Mrs. Hazel Bowers
Granite Mountain School
Little Rock, Arkansas

Dear Mrs. Bowers:

The program in which your students participated last Tuesday for the ACE was certainly a credit to the Little Rock School District. The students performed so well, it would be difficult to recall when I have heard better.

May I thank you for your fine cooperation with Mrs. Gutensohn in preparing your students for this performance. I have received nothing but compliments and all were well deserved.

Again, thanks for your efforts and best wishes for the coming holiday season.

Sincerely,

A. F. Lape
