## UP-N-DOWN 290

By Marty

IF you watch TV, listen to the radio or read a newspaper, it isn't too hard

to remember that a very special day is coming up. Yes, Mother's Day.

One of the most common denominators shared by all of us is that we all required having had a Mother in order to be here. Most of us were raised by our natural mothers, although there are plenty of stories available about how a woman has filled the role of mother without having borne the child. Whatever the situation, we all have that special person in our hearts and minds, and next Sunday has been set aside for tributes and recognition of motherhood.

I find it interesting that there is only one day set aside for this honor, as it is something that should be done all of the time. However, I remember, as a child, mentioning this to my mother, and she put it in perspective with a knowing smile and the explanation that "the other 364 days are set aside for you kids." And that's just the way a real mother thinks. No doubts about it.

I find it very interesting to observe my mother's attitude about life. She never really cared what I chose to do with my life, except that it be honorable, safe, healthy, and rewarding for me. She has always anguish over my hard times, rejoiced over my good times and successes, and never doubted that I was as fine a child as a mother could hope for. No matter how bleak things may get, I can always count on my mom being in my corner, cheering me on. I guess that that's what moms are for.

I have to smile each time my mom reminds me that I'm still her baby boy, and, at the age of 73, she still tells me; "you're not too big to spank, you know!" She figures that these comments

## Hempstead Girls Headed For State

Hempstead Bobcat girls made a great showing at regionals, May 3 and 4, at Blinn College in Brenham, with the 880 relay team taking first place and assuring themselves of a chance at the state title this coming weekend at Austin.

The feisty relay team, composed of Loretta Smith, Tressey Wilson, Juliette Hill and Janice Thibodeaux, made Coach Clifton Gilliard and Athletic Director Bob Kinney proud with their performance, which helped earn the Bobcat girls fourth overall in the region.

The sprint relay team, com-

posed of Regina Thompson, Juliette Hill, Demetra Robertson and Janice Thibodeaux, ran to a fourth place finish, while the mile relay team - Regina Thompson, Tressey Wilson, Juliette Hill and Loretta Smith, placed third.

Other team members include Denise Wilder, Lamarshall Shield and Nina Jackson, with Kevin Jackson and Ronald Ragston as managers.

Hempstead has much to proud of in these fine athletes. We join in wishing them success at State this weekend.

## Area Beauties Compete In Imperial Miss Pageant

By Sallie Planty

If you were among those who missed the Imperial Miss District Pageant, held on Sunday, April 28, in the Hempstead High School auditorium, you missed one of the loveliest events of the Spring season. The program was professionally presented, with Kathi Dodd Hare handling the emcee duties, the stage decorations, at the able hands of Carol's Flower Shop, were beautiful, and the sound - from the rhythmic background

music to the selections accompanying the talent presentations, was well handled by Jerry Calhoun.

But the real stars of the show were the lovely competitors who competed in divisions covering aged three months to 26 years. The pageant was worth attending for a look at the gorgeous gowns and colorful costumes.

Pageant Director Peggy Wilkes put on an excellent show and each contestant received an award for her efforts. In the

## Major Leaguers Help Little Leaguers With Clinic Sunday

Six members of the Houston Ex-Major League Baseball Association were at the Hempstead Little League field on Sunday for a short, but effective clinic on

batting, pitching, fielding and catching. The clinic was open to all area ball players, including Hempstead, Waller and Brookshire little leaguers.

In the two hours devoted to intensive instruction, the local youths were exposed to the same curricula currently in effect at the University of Texas, Blinn College, University of Houston, Texas Christian University, San Jacinto Junior College, and others, according to Hal Wadsworth, a charter member of the organization.

Wadsworth pointed out that the association was formed in 1947, with Johnny Keene as its first president. There are now 160 active members who meet every two months and who put on clinics of this type throughout the area.

In addition to Wadsworth, another charter member of the association, Ray Dabek, was on hand Sunday, along with Joe Capasso, Bill Amason, Edsel Nix, and Bobby Schroeder, former Atlanta Brave.

At the end of the clinic, Wadsworth assembled the youngsters in the stands and asked if they had learned anything. The answer was a resounding "Yes!"

He also announced that another such clinic is scheduled for Sunday, May 19, at Sealy, sponsored by Ted Magruder Chrysler, and invited those present, as well as area players who may have missed this clinic, to attend.

