PERSONAL DATA MEMORANDUM

To be submitted with application for positions in the Extension Service of Texas.

INSTRUCTIONS: Answer the following questions with pen and ink and in every detail.

Date April 23, 1942

1. Name in full Elouise Roy Stevens Male or ~~Female~~ male
(If applicant is married woman, give Christian name)
2. Legal residence at time application is made Box 452 Van Vleet, Texas
3. For what position do you apply? County Agri. Agent
4. If appointed, in what section of the State would you prefer to be located? Mathis
5. Place of birth Hallettsville, Texas Saraca County
6. If not a citizen of the U.S. what steps have been taken to secure citizenship?
Citizen
7. Date of birth Nov. 24, 1907 Married or ~~single~~ married
Weight 174 lbs. Height 5 ft 5 inches
8. Were you reared on a farm? Yes
9. Schools and colleges attended: Edmond Training School, Prairie View College
(1) In what did you specialize? Agriculture

Name	Location	Period Attended	Degrees Received
<u>Prairie View College</u>	<u>P.V. Texas</u>	<u>Summer 1928</u>	
		<u>to</u>	
		<u>Summer 1940</u>	<u>B.S. Agriculture</u>

10. Farm Experience:

Years	Owner or Tenant	Farm Acreage	Type of Farming
<u>Life to 1928</u>	<u>Sabarez</u>	<u>100</u>	<u>Dry Farming</u>

11. What home responsibilities have you handled? (for women applicants) _____

12. Present Position : Location : Nature of Work : Salary per Annum

Principal of H.S. School Van Vleck : Teaching H.S. School : Subjects : \$560.00

13. Former positions held and time served in each, giving dates:

Position : Location : Period of Service : Salary per Annum

Principal of Ashwood School Ashwood, Tex 1928 to 1939 : \$480.00

Principal of Van Vleck School Van Vleck, Tex 1939 to 1942 : \$560.00

14. What is the minimum salary you will consider per annum? _____

15. Have you any relatives now employed in the Extension Service in Texas? If so, who are they? N.S. Stevens

16. Are you related within the third degree of consanguinity or second degree of affinity to any member of the Board of Directors of the College? No

Dear Mr. Williams:

In checking with my club boys on the breed of chickens and when they wanted them, I find that they want Barred-Rock and want them in June. I am making plans for the show at the fair ground here we will have plenty room and pins.

The program I have plan is as following. If you see any changes that should be made let me know by return mail. I have not run them off yet.

4-H Club Parade Lead by Kemp Hi. Band
Welcome Address Don Holliver 4-H Club boy
Music by Kemp Hi Glee Club
Address by Dr. R. C. Miller District Agent College Station, Texas
Music Kemp Hi. Glee Club.
Purpose of the Show John H. Williams District Agent Prairie View College
Care of Live stock Dr. R. B. Evans State Leader Prairie View College
Awarding of Prizing Judge S.A. Dave Brazas County Judge
4-H Judge F. L. Lord 4-H Club boy

I have got white county agent, F. L. A. Supervisor and Vocational Agri. teacher to judge the show. I have the program plan for the after noon from 1:00 O'clock until four.

Yours truly,
R. A. Sanders

Mr. R. S. Miller
District Agent
College Station, Texas

Dear Mr. Miller:

In line with our conversation of May 8, at Hempstead, concerning the meeting of the District Agricultural Council at the Angleton Experiment Station, June 6, I am using this means to further explain the nature of the meeting so that you may render us the greaterst assistance.

Of the 22 counties in my district, 3 are in District 10, 4 are in District 9 and the balance in District 11. Your district embraces the greatest area.

We have worked along with the organization and planning work for four years; this is the fourth meeting at Angleton. Quite often we were not certain as to whether we were on the right track, however it appeared to me that we were doing good, at least the meeting was better each succeeding year.

In the light of the reorganizational program, I am not quite clear as to how to get the most out of this organization. I want it to fit into the new plan or vice versa. I am hoping that I can get your assistance and the assistance of others in the matter. We have had Mr. Melcher with us and he rendered us some mighty fine service. If he is available, I am hoping we may secure his services; if not, I would appreciate it if you would suggest some one who can aid us in developing greater planning ability with the group.

I am hoping that by the time of this meeting to have all of our new organizations at work and carry this plan out on a district basis.

If you will give this some thought and give me your opinion as to whom we have or can secure that can give us assistance, I certainly will appreciate it.

