Texas. PVU: Showed great toughness as a freshman. Great hustle in practice. Fits the mold of the great defensive tackle that has been turned out by the Panthers. . . . If he continues his improvement, John should be a tremendous help in the defensive secondary. Candidate for strong safety. **MAJOR:** Sociology.

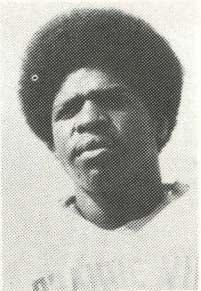

32 — HOWARD GRANT — FB — 6-1 — SO — Milwaukee, Wisconsin. PVU: Coming off a redshirt year, Howard should be the key to the Panthers running attack this season . . . has developed into a fine blocker as well as runner . . . hard worker, great attitude and great team man . . . carries the ball with confidence that he is in command. **MAJOR:** Physical Education.

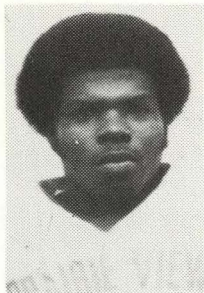

62 — DALE CLARK — G — 6-1 — SO — Miami, Florida. PVU: When the coaches shuffled the cards and moved Dale from defense to offensive guard, they hit the jackpot. Dale has to be one of the quickest and best blocking guards in the game of football today . . . he gives the team the stability needed in the line to have a great offensive attack. **MAJOR:** Political Science.

68 — SAMMY AUGUST — T — 6-3 — SO — Houston, Texas. PVU: "Smiling Sammy" and he plays with a smile. Seems to enjoy every minute of it. He ended the season with a tremendous defensive show in the TSU game last season . . . great attitude on and off the field . . . can play anywhere needed along the defensive line . . . should have a great year. **MAJOR:** Business.

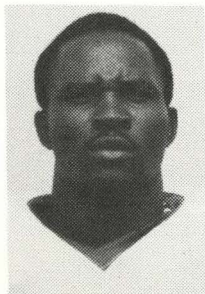

PANTHER LETTERMEN

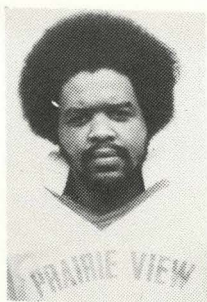

55 — JAMES HICKS — C — LB — 6-2 — JR — Corpus Christi, Texas. PVU: The other part of the Panthers strong hold at the center position. He and Davis have a lot in common. Hicks also is the type that you like to be leading the offensive line . . . gives maximum effort on every assignment and never grumbles . . . has contact . . . handles deep snap . . . moved to linebacker last season to give the defense the needed strength . . . will be competing with Davis for number one spot at center position. **MAJOR:** Physical Education.

69 — KEITH ALBURY — T — 6-2 — SR — Nassau, Bahamas. PVU: Had a great year on the specialty teams last year . . . fiery competitor . . . has speed, size and confidence . . . could qualify for a starting roll at the offensive guard or tackle spot this season, great attitude. **MAJOR:** Business.

83 — MILTON HALL — DE — 6-2 — SO — Utah, Alabama. PVU: Whenever he realizes his strength and begins to use it, a lot of offensive backs will suffer . . . plays a little too mild mannered now . . . needs to develop the killer instinct . . . could have a good year at the defensive end position for the Panthers if he gets rid of that soft touch. **MAJOR:** Industrial Education.

66 — EVERETT GARY — T — 6-3 — SO — Chicago, Illinois, PVU: Has strength and size, with a little work on his feet Gary should give added help to the tackle position in the offensive line. **MAJOR:** Biology.

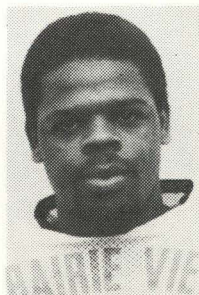

78 — JESSE NELSON — T — 6-3 — SO — Chicago, Illinois, PVU: Showed great promise in his red-shirt year . . . will surely be an asset to the team at the offensive guard or tackle spot. **MAJOR:** Engineering.

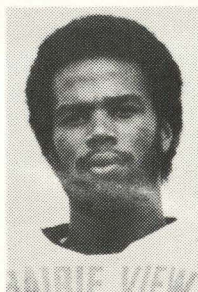

89 — TRACY JONES — WR — 6-0 — SO — Miami, Florida. PVU: Had a great freshman year with 45 catches for over 500 yards . . . six TD's . . . came to the Panthers as a quarterback but wanted a shot at wide receiver "and what a shot," very quiet and mild mannered but spells death to the opponents defensive secondary . . . all goes well Tracy should give the Panthers an All American performance at the wide receiver spot again this year. **MAJOR:** Physical Education.

