NEGRO COUNTY HOME DEMONSTRATION AGENT

Dear Agent:

To the home agent in each of the twenty (20) counties where baby chicks will be placed by Sears, Roebuck and Company, the attached letter from Mr. McCarthy and radio schedule is for your guidance NOW. To the agents in other counties, it is for your information and for future reference.

I asked Mr. McCarthy to reduce our recent conference to a memorandum or letter. His letter of January 16 (enclosed) covers our conference.

Please bring your poultry folder to the meetings at Prairie View January 26-29. If possible, it should be bound to prevent loss of bulletins or other material. It will help us to see the bulletins, etc. you have in your reference material.

Copies of C-141, "Homemade Lamp Brooder", are needed. If you can spare one (1) or more copies, please bring or send them to me.

I hope to see you very early on Sunday, January 25, 1942.

Very truly yours,

(Mrs.) I. W. Rowan
District Agent

Dear Mrs. Rowan:

Your letter of May 5 rec'd to-day, and I shall try now to explain why I wrote to you as I did concerning the meeting. I suppose I should have explained fully in my other letter so I would not have appeared to be dumb, but I was in a hurry.

Mayes explained the information he got in Houston, then after receiving Dr. Evan's letter stating that we would get material from a meeting that would be held on May 4, I felt that the information given in that meeting should govern our activities, but to be sure about that I wanted to know what you thought about it.

As the world is in the condition that it is, and since we are trying to do what we can to make our contribution, I thought maybe College Station or rather the Extension Staff at College Station had reasons to make a change.

I am enclosing a circular letter that we mailed our club people announcing the Friday meeting, and a meeting for Saturday. We believed that you or Mr. Williams or both of you would attend the meeting Friday and get some change made that would necessitate our calling a meeting with our people.

I am pleased to know that we will be permitted to set up our own training meeting with our people. You can depend on me doing just what Dr. Evan's letter said.

Very truly yours,

T. D. Truitt

Dear Co-Worker:

Because of this national emergency, it has become necessary to reorganize this county's agricultural forces. This new venture is the most important incident in this nation since PEARL HARBOR. The movement is in progress all over Texas, and is being initiated in Caldwell County by a meeting in the District Court Room in Lockhart, starting at 2:00 o'clock P.M. Friday May 8th; to which you are invited, and urged to be present. By all means attend this meeting.

An extra-ordinary call meeting of the county Agricultural and Home Demonstration councils will be held at the Negro County Agents' office on May 9th. We know that this is asking a lot of you, when we ask you to attend both of these meetings, but both meetings are just as vital as life itself. Please do not fail to respond to these calls.

We are