Very truly yours,

J. H. Williams, District Agent

J. H. Williams,
District Agent,
Prairie View, Texas

Dear Williams:

I will do my best to be at your meeting at the Angleton Experiment Station on June 6. I note that you have about 22 counties in your district and I feel sure that since we have set up the organization that we now have, you will be able to follow all of your work through this kind of a set-up.

I do not know just what kind of planning you have been doing but rather suspect it has been along the lines of county land use planning and since this organization is to take the place of that, we should be able to give them some information as to just what may be expected through an organization of this kind.

If I can get someone to come along with me, I will do so and advise you later on as to who it will be.

Very truly yours,

R. S. Miller,
District Agent

May 16, 1942

Dr. E. B. Evans
Campus

Dear Dr. Evans:

In line with the suggestions concurred in during our conference of May 15, I am outlining the following information concerning the status of my travel account for May and June 1942.

I am submitting my travel account for the work done in rendering assistance in organizing the Agricultural Victory Council, May 3-15, which is \$65.45. This work was done in 14 counties.

I have made an estimate of the work scheduled for the balance of the month in putting over the Pig Shows in ten counties at \$55.00. My balance as of May 1, was \$94.31, after conducting the Pig Shows, I would have a balance for June of \$29.37. However, if the expense concurred in the Agricultural Victory Council work is charged to my regular travel, at the end of May, I will have a deficit of \$23.18 as of June 1.

The estimate of expense attached to the work I propose to do the balance of May, may vary from the estimate slightly, but I doubt if there will be more than \$2.00 difference either way.

I hope I have very clearly stated the situation.

Very truly yours,

J. H. Williams
District Agent

Dear Mr. Sanders:

I wrote Luper a few days ago asking that he send you a ribbon book which I hope you have received.

I wish you would order some ribbons for this show, 1, 2, 3, 4, 5, for the sows, 1, 2, 3, 4, 5, for the boars, and grand prize for the best two gilts and boars. Have them made to read, "South Texas Pig Show, Bryan, May 30, with Texas Seal. Order good ribbons.

There will be a problem of feeding these hogs during the show. I am wondering if you can get the Chamber of Commerce to assume the responsibility of paying for the ribbons, feed, and necessary labor. It want hurt to ask them, since you have invited the show to Bryan, understand? However, if you don't get this done, we can take care of it.

I like your program outline and will see you before show time.

Very truly yours,

J. H. Williams

Dr. E. B. Evans
State Leader
Prairie View, Texas

Dear Dr. Evans:

Realizing the critical period America is passing through, knowing the conditions in the various counties by personal contact with our farm people, and in view of the information disclosed by Director Williamson regarding their decision not to have a Short Course at College Station this year, we have given serious consideration to the matter relative to the Short Course for Negroes. And it is our conviction that a Short Course for Negroes is not the logical nor patriotic thing to have at this time, for the following reasons:

1. Due to the fact that the U. S. Government has asked us to conserve our tires and make our cars last longer, we feel that plans involving long trips would be disregarding this request.
2. Expense money (if the farmers have it) could be used to better advantage by defending the home front and buying defense stamps and bonds.
3. Increase in grain and bus fares has made it difficult for farm women to make the trip. Most cars, and all school buses are not available because of the shortage of tires and gas.
4. Persons should stay within their localities in order to keep the Human Chain of Communication active, and the morale of the families kept high.

We hope you will consider this request favorably, and advise us immediately.

Yours truly,

KEEPING THE PLEDGE

..... a letter for
Victory Demonstrators

Remember: As a Victory Demonstrator you have pledged to help win the war by producing "food, feed and fiber" for yourself, your family and others.

Having a few sheep on your ranch or farm will help.
Sheep will produce

meat for the table

One lamb will furnish approximately 40 pounds of meat. That means you can have leg of lamb twice and two shoulders for roasts, lamb chops from the rib and loin, stew if you wish or ground meat for patties.

Lamb adds variety to your meals. It is a delicious and a valuable food. For directions on preparing lamb, get Starring Lamb, C-145, from the Extension Service.

wool for fluffy, warm comforts

An average sheep will produce three pounds of clean wool each year enough for a fine comfort.

During the war, you probably won't be able to get wool scoured commercially, but you can do it yourself. The Extension Service furnishes directions for washing small amounts at home. Get MS-121.

You can do as your grandmother did card washed wool into bats for comforts. If you have never done this before, likely there's someone else in your community who can help you or do it for you.

SAID LITTLE WOOLLY LAMBKIN.
"LIFE IS FULL OF FLOPS
SOME DAY I'LL BE A SANDRA STEW,
OR A PLATTER FULL OF CHOPS!"