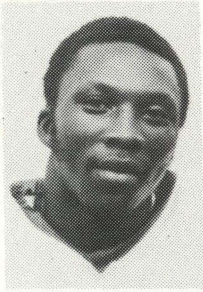

14 — MAURICE MITCHELL — QB — 5-10 — SO — Decatur, Georgia. PVU: Showed during his redshirt year and spring that he will also be a contender for the quarterback spot . . . very steady and confident . . . handles and passes ball well . . . with another year of tutelage should develop into a fine quarterback. **MAJOR:** Industrial Education.

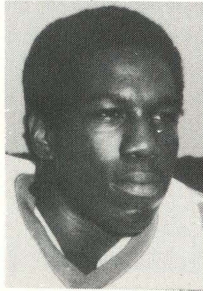

10 — FLOYD RICHARDSON — DB — 6-1 — SR — San Antonio, Texas. PVU: Utility man . . . served on specialty teams and played in the defensive secondary . . . could play at the tight end or wide receiver spot if needed . . . could have a good year this season. **MAJOR:** Physical Education.

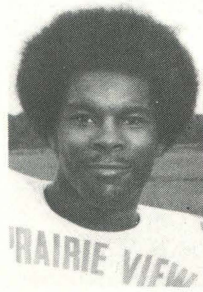

PANTHER LETTERMEN

3 — TOMMY DUNSON — RB — 5-10 — SO — Atlanta, Georgia. PVU: One of the most gifted running backs on the team . . . had a problem last year with play assignment . . . with a little more concentration on play assignments Tommie could be a tremendous asset to the Panthers Running and Passing attack . . . has a great pair of hands. **MAJOR:** Industrial Education.

26 — OSCAR COOPER — SLB — 6-0 — JR — Houston, Texas. PVU: Had a great year last season as a kick-off return man . . . should be tops in conference this year. Oscar also did an outstanding job for the Panthers at the slot back position . . . great runner, blocker and receiver . . . had a great game at home in the Dome against TSU where he was on the receiving end of two TD's in the Panthers closing victory . . . with his speed, Oscar is a threat everytime he touches the ball . . . could be up for All American honors. **MAJOR:** Art.

31 — CHARLES WEATHERSPOON — RB — 5-11 — SR — Pineland, Texas. Coming off a redshirt year because of injuries received in baseball, Charles should add that spark to the Panthers running attack that spells 100 plus yards per game . . . Charles had several games during his Junior performance where he averaged 100 plus yards. The coaches would like to see Charles go over the 100 mark in his final campaign . . . along with his running ability, he is also an exceptional blocker. **MAJOR:** Physical Education.

29 — DARRELL JACKSON — RB — 5-10 — JR — Port Arthur, Texas. PVU: Little brother to Larry Jackson. Great All Around player . . . alternated at the slot back position with Oscar Cooper last season . . . hard worker . . . good hands . . . could also spot at the wide receiver position if needed. Will handle the punting duties for the team. **MAJOR:** Business.

81 — EUGENE SCOTT — TE — 6-3 — JR — Houston, Texas (Co-Capt.) PVU: Has developed into one of the most competitive tight ends in the game. Dedicated team leader . . . strong blocker and has developed into a fine receiver . . . looking to have a super year . . . could be slated for All American Honors. **MAJOR:** Biology.

10 — DARRELL JACKSON — QB — 6-0 — SO — Port Arthur, Texas. PVU: Transfer from Texas A&I . . . had a great spring . . . showed good team leadership . . . has the ability to move the team . . . good sprint out passer . . . hard worker . . . could compete with Jones for starting job. **MAJOR:** Engineering.

52 — GERALD DAVIS — C — 6-2 — SR — Houston, Texas. PVU: The man that will carry the offensive line on his shoulders this year . . . yes he is the center . . . one of the hardest working players on the field . . . never complains . . . gets the job done. Great character on and off the field. All goes well he should have a great year.

82 — MICHAEL LONG — WR — 5-7 — SO — Birmingham, Alabama. PVU: Played last year as a backup to Tracy Jones at wide receiver . . . handled kickoff returns . . . will probably serve as return man for both speciality teams this year (Punt & Kickoff return). **MAJOR:** Physical Education.

86 — BOBBY BARKER — TE — 6-1 — JR — Dade City, Florida. PVU: The coaches have high hopes for Bobby as the other part of that 1-2 punch at the tight end spot with Eugene Scott . . . played very well for the team last year with his blocking and his uncaring ability to get open in the secondary . . . should give the team the needed strength at tight end with a little more dedication to strengthening his body. **MAJOR:** Physical Education.

