Mrs. Jessie L. Shelton  
Box 409  
Austin, Texas

Dear Mrs. Shelton:

I am coming to Travis County, Wednesday, April 22 (by bus or train) to check up on the County Agricultural situation. I am not particular about attending meetings unless you have some scheduled.

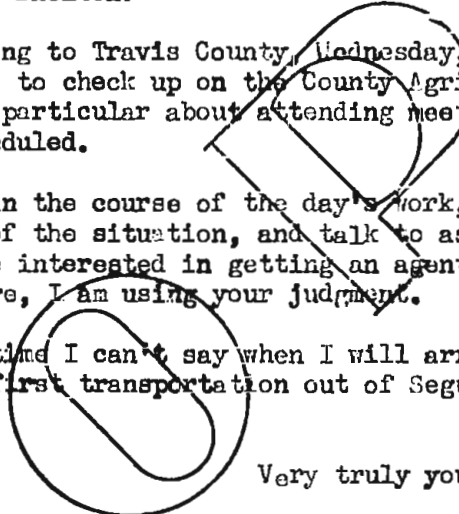

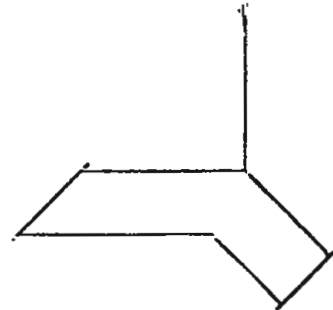

I hope, in the course of the day's work, to get a true picture of the situation, and talk to as many people who should be interested in getting an agent as to who these people are, I am using your judgment.

At this time I can't say when I will arrive, but I plan to get the first transportation out of Seguin, Wednesday morning.

Very truly yours,

J. H. Williams  
District Agent

COLLEGE STATION, TEXAS  
April 20, 1942

Mr. S. Whitsett  
County Agricultural Agent  
Soguin, Texas

Dear Mr. Whitsett:

As you will recall last fall, five Negro boys have given 5 gilts on the Sears, Roebuck Plan; one boy was given a boar. Those boys are to exhibit these animals in your county on May 29, to the boys who have produced the best gilt in the county. A substantial award is to be made to that individual and lesser awards to the balance according to the place they earn in the show.

The best sows from a county will be exhibited in a district show, where prizes will be awarded for the best animals. The boars, will be exhibited in the district show for prizes.

We feel that this contest is so important that we do not care to take any chances, and therefore, are trying to secure the best judges possible. We would like for you to judge our County show for us; we will leave it to you to get whatever assistance you think you will need, but would prefer white judges throughout as it will keep down complications.

We will appreciate your cooperation in this matter and a reply at an early date will enable us to go forward with our plans.

Very truly yours,

J. H. Williams  
District Agent

Mr. E. M. Regenbrecht  
Swine Husbandman  
College Station, Texas

Dear Mr. Regenbrecht:

I am enclosing a schedule of the Sears Pig Shows and the judges whom I have asked to assist us, with the exception of Brazos County where we will have the combined Brazos County and District Show. I thought it well that I find about your plans for this show before I wrote to Mr. Dudley.

Some time ago Estelle and I made the changes in the District Show dates to fit all three of our conveniences, but since then I have not had the opportunity to determine whether these dates fitted your plans. If, however, the District Show dates conflict with your plans, it can be moved down, to suit your convenience.

Will I ask Mr. Dudley to judge the County Show and you to judge the District Show or would it be better for you to make both these set-ups?

The hogs are doing nicely and I am certain that we will have an excellent exhibit and program at the District Show.

Very truly yours,

J. H. Williams  
District Agent

EXTENSION SERVICE  
COUNTY AGENT WORK

April 20, 1942

### TO EACH AGRICULTURAL AGENT IN THE SOUTHERN DIVISION

Dear Co-workers:

The following schedule will be followed in the Sears, Roebuck Pig Shows:

May 18, Newton	May 20, Bay City
May 21, Angleton	May 22, Liberty
May 23, Madisonville	
May 26, Giddings	May 27, LaGrange
May 29, Seguin	May 30, Bryan

These dates will apply to County Shows except May 30, at Bryan which will be the County and District Show. In all cases I hope that we can have the county shows judged and the program conducted during the fore noon of the date set as by this time, the afternoons will be quite warm.

I will expect that these hogs be shown in a good pen and in such condition that the exhibit will be a credit to the service. Each boar in the county will be exhibited at this time. The County Boar and the two best sows from each county will be exhibited at the District Show. Arrange your affairs to reach Bryan not later than 7 a. m., May 30, 1942.

The judging will be done by white county agricultural agents and vocational teachers.

If additional information is desired on this program, let me know as soon as possible.

It is desirable that you include in your party attending the AAA Ministers Conference, scheduled for Houston, April 29, a member of your County Planning Board, preferably the member who worked on the committee during our last District Conference. This group will meet to transact business for the District at 8 a. m. PLEASE BE ON TIME.

Very truly yours,

Dear Dr. Evans:

In reply to your memorandum of April 20, I have sent a communication to K. N. Malone requesting that he hurry this material to me concerning the farm machinery program.

The transfer of Sanders must necessarily wait until I can find a new county, or some one who wishes a transfer; as you know the salary is below the requirement and the lowest in the district plus they know of the condition surrounding this situation, and none of the agents have a desire for this county.

I am mindful of our commitments, and also the need of making the change, called to my attention in your memorandum, however, the time of this change hinges altogether on the facts aforementioned. You may rest assured that I will effect the change as soon as possible.

Very truly yours,

J. H. Williams  
District Agent

April 25, 1942

TO EACH AGENT IN THE SOUTHERN DISTRICT

Dear Co-workers:

The order to mobilize all the boys in your county from ten through twenty years of age to assist in war production needs will reach you sooner than you anticipate.

How many boys are there in your county from ten through twenty years? How many from twenty-one through thirty who are unmarried? Do they live in rural communities or in towns with a population less than 2,000? This is the information you must secure. Your last chance to secure this information and other information about your county will come during the sugar rationing program. Therefore, I am requesting that you lend yourself to this program wholeheartedly.

You will need your copy of the National Conference on Voluntary Local Leadership, March 19-21, 1942 at the AAA Ministers Conference.

I am suggesting that you study this letter and the aforementioned memorandum before you come to the conference.

Very truly yours,

Dear Dr. Evans:

In reply to your letter of April 17, concerning the Saw Mill Demonstrations, I wish to advise that from advice furnished by agents, we can conduct demonstrations in saw mill work in Fayette, Lee, Colorado, Austin, and Liberty counties.

From observations of conditions in these counties, I think early July will be the best time to do this work. We have mills in two of these counties.

Hoping this information is satisfactory, I am

Very truly yours,

J. H. Williams  
District Agent