Every farm and ranch in Texas should consider having a few sheep. Aside from cash they provide wool and meat. And, too, they keep the premises neat, trim and free from weeds.

TO EACH AGRICULTURAL AGENT IN THE
SOUTHERN DISTRICT

Dear Co-workers:

During the meeting at Angleton, dinner will be served as usual. This item of expense must be taken care of by those people in attendance, farmers and agents. According to the best information obtainable, we will have just about the same number we had last year. On this basis I have worked out the following schedule, expenses based on approximately 50¢ per meal. I anticipate an attendance of 285 agents and farmers who will pay for their meals, and probably 30 invited guests who we will not be expected to pay for.

Metagorda, Ft. Bend, Harris, and Wharton County, with an attendance of 15 will pay \$7.00 per county. Austin, Brazos, Caldwell, Colorado, Fayette, Grimes, Guadalupe, Harris, Jasper, Jefferson, Lavaca, Leo, Liberty, Madison, Montgomery, Walker, Waller, Newton, with an attendance of 5 each will pay \$2.50. Brazoria will pay \$24.00.

I hope that you understand that this meal will be arranged and prepared in advance, therefore, it will be necessary for each agent to send his contribution to H. L. Hubbard, County Agent, as soon as possible to relieve him of the responsibility of financing your program.

Very truly yours,

TO MEMBERS OF THE FARMERS PLANNING BOARD

Dear Co-worker:

As you probably already know, the Annual Spring Planning Meeting has been set for June 6, at the Angleton Experiment Station, Angleton, Texas.

Important business will be transacted during this meeting and it is very important that officers of the District Council, and each member of this organization's District Planning Board be present.

I realize that this is a busy season for all of us, but during war times, it is expected that all of us should do more than at ordinary times.

I will be expecting you.

Very truly yours,

J. H. Williams
District Agent

May 25, 1942

TO EACH AGRICULTURAL AGENT IN THE
SOUTHERN DISTRICT

Dear Co-workers:

During the meeting at Angleton, dinner will be served as usual. This item of expense must be taken care of by those people in attendance, farmers and agents. According to the best information obtainable, we will have just about the same number we had last year. On this basis I have worked out the following schedule, expenses based on approximately 50¢ per meal. I anticipate an attendance of 285 agents and farmers who will pay for their meals, and probably 30 invited guests who we will not be expected to pay for.

Matagorda, Ft. Bend, Harris, and Wharton County, with an attendance of 15 will pay \$7.00 per county. Austin, Brazos, Caldwell, Colorado, Fayette, Grimes, Guadalupe, Harris, Jasper, Jefferson, Lavaca, Leo, Liberty, Madison, Montgomery, Walker, Waller, Newton, with an attendance of 5 each will pay \$2.50. Brazoria will pay \$24.00.

I hope that you understand that this meal will be arranged and prepared in advance, therefore, it will be necessary for each agent to send his contribution to H. L. Hubbard, County Agent, as soon as possible to relieve him of the responsibility of financing your program.

Very truly yours,

J. H. Williams

TO EACH AGRICULTURAL AGENT IN
THE SOUTHERN DIVISION

Dear Co-workers:

The District Council will meet in its regular Spring Session at the Angleton Experiment Station, Angleton, Texas, June 6, 1942, at 9:00 A. M.

I am enclosing a program and some questionnaires, which information I am expecting you to secure and have ready to turn over to the designated chairman at the proper time during the meeting.

I am expecting each agent to bring as many farmers to this meeting as possible, and be sure to include in this number the members of your District Planning Board and any officer of the Council that may reside in your county.

The progress reports and their chairman are as follows:

Poultry	K. H. Malone
Agricultural Engineering	
Farm Machinery	G. M. Roligan
Syrup work	J. H. Williams
Feed Crops	N. S. Stevens
Food Crops (Gardens, etc.)	L. G. Luper
Dairy	D. M. Marshall
Pork	A. E. Adams
Beef Cattle	E. A. Palmer
Crops for oil (peanuts)	T. A. Mayos
4-H Club Work	O. A. Mason

I am hoping that you give this letter your careful attention and govern yourself accordingly, and if there are any questions in your mind concerning this meeting, please write me.

A letter outlining the contemplated that may accrue as a result of this meeting will follow.

Very truly yours,

J. H. Williams

Mr. R. A. Sanders
Negro Agricultural Agent
Bryan, Texas

Dear Sanders:

I think it advisable that you arrange with your Council to serve cold drinks, etc. at the Fair Ground during the Pig Show. You may consider also the idea of getting some one to serve lunch on the ground.

