Today's Game '63 Finale For The Jaguars

The championship of the Southwestern Athletic Conference is the prize here today.

Prairie View comes into University Stadium assured of at least a one-half share of the title. The Panthers have kept up a winning pace in the SWAC race, but the Jaguars hit a snag two weeks ago when they were tripped by Wiley College 16-13.

Coach Billy Nicks and his Prairie View team finished strong last season, not dropping a game in the month of November, and the momentum has carried over into the current season.

Prairie View's record is 8-0, and 6-0 in the SWAC following a victory over Alcorn last week.

Southern holds decisions over Texas Southern, Grambling College, Arkansas A M & N, Alcorn College and Jackson College in the conference, whipped non league foes Dillard and Tennessee State, but bowed to Wiley and last week to Florida A & M.

Fifteen Southern University seniors will hang up their togs after this afternoon's encounter.

Playing their last game are quarterbacks Alfred Simpson and Carroll Holman; halfbacks, Verdis Theus and Alvin Haymond; fullbacks Mack Hill, Clyde Ray Moore and Otis Perry; ends, Samuel Martin, Richard Jackson and Captain Sidney Williams; guards, Clyde Williams and Louis Hightower; tackles, Leonard Richard, Wesley Harris and Daniel Lane, and centers Martin Tansil and Elisha Jackson.

Since 1936, Southern and Prairie View have played 25 games. The Panthers have won 13, Southern 12, and there has never been a tie.

Its interesting to note that Prairie View has not been able to flag the Jaguars here since 1955 when they won a 21-19 squeaker.

Southern took the measure of the Panthers here in 1957 by 18-13; 20-6 in 1959; and 14-7 in 1961.

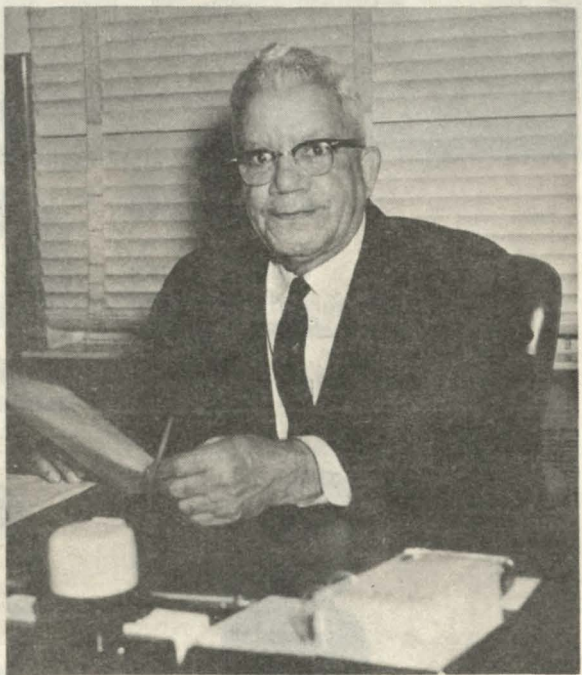

This is the wrap-up of the season for the Jaguars, while the All-Texas Prairie View team still must face Central State College in Houston Dec. 7 — BENNIE THOMAS

The Southern Coaching Staff

ROBERT H. (BOB) LEE

Head Football Coach and Athletic Director

Bob Lee, a veteran of 20 years of coaching service at Southern University is embarking on his second season as head coach of the Jaguars.

Hard working, yet good-natured and humorous, Bob and his aides have been working real hard trying to whip the Jaguars into shape for that "Next year" following the 5-5 record of a year ago.

In his long tenure at Southern, Coach Lee has served as head coach of three sports--football is his fourth--and he has been a championship mentor in each.

At Southern, he has won championships in Baseball, both the conference and national championships, conference championships in basketball and in golf.

As a collegiate footballer, Bob was a quarterback at LeMoyne College, Memphis Tennessee in the days of the feared LeMoyne Magicians.

Bob joined Southern's coaching staff in 1942 fresh from a stint as head coach at Booker T. Washington High School in his native Memphis.

He is a sophomore coach, chronologically that is, in the Southwestern Athletic Conference, but through the years he has gained the respect of his peers as one of the real pros in a very tough business.

Gridiron Glossary

FLANKER BACK—Offensive back set out toward sideline and one yard behind line of scrimmage. Primarily a receiver.

SPLIT END—Offensive end split away from line out toward sideline, but on scrimmage line. Primarily a receiver.

TIGHT END—Offensive end set in normal position with rest of line. He's half blocker and half receiver.

CORNER BACK—Covers wide receivers and moves in on wide running plays. Must have speed to run with flankers and split ends.

SCREEN PASS—Defensive linemen are allowed to penetrate. Offensive line sets up blocking screen in front of short receiver.

RED DOG—Surprise move by linebacker who blasts through instead of maintaining his normal position behind the defensive line.

TRAP—Blocking term. Trapped defensive man is allowed to penetrate, then blocked from blind side by pulling offensive lineman.

DRAW—Offensive linemen block to outside allowing controlled penetration. Fullback or halfback takes delay count while QB retreats in normal passing fashion. HB or FB, who has appeared to

be a blocker until last second, takes handoff and blasts up middle.

STUNTS—Defensive tackles and linebackers moving about while offensive sets. An effort to throw off blocking assignments.

CHUGGING—Linebacker detaining ends from going downfield for passes.

HOOK PASS—Receiver runs full speed at defensive back, then curls or hooks back to receive pass.

SIDELINE PASS—Receiver goes 8 to 10 yards down, makes 90 degree cut toward sideline to meet ball, which is already airborne, just one step before going out of bounds.

CHANGE OFF—QB sees that play called in huddle is doomed or that there is greater opportunity elsewhere and changes play at line of scrimmage by calling out pre-determined signal. Most teams use colors, calling out a color on every play, one of which is "live" and indicates the change off is coming.

ZONE DEFENSE—Deep defenders cover a designated area rather than specific man.

MAN-FOR-MAN—Defensive system by which backs cover a specific man regardless where he might go in pass pattern.