(See Related Photo Page 7)

## Dr. Gerald Slater Speaks To Waller CofC

Members of the Waller Area Chamber of Commerce enjoyed an informative talk from Dr. Gerald Slater, superintendent of Waller Independent School District, on Tuesday evening, April 21st.

Dr. Slater brought members up to date on new school construction, pointing out that the new elementary school, being built at Hockley, near Ranch Country, is due for completion October 1. The 73,000 square foot structure cost \$3.6 million - or \$55.72 per square foot to build. The new school was made necessary due to increased enrollment in the district.

The new junior high, which is going up on Stokes Road, on the east side of Waller, cost \$4.5 million and encompasses 80,000 square feet. It will be available September 1.

According to Dr. Slater, the present junior high will become

two grades of the high school and Holloman Elementary will "probably" continue to serve grades K - 4, with fifth and sixth grades at the middle school at Prairie View. He added that plans for the new elementary are for grades K - 5, although "all these are guesstimated probabilities."

According to Dr. Slater, there are now 2750 students in the district, with 1100 in grades K - 4, more than 400 in fifth and sixth (middle school), a little under 500 in junior high and about 750 in high school. He pointed out that the present high school was designed to handle 500 students.

"We hope that the present construction program will solve our growth problems for the next four or five years," he said.

In other business conducted during the meeting, plans for the Wallerfest on June 1 and 2, which will be held at the new

## Waller Parents Organize

The Tuesday, April 30, Meeting of the Waller Parent Peer Support Group on Drug and Alcohol Abuse was well attended. Progress is being made toward educating parents on the growing problems of drug and alcohol abuse in our schools and community.

(See Parents Page 5)

(See Pageant Page 14)

# Up-N-Down 290

(From Page One)

will help me keep things in their proper perspective, and they do! They do!

Speaking of perspectives, let me share this small item with you. When I was in first grade, ten or twelve years ago, (at most) my art project in Mrs. Orr's class, was to fashion a tongue depressor into the shape of a letter opener, sand it smooth, print "MOM" on the handle with red and blue colored pencils, and paint it with clear shellac. This elaborate gift was lov-

ingly wrapped and presented to my mom on Mother's Day, 1944. She was very pleased with my labor of love, and immediately placed it on the nightstand by her bed, to keep it close at hand. Being an inveterate reader, she soon began to use it as a bookmark, and I remember always having seen it sticking out of whichever book she had by her bed, marking her place.

A lot of years have gone by, since that small gift was received and I've been fortunate enough to have given mom lots of gifts since then. All of my adult life

has been spent thousands of miles away from mom's home, and most of our visits have been brief, or by phone or letter.

A few summers ago, on a visit to mom's home, I happened to go in to her bedroom to get something for her, and there, on the nightstand, was her customary book, with a thin, worn stick of wood marking her place. It was not much larger than a popcycle stick, and no markings were visible on it now, but she remembers exactly what it once looked like, and what it once said, both written, and implied.

And I realized, as I considered how often she must have taken it in her hand over the years, that she was simply saying, "I love you, too, son."

May everyone's mother have a wonderful, happy day, wherever you are, up and down the road

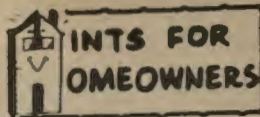

Marty

## OBITUARY NOTICE

Burch

Johnnie Burch age 89, of Hempstead died on Thursday, April 25, 1985 in Hempstead Nursing Home.

Services for Burch were held on Friday, April 28, 1985 at the McWilliams - Canon Funeral Home. Mrs. Burch is survived by her son Ben Burch. 2 brothers M.D. Foster, and T.P. Foster, 4 sisters, Irene Sweetman, Bertha Brown, Ruby Foster and Mrs. A.A. Calhoun. 5 grandchildren and 7 great grandchildren.

## INTS FOR OMEOWNERS

Sharp Is Best!

To get the most from your cutting tools, keep them sharp and in good repair. Sharp scissors are safer to use than dull ones; they're less likely to slip and require less force or pressure to get the job done.

Attempting to use a single pair of scissors for all your home needs will be hard on both them and you. Specialized scissors, such as for dressmaking, paper or kitchen utility do their tasks especially well.

With reasonable care, good scissors can be expected to last virtually a lifetime, so money spent for quality can be well-spent. Fine shears and scissors by Wiss are designed with cutlery steel blades hardened to hold a keen edge.

