AND FINALLY -

Concerning Littleness

"Let not the littleness of people disturb you. Remember that if you have been made big enough to do big things in life, you have been made large enough to overlook little things. So do not imagine you are great, so long as by sifting yourself you find jealousy, hatred, malice or even the spirit that frets, in your heart. Greatness and these things sleep not in the same Soul."

- John Trotwood Moore.

Sincerely yours,

W. R. Banks
