# "That Old Prairie View Spirit"

MRS. OPAL JOHNSON SMITH  
MISS HOMECOMING

I consider this a real privilege to be able to extend greetings to members of the Alumni and Ex-students of Prairie View in this your Homecoming issue of the FOOTBALL PROGRAM.

The Homecoming occasion is of particular significance in that it brings so many of our loyal supporters together for fellowship and enjoyment of our many special activities. This publication will serve a very great need in keeping all of us better informed of activities of mutual concern and in helping to keep alive that "old Prairie View spirit."

With such a spirit of unity, of friendship, interest and a common purpose, Prairie View will continue to make rapid strides in growth and will move forward in our objectives to meet the educational challenge implicit in our democratic society.

DR. E. B. EVANS, President  
Prairie View A. & M. College

TODAY'S GAME is a Southwestern Conference affair, bringing together the first ranked loop team (Prairie View) and the number three-ranked Alcorn A&M. The Panthers are 6-0 in conference play while Alcorn has a 3-3 record. Most observers have picked Prairie View to go ahead and win the league title, necessitating a win today and against Southern University next week. Alcorn, however, may

have other plans. Today's game closes the Braves 1964 season, and they will no doubt go all out for victory.

Alcorn A. & M. College, the oldest land-grant college for Negroes in the United States, had its beginning in 1830 as a Presbyterian school for white male students.

At the close of the Civil War, the College was sold to the State for the education of her Negro men. In 1871, Oakland College was changed to Alcorn University.