According to Cooper The Toolmaker, one of the handiest tools for the home is a pair of snips. Well-suited to heavy-duty jobs like cutting screening, they will also make easy work of cutting shingles, linoleum and leather. Metal-Wizz snips, users say, cut with half the effort of conventional ones. They work on a compound action principle in which two additional small levers increase the pressure exerted by their handles.

## Gospel Singing May 10 At Local Church

Among the many exciting things happening at Friendship Baptist Church (off US 290 on Kickapoo Road at Joseph Road) is a gospel singing on Friday, May 10, at 8 p.m. It will be featuring two very good gospel groups: *The Gospel Connection* and *His Glory Singers*.

*His Glory* is a gospel singing group all the way from Cairo, Georgia. It is comprised of several young men in their late teens and early twenties. They sing full-time for the Lord and have a very beautiful testimony. *His Glory* has just received, for the second year in a row, the honor of being selected the number 1 favorite male quartet of the year in the Southwestern Gospel Music Association.

*The Gospel Connection*, based in Houston, shared its ministry at Friendship Baptist in 1984. They minister with both original material and some of the old favorites. They are one of the very few gospel groups to participate in the City of Houston Festival each year. The *Gospel Connection* band received the 1985 SWGMA favorite band of the year award.

Friendship Baptist presents this concert as a service to the community. There is no admission charge or tickets, however, a freewill offering will be taken for the groups. These groups are so good, you may want to bring a bus load or van load with you. If you have any questions, contact Pastor Leonard Mattox at (409) 372-2440 or Charles Prause at (713) 462-4047 or (713) 957-7439.

**FOR SALE** - Brangus bull, very gentle. Also used tin for sale. Call 372-9877. (38-41)

## Parents Organized

(From Page 1)

The purpose of the parent peer group is as follows:

Provide a scheduled time for concerned parents to meet and inter-relate.

Educate parents on peer pressure, the effects and availability of drugs in our community.

Establish clear and firm rules against drug and alcohol use by their child, and be willing to enforce those rules.

Promote better communication and cooperation between school personnel, administrators and parents.

Encourage and support enforcement of rules and policies to halt drug and alcohol use in

the Waller schools and community.

Encourage and support law enforcement agencies in an effort to eliminate the local drug and alcohol problem.

Form a student peer group committed to being drug free.

The parent group will staff a booth at the Waller Fest to provide alcohol and drug abuse information and toll free hot line numbers.

The Waller Parent Peer Support Group will be meeting every Tuesday at 7 p.m. at the Fellowship Hall, Waller Baptist Church. We urge all parents to open their eyes to what is going on around your community and in your schools. Communicate with your children, learn to listen and edu-

cate yourselves on drug and alcohol abuse.

The next meeting will be Tuesday, May 7, and the speaker will be Mrs. Gracie McClure, an officer of Texas War on Drugs. The May 14 meeting will be a panel discussion with several leaders from the local law enforcement agencies and the Juvenile Probation Department.

Should you have any questions, please call John Isom at 372-9155.

## Annual Beef Tour Slated For Sat., May 11

The Annual Beef Tour will be held on Saturday, May 11, 1985 with registration to begin at 8 a.m. on the courthouse parking lot. This year we will visit three different operations. We will visit Spring Creek Ranch which has registered brahman cattle. The managers are Jeff Smith, General Manager and Drew Hubert-herd Manager. The next stop on the tour will be the Wooten Ranch. This operation is a Texas Longhorn Santa

Gertrudis Cross. This ranch is both owned and operated by Ron Wooten. The last stop is the Cook Ranch. The bulls are registered and their services are being used on cross bred cattle. Roy Cook is both owner and manager of this ranch. On the Cook Ranch, participants not only get to see cattle, they get a chance to share range and brush control results as well. Last, but not least, the latest information on Brazos bermuda grass will be given out.

For more information please call our office at 826-3357 and Houstonians may call 463-2129. Reservations are required. Please do so before May 7, 1985 at 4 p.m.

Educational programs conducted by the Texas Agricultural Extension Service serve people of all ages regardless of socioeconomic level, race, color, sex, religion, handicap or national origin.

## - Our Readers Write -

This is a Thank You letter to the Tomball Ambulance drivers and Dixie Spears, as well as my daughter's coach, Al Woodson and Sherry Brunson.

