FEBRUARY 1932

NUMBER V

Campus -

The workmen are making our campus look like a city park. It is a pleasure to see our grounds free of paper and trash. This is to remind the employees of the good practice of not cutting the campus. Let us all resolve to keep the walks so that the grounds may continue to present a beautiful picture.

Buildings -

Dean Suarez and Mrs. J. A. Greene, of Evans, Mrs. M. J. Davis, New Frame, Misses Walker and Martin, of Minor, Mrs. Brannon, Hospital, Mrs. E. M. Green, Blackshear, and Miss Anderson, Practice Cottage, exerted extra efforts last year in planting flowers around their respective buildings, adding materially to the beauty of the campus. It is hoped that this number will increase.

Lawns -

We have been particularly happy to see the occupants of some of our Teachers Cottages keeping the lawns cut regularly and growing flowers. This is an evidence of civic pride. Let us all who have the privilege of living in cottages see to it that our lawns and surroundings surpass in beauty those of our neighbors.

Gardens -

We have plenty of space here. Suppose we fight weeds and grass around our homes with a few snap beans, cabbage, peas, etc.

Nautilus Club -

Pardon me for not mentioning some of the excellent work of the Nautilus Club:

- (a) Gift of Radio to the Practice School
- (b) Fitting choir with robes
- (c) Distributing clothes to the needy of our neighborhood
- (d) The Committee on the Practice School, under the Chairmanship of Mrs. E. B. Evans, is doing a splendid work in looking after the immediate needs of the children and teachers

Faculty Debaters -

Several members of the Prairie View faculty have organized the Faculty Debaters. The first debate was held in the Assembly Hall January 31 on the subject: Resolved, that Great Britain Should Give India Immediate Independence. The Affirmative side was ably represented by Professor Houston, Dean Dabney, and Coach Taylor, and the Negative by Professors Bullock, Pierce, and Jackson. This is an excellent movement.

Second Semester -

The work of the Second Semester has got off to a good start. It is my hope that our class room work may continue toward the high water mark of excellence until the end of the year.

And finally,

"Faculty members should be the kind of men and women that we want our boys and girls to become."

I am

Yours truly,

W. R. Banks
