TO EACH AGENT IN THE SOUTHERN DISTRICT

Dear Agent:

This comes to advise you that the dates set for the District Council Meetings are June 9, 10, 1949.

Your County delegation is to consist of three (3) Farm Women and three (3) Farmers. Remember that your Council Chairman is automatically a delegate to the District Council Meeting.

Please read and have your delegates read and discuss Minutes and Committee recommendations as prepared at the District Council meeting in 1948 so as to be able to react intelligently on all issues. You (Women) will please find copies enclosed for your information and guidance.

This meeting will open promptly at 10:00 o'clock on the morning of June 9th. A program of the meeting and your authorization for travel will be sent to you later.

We are hoping to see you with a 100% attendance from your County.

Yours very truly,

Mr. R. A. Sanders
Negro County Agricultural Agent
Box 428
Seguin, Texas

Dear Sanders:

This will acknowledge receipt of your letter of May 4th advising that you have lost one of your Sears-Roebuck gilts that was about 6 months old at the time of her death. Please refer to the 1948-49 Texas Extension Sears-Roebuck Foundation Program for Negro Boys' and Girls'. On page 2 you will see that the rules and regulations will not permit a replacement after Dec. 15th.

If you think that this boy is worthy of another gilt you may repair your program this fall and submit an invoice to this office which will be forwarded to Sears Roebuck Foundation for payment. Of course, when you submit this invoice with a letter of why you want your program repaired, you must also include a letter of approval from your district agent.

I hope this answers your question. If we can be of further help, please feel free to call on us.

Very truly yours,

Floyd Lynch

Mr. J. E. Mayo
District Agent
Prairie View A&M College
Prairie View, Texas

Dear Mr. Mayo:

I am glad to get your letter of May 5, explaining that the agent in Austin County has been transferred and that you want to bring in Caldwell County for this year.

This is certainly satisfactory with me but the time is so short now that it will not be possible for Caldwell County to get any fertilizer for 1949. There is no limit, however, to the educational information that they can receive during this year with the expectation of getting some fertilizer next year. They certainly can get the demonstrations selected and get the program started at the earliest possible convenience for them and for you.

In the hopes of not delaying you any more, I tried to call you on May 10; but since you were not in, I talked to Mr. Brown and gave him the message to give to you.

With kindest regards, I am

Very cordially yours,

Roy L. Donahue

Roy L. Donahue
Extension Agronomist

RLD:ch

P.S. I've been thinking about this some more. If you and Mrs. Garrett can lay good groundwork in Caldwell Co., I can meet with you folks sometime in July (if necessary) and if Congress says TVA can have fertilizer after July, we can get your new county in this year. R.L.D.

TO THE DISTRICT AGENTS IN THE FARM UNIT PROGRAM

Dear Folks:

During the past two or three months I have either sent out or taken out to all of the county agricultural agents and home demonstration agents a copy of the Texas Farm Unit Handbook for 1949.

In this handbook we have attempted to put all of the necessary information needed in understanding and carrying on the farm unit work, especially that phase of it concerned with TVA phosphate.

Please remember that this handbook is to be used somewhat like a cookbook, that is, not memorized but kept for reference.

With kindest regards, I am

Very cordially yours,

Roy L. Donahue

Mr. J. E. Mayo
District Agent

Dear Mr. Mayo:

As you know the meeting was held in Prairie View on the last days of May, so I left my report in Caldwell to be typed and mailed on the last day. Through a misunderstanding the report was given me this afternoon to be mailed. The White secretary didn't understand that I wanted it mailed. I saw her on the street today and she ask me when was I coming by after my report.

I realize I should have checked to see if it had been mailed when I returned but it was strictly an oversight. I hope it hasn't caused any disturbance and I promise it won't happen again.

I am,

Yours truly,
Charles E. Bradford.

Prairie View, Texas

Dear Extension Folks:

I am highly honored that you want me to be with you during your three district meetings in Conroe, Sulphur Springs, and Victoria in June.

The pressure of supervision of the Farm Unit Demonstration Program will reach its period of maximum intensity about that time. The TVA phosphate is coming into this state during the last two weeks in June, and before that time there is a terrific amount of work to be done in processing requisitions, etc. This has to be right and needs my personal supervision.

Please keep me in mind, however, for the next round of district meetings, and I shall do my very best to be with you.

With kindest regards, I am

Very cordially yours,

TO ALL COUNTY AGRICULTURAL AND HOME
DEMONSTRATION AGENTS

Dear Agents:

The State 4-H Conservation Camp has been scheduled for May 30 - June 2, 1949 at Prairie View A & M College. Plans are under way to make this the best camp we have ever had. Your cooperation will certainly be appreciated.

