Discussion Group:

I want to congratulate those professors who have organized a discussion group among themselves. This is an important and wholesome movement. The friction of men's minds will cause the truth to scintillate.

Girls' Dormitory:

The work on the construction of a new girls' dormitory has begun and it is hoped that it will be ready by the opening of the next regular session. This is to be the most beautiful building on the campus.

A New Comer:

We welcome the little daughter born to Mr. and Mrs. I. J. Collier and wish for her a long and happy life.

To each one of you, my colleagues, I extend my heartiest and best wishes for the Season's Greetings.

"Unto us a child is born, unto us a son is given and the government shall be upon his shoulders: And his name shall be called Wonderful, Counsellor, Mighty God, Everlasting Father, Prince of Peace." -- Isaiah 9:6

I am,

Yours truly,

*W. R. Banks*