CHARLES GRIER — A redshirt last year . . . with a little development of super body strength would be a big help as the swing tackle for the defensive line . . . has height, size, agility and speed . . . could be a pleasant surprise for the Panthers this season. **MAJOR:** Business.

35 — RICHARD JOHNSON — RB — 5-10 — FR — Bonham, Texas. PVU: One of the most fierce blockers in the offensive backfield . . . blocks like there is no tomorrow . . . also a fine power type runner . . . has a nose for the goal line . . . coming off a red shirt year, Richard should prove to be one of the finest All Around running backs to wear the Purple and Gold. **MAJOR:** Engineering.

65 — MELVIN DENNARD — NG — 6-1 — FR — Dade City, Florida. PVU: With slight improvement in his pass rush could develop and be a big help to the defensive line . . . redshirted last year . . . worked hard during spring which could make a big difference in his performance this season. **MAJOR:** Pre Med.

HISTORY OF THE

SOUTHWESTERN ATHLETIC CONFERENCE

One Sunday morning in September of 1920, representatives from Bishop, Wiley, Samuel Huston, Paul Quinn and Prairie View colleges, known collectively as the "Big Five," met in Houston at the Old Oriental Hotel on San Felipe street and before the meeting was adjourned, they had founded the Southwestern Athletic Conference.

The purpose of the conference at that time was to coordinate the intercollegiate athletic activity (football and baseball) of the five colleges. In 1922 Texas College joined in the conference and basketball was recognized as an official conference sport.

Later track, tennis and golf were added to the list. Langston, Southern and Arkansas joined the loop in the 1930's.

In the beginning, except for Prairie View, the members of the conference had been church affiliated schools. By the early fifties, the rising expense of college athletic programs plus the cost of staying competitive with state supported institutions caused change in the conference membership pattern.

Bishop, Samuel Huston and Paul Quinn dropped out of the conference to be replaced by TSU in 1956 and Jackson State and Grambling in 1958 and 1959 respectively. Langston ended its affiliation midway in the decade.

Texas College discontinued football following the 1960 campaign and was replaced by Alcorn A&M. By now, Wiley, one of the original charter members, was the only remaining church school and the Wildcats departed in 1967. Mississippi Valley was the replacement.

In 1970, Arkansas joined the Arkansas intercollegiate Conference and the number eight SWAC team has yet to be replaced. SWAC has seven members with Prairie View the only school left of the original group. Southern, gaining admittance in the thirties, is the second oldest member with TSU, Jackson, Grambling, Alcorn and Mississippi Valley following in that order.

The Southwestern Athletic Conference ranks as one of the top collegiate conferences in the nation in its output of outstanding athletics in football, basketball, track and baseball. Its production of pro athletes in football, basketball and baseball is well-known.

PRAIRIE VIEW: SERVING TEXAS AT THE POINT OF ITS GREATEST NEED

One hundred years is a long span in the life of man or an institution. What do the years mean? For man or institution, if they are filled with the honest sweat of service to humanity — with the patient following of that higher law of unflinching fidelity to the dictates of a calling — the years are a benediction.

Prairie View is an institution — a public institution. But an institution is an empty thing without the beating hearts and yearning souls of mortal men. And down the one hundred years of Prairie View's existence, men have lived and dreamed here until every blade of grass and every rock, in that wise primordial way in which the primitive earth knows and cares, has joined the choir invisible to bless their memory. For every man whose foot has touched this hallowed soil has found a spirit, and has broadened and deepened it until what started out as an ambitionless meandering stream has become a purposeful river upon whose tide, now turbulent, now tranquil, floats the destiny of countless human hopes and dreams.

The spirit of an institution is the compound of many things — a strange and often quixotic amalgam of unrelated, sometimes contradictory, elements. Founded, symbolically, upon the ruins of a slave plantation, this college was authorized in the spirit of fair play of the constitutional convention of 1876 where wisdom would not allow vengeance to triumph over justice. The men of the parent school at College Station, growing ever wiser with the years, have translated that sense of justice into everbroadening channels. The humble student, from every nook and cranny in the land, has the echo of his laughter upon the wind, his hopes within the lurking shadows of our halls and by-ways. The giants, the worldshakers, have stood on our hill to mingle their search for truth with the fledgling's hopes for life. And men of dedication have worked here — worked to bring a new heaven and a new earth often with only faith and their hands — often without the spiritual or material compensation that sacrifices merited — but always with a sense of mission — with sense that somehow, someday, time would reward their efforts — would give to those to whom they had given their minds the victory of a new world — of an enlightened society.

Could we do better at the end of this one hundred years than pay homage to this amalgam, this spirit? Can we do less than dedicate our lives to task of fostering it, nurturing it, stimulating it — that those who will walk this ground, these halls, will know, and be better men because of it?