However, whatever you arrange for, be sure that it is not "messy". We want to be sure that every thing we do in connection with this program can't be brand "Negro".

I am also suggesting that you send a card of invitation to all Extension Staff members at A & M College. Don't forget to have a leading chute.

Very truly yours,

J. H. Williams
District Agent

H. S. Estelle
J. H. Williams
Negro Extension Work
Prairie View, Texas

Gentlemen:

Dr. Evans' letter of May 24 has been received with reference to the two of you attending the meetings scheduled to be held in Houston on June 2 and Dallas on June 1.

So far as we are concerned, we will be very glad for each of you to attend one of these meetings. However, as you know, these meetings are to be held in the Jefferson Hotel in Dallas and the Rice Hotel in Houston. I do not know what the policy of these hotels is with reference to Negroes attending conferences in their conference rooms. If it is all right with them for you to attend, it is certainly all right with us. I think you would find the meetings very worthwhile.

Yours very truly,

H. H. Williamson
Director

HHW:H

THE BATTLE AGAINST INFLATION

Perhaps the greatest battle to be fought on American soil will be the battle against inflation. Degree of success attained will go far in determining how well our civilian population can preserve the ideals at home for which men and women are fighting on foreign battlefields.

President Roosevelt and Leon Henderson are looking to the Department of Agriculture to explain to rural people the "why and how" of this large scale attack. Secretary of Agriculture Claude R. Wickard has requested the Extension Service to take the leadership in a general educational program for acquainting farm people with the government's program for holding down the cost of living and how they may do their best for the right kind of "inflation armistice".

To render maximum service in this important war effort, it will require teamwork on the part of the personnel as well as the utilization of the facilities of all Federal and State agencies, organizations, associations and institutions working in the field of agriculture. The educational work to be done under the leadership of the Extension Service will be a part of the general program being sponsored by USDA War Boards.

A series of conferences has been worked out with the State War Board. Analysis of this "enemy" and ways and means of executing the desired coordinated attack will be discussed at the State conference to be held at College Station on May 26. As a follow-up, four section conferences will be held throughout the State during the period of June 1-5.

State administrative heads of agencies, organizations, associations and departments are urged to attend the meeting at College Station. The sectional conferences are for field, district and area representatives.

Schedule for the One-Day Conferences (All meetings begin at 10:00 A. M.)

State Conference

Tuesday, May 26 - College Station, YMCA Chapel

Sectional Conferences

Monday, June 1 - Dallas, Jefferson Hotel

Tuesday, June 2 - Houston, Rice Hotel

Wednesday, June 3 - San Antonio, Plaza Hotel

Friday, June 5 - Big Spring, Settles Hotel

Mr. K. H. Malone
Negro County Agricultural Agent
1224-13th Street
Huntsville, Texas

Dear Mr. Malone:

A program of the Third Annual Meeting of the ~~Gulf Coast Council~~
of Agriculture is before me.

As supervisor of the Poultry Committee of the Gulf Coast Council
of Agriculture, I am addressing you in the interest of poultry
demonstrations being developed with and by farm women and girls
in the Southern District.

In addition to poultry as a major demonstration in home food
supply and to those brought about by desired increased production
for war needs, there is the 4-H Poultry Plan with Sears, Roebuck
and Company. A copy of the 4-H Plan with Sears is enclosed for
your information.

I hope that it will be convenient for you to read the poultry
section of the Home Demonstration Agent's Manual. Miss Merrell
has the manual referred to.

This office is advocating dual purpose chickens for the demonstra-
tions with women and girls.

Realizing that the membership of the Gulf Coast Council of Agri-
culture is composed of individuals from homes where this work is
being done, I am taking this method of soliciting your cooperation
in further developing better poultry flocks in South Texas.

Very truly yours,

I. W. Rowan

Dear Mr. Williams:

I am down in the dumps today as I have lost my second best gilt and missed the District Pig Show. I loaded the Boar and Gilt at Gainesmore about 7:45 P.M. and started to Cedar Lane to pick up the other gilt. We had lots of trouble keeping the gilt from climbing out, but we finally made the five mile distance in one hour. When we reached Cedar Lane where the first place pig was the gilt and boar on the trailer were plenty hot. We let them off to cool but the gilt would not get quiet until she was out for dead. It was about 10:00 P.M. and the boar was still plenty hot. I was afraid to load the other gilt as she was fatter than the first.

Will there be some way of replacing this gilt. Let me have your suggestion on this matter.

I feel confident that the District Pig Show was a great success.

Yours very truly,

N.S. Stevens
