FOREWORD

The members of the Pan-Hellenic Council of Honor Societies take great pleasure in hosting the Honors' Week activities at Prairie View. During the past fifteen years, Alpha Kappa Mu Honor Society sponsored these activities. Alpha Kappa Mu was one of the first honor societies to function on our campus. Its prestige is enhanced by the fact that its membership is not limited to any specific major area and it requires that its members have attained the highest cumulative average of any other campus honor society. Many of the members of Alpha Kappa Mu are members of other campus honor societies, thus a decision was made to create an association of campus honor societies.

The administration, faculty, student body join in extending sincere congratulation to each of the persons honored for the tremendous role that they are playing in developing our "community of scholars."

ALMA MATER — "Dear Prairie View"

Dear Prairie View, our song to thee we raise,
In gratitude we sing our hymn of praise,
For mem'ries dear, for friends and recollections,
For lessons learned while here we've lived with thee.
For these we pledge our hearts full of devotion,
To serve thee now, and through eternity.

As days go by, our hearts will not grow cold,
We'll love thy purple royal and thy gold,
We'll through our lives exemplify thy teachings,
We'll always strive a blessing to be.
Thy children we our love and pride confessing,
We'll love thee now, and through eternity.

ALMA MATER — “Dear Prairie View”

Dear Prairie View, our song to thee we raise,
In gratitude we sing our hymn of praise,
For mem’ries dear, for friends and recollections,
For lessons learned while here we’ve lived with thee.
For these we pledge our hearts full of devotion,
To serve thee now, and through eternity.

As days go by, our hearts will not grow cold,
We’ll love thy purple royal and thy gold,
We’ll through our lives exemplify thy teachings,
We’ll always strive a blessing to be.
Thy children we our love and pride confessing,
We’ll love thee now, and through eternity.

Words by O. Anderson Fuller
Music from “Finlandia” by Sibelius