I want to thank Dixie and the Tomball ambulance drivers for being so quick to the aid of my daughter, Margie Clarkston, when she hurt her back playing softball. I want to thank Dixie for knowing her job! My daughter chipped a bone in her back when a girl from the other team knocked her down while trying to tag her out.

I feel good to know that we have people like Dixie and the Tomball ambulance drivers there at the Tomball ball fields and that they know what they are doing

when someone gets hurt.

So, all you concerned parents who have children playing ball may feel better knowing that if their children do get hurt, they will be in good hands with people like Dixie and the Tomball ambulance attendants on call. I feel good knowing that there are people out there who still care.

## Waller County History

### HARVESTER, WALLER COUNTY, TEXAS

Not too long ago, someone raised the question, "Where is Harvester, Texas? My parents were married there."

Harvester Post Office, established June 9, 1887 and discontinued January 31, 1913, was in Northeast Waller County and was believed to have been named for the abundance of agricultural crops raised in the area - mostly cotton and corn.

The location may be spotted by driving eight-tenths of a mile Eastward on Hegar Road from its intersection with Kickapoo Road. At a bend in the road at this point, on a slight rise on the South side of Hegar Road, the old building sat.

In conjunction with the post office, there was also a small country store, and in the community close by was a Baptist Church, forerunner of Friendship Baptist Church of today. Too, a country doctor, who made his rounds in a buggy, lived near.

### FENELLA

Who named this old post office? Was the name a combination of names? 'ella' is prominent in the post office name, but what about 'fen'? Who knows. The life of Fenella post office was short - December, 1987 to March 1899. The post office was in Bush's store, five miles south of the Retreat (Grimes County) office. The 'shotgun' style building housed both the post

office and the store and both were operated by the owner of the property, Jackson McColough Bush.

One mile west of its junction with FM 362, Howell Rd. Ts into an unnamed dirt road running N&S. Here, a few miles northwest of the road junction on the west side of the road and facing east, sat Bush's Store & Fenella Postoffice.

year's fest, in keeping with the festivals held in surrounding cities.

Employee of the Month was Ruth Warren, of New Creation II. She received a plaque and a \$10 gift certificate from Stockmans Restaurant.

The next meeting of the chamber is Thursday, May 17, at 7 p.m. Guest speaker will be Danny Marburger, mayor of the City of Waller. All interested persons are welcome to attend.

### - Our Readers Write -

I'd like to express my feelings of appreciation for the fine turnout of children to attend the Shrine Circus in Houston on April 20. I particularly want to thank the

School Board and the School Transportation Department for their help.

We took 202 students and they were really well behaved. In fact, we received many compliments on their behavior from the circus workers. I'm real proud of our kids.

I'd also like to thank Deputy Constable Glenn Brown, who provided our escort to and from the circus and the 44 adults who came along as chaperones.

Thanks also to Jon Bishop and John Crowhurst who rode and the buses and helped load and unload the cold drinks provided by our club, and Tom Kenney, who provided chips for the children.

My thanks to you all. We, the Waller County Shrine Club, can be very proud of the Waller L.S.D.

## Hempstead Chamber To Recognize Employee Of The Month

The Executive Board of the Hempstead Chamber is meeting the second Monday of each month. Here are some topics of interest that have been discussed.

The membership drive continues for the Hempstead Chamber of Commerce. The present members are Roy Wiesner; Carles Karisch; Devine Pharmacy; Hempstead Printing and Office Supply; Citizens State Bank; Hempstead Insurance Agency and Josey Realty; Northwest Ford Mercury, Inc.; Dairy Queen; Lawrence Marshall Chevrolet; Bluebonnet Savings Association of Texas; Hempstead Abstract Co.; Killians Auto Parts; First Savings Association; Hempstead Mobile Homes; Warren's Insurance and Real Estate Agency; Fowlers Supermarket; Waller Co. Electric; Repka's Hardware and Service Inc.; Hempstead L.P. Company; The Sonic; Lewis Grocery; and the First Christian Church of Waller County.

The new Chamber of Commerce plaques have been ordered and will be delivered soon. Also, a Chamber of Commerce

calendar is available for 1985. The plaque and calendar will be mailed to you as soon as possible.

The Chamber of Commerce is attempting to recognize an Employee of the Month in the Hempstead business community. Please take time to complete the form accompanying this article and, return to the Chamber Secretary.