We have about forty Counties (40) who have not answered the District Agents questionnaires sent out April 8th on the Talent Night Program and Fashion Revue. It is very necessary that these questionnaires be sent in immediately in order that our plans might be completed on making arrangements for meals, lodging and other conveniences for the success of the camp.

I am happy to release to you our theme for the 4-H Conservation Camp "BETTER LIVING FOR A BETTER WORLD".

We are expecting you to leave home early enough in order that you might reach Prairie View by 12:00 NOON on Monday, May 30, 1949. The program for the camp will be mailed to you by Friday, May 20th.

Thanking you in advance for your cooperation and assistance in helping to make this our best encampment, I am

Dear Sir;

I was informed that you have a vacancy in your district for an Extension Agent. If you are opening please consider me as an applicant.

I am a graduate of Prairie View A+M College in the Department of Agriculture. I am twenty six years of age and my health is excellent.
If you wish for further information write the following:

7/16 131
May 19, 1949

Mr. R. A. Sanders
Negro County Agent
Box 428
Seguin, Texas

Dear Mr. Sanders:

I have your kind invitation of May 16th to attend the Annual 4-H Club Camp for the Southern Region, Seguin, on July 12-14th.

I note that this is a joint camp and you are to be commended for this type of planning.

It is regretful that I must advise that Mr. Karcher and I are both scheduled for other meetings on this date. Mr. Karcher will be attending a tractor maintenance conference in Tulsa, Oklahoma, and I will be at a District Camp in Lubbock.

We do appreciate your invitation and hope that you won't mark us off your list, and that next time someone from this office will be with you. If we can assist you by supplying anything from this office, please let us hear from you.

Very truly yours,

FL

MEMORANDUM TO ALL COUNTY AGRICULTURAL AGENTS:

"WHAT'S IN THE BAG" is in the film library. The picture is in color and sound and runs about 20 minutes. This is a general educational picture showing the process of making fertilizer, the origin of many of the materials, and shows some of the processes used in the making of mixed fertilizer for the market.

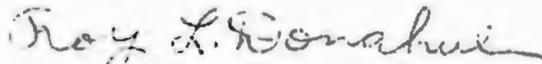

This film has considerable value for general meetings where something of a general nature is needed. It does not tell how to use fertilizer nor does it tell what fertilizers to use. It simply describes the manufacturing process, the mixing process, shows mines and factories that are needed for the production of the fertilizer materials that go into our mixed fertilizers. Since many people have no concept of how fertilizers are prepared, I think this film will serve to inform them along this line.

"What's in the Bag", is an educational film and not a training film.

Very truly yours,

M. K. Thornton
Extension Agricultural Chemist

Roy L. Donahue
Extension Agronomist

Mr. R. E. Callender
Specialist in Wildlife Conservation
Extension Service
College Station, Texas

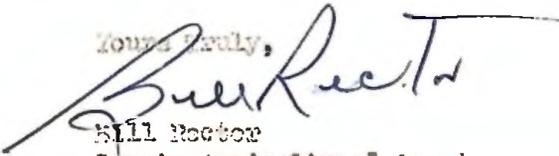

Dear Mr. Callender:

I have your letter of May 26 regarding your attending our County 4-H Club Encampment and the Negro District Encampment. Your copy of a letter to Negro Agent Sanders was also enclosed and I have discussed this program with him and this letter will advise you of our plans and no letter from him will be forthcoming.

We have decided that Thursday July 14 would be the best date for your program and it will be necessary however to have two separate groups—one white and one negro due to transportation difficulties and ground action concerning the use of the park. We would appreciate your giving your talk to the white boys and girls beginning at 9:30 AM and to the negro group at 11 AM.

The meeting place for the white boys and girls will be at Starcke Park and for the Negro boys at the Guadalupe College at which place you spoke with the colored boys last year. We thank you for being with us and I am sure we will enjoy your wildlife discussion.

Yours truly,

Bill Rector
County Agricultural Agent
Guadalupe County

Mr. J. E. Mayo
Negro District Agent
Extension Service
Prairie View College
Prairie View, Texas

Dear Mayo:

We have made out invoices and sent them to Mr. C. T. Johnson for payment of prizes in your County and District Swine Program in connection with the Sears-Roebuck Foundation Swine Program.

We are sending you the file copy of the invoices that belong in the County Agents file. The checks will be mailed to the County Agents individually for both County Show and District Show.

Very truly yours,

A. H. Karcher
Assistant State 4-H Club Leader