The Bovay Engineers who are working for the State of Texas recently met with the Executive Board. They were here to discuss the Highway 290-Bypass.

At the time of their visit, they were working on eight possible routes for U.S. 290. By early summer the highway department should narrow the selection to three possible routes. If you would like further information on this issue, please contact a board member. The next newsletter will include a map showing the three routes under consideration.

The Sidewalk Sale is scheduled for May 18. Anyone in the Chamber who would like to set up booths or work at the barbecue, please contact the secretary

at 826-6312 or 826-3471. We need all of the help we can get, so please consider giving us your time and service.

The next general meeting of the Chamber of Commerce is May 6 at 7 p.m. at the Rustic Oak. Please plan to attend. Thank you for your continued support.

## Kim Parker Wins Award

Fifteen-year-old Kimberley Parker, daughter of Thais and Michael Parker of Waller, has been notified that she is a 1985 United States National Award winner in science. Kim is a 9th grade student at Waller High School and was nominated for the honor by Ray Brumlow, head of the science department. Kim has a perfect average in Biology.

The award is a prestigious honor very few students can ever hope to attain. In fact, the Academy recognizes less than 10% of all American high school students.

Kim, who hopes to become a veterinarian, is also the granddaughter of Mary and Marvin Parker.

## Peach Trees Needs Special Attention

Peach trees need special attention now to control peach scab, a fungus disease that attacks young fruit.

Peach scab causes black spots or freckles on fruit, points out David McGregor, county agent with the Texas Agricultural Extension Service, The Texas A & M University System. The spots can be over the entire surface of the fruit but most often are found in greatest numbers on the stem end.

During the first few weeks of the peach's life, the fungus is prevented from coming in contact with the peach by various parts of the flower and by the peach "fuss." But as the fruit grows, the fungus comes in contact with the surface of the peach and infection can occur.

In Texas, this occurs between petal fall and shuck split, or the first two to three weeks immediately after bloom in the spring, says McGregor. Infection rarely occurs after this period of time, and if it does, the fruit will mature before the fungus is visible on the fruit.

Growers and gardeners can control peach scab by applying fungicides during the susceptible period. Make the first

application when about 75 percent of the petals have fallen from the blooms. Repeat the application in 10 days, explains McGregor.

Several fungicides can be used, but some have proven to be better than others in Extension demonstrations conducted in different areas of Texas. Benomyl and chlorothalonil are two of the better materials. Benomyl (Benlate and Topsin - M) is used at 1/2 pound per 100 gallons of water or 1 pound per acre of trees. Chlorothalonil (Bravo 500 and Bravo W-75) is used at the rate of 1.5 pints per 100 gallons of water of 4.5 pints per acre of trees.

Several homeowner products have both chlorothalonil and benomyl as their active ingredient. Rates for these products are on the container label and should be followed closely, says McGregor.

Other materials that can be used for peach scab include captan, maneb and sulfur. These are less effective but can be used in areas where scab is not a major problem.

They can best be used during the period following the last scab spray and the harvest period. Sprays applied during this period are commonly called cover sprays.

FOR SALE - Baby goats \$35. or two for \$85. Geese \$15. or three for \$50. Call 372-9805 or 713/444-0411 Ask for Kaylene. (40-44)

FOR SALE: New Portable Building 12x20 Insulated Wired for 220. Will move 826-3427. 37-40

FOR SALE - Used 2 bedroom mobile home in good condition air - \$2995. 826-3766. (36-39)

FOR SALE - 1973 Dodge Toga motorhome, sleeps six, self-contained, air conditioned, runs good - 19 ft - \$4700. 826-6121 or 372-2031. (36-39)

FOR SALE '70 Ford, good transportation - \$550 cash. Call 372-5186 before 8 a.m. or after 5 p.m. (36-39)

Generally, disease pressure is low during this period, and these materials will do an excellent job of control.

Insecticides can be applied with any of the fungicides, adds McGregor. Insecticides are important because areas damaged by insect feeding can be entry points into the fruit by the various fungi that cause decay.

With the arrival of scab infection period, peach growers and gardeners should give careful attention to a spray schedule, adds McGregor.

Educational programs conducted by the Texas Agricultural Extension Service serve people of all ages regardless of socioeconomic level, race, color, sex, religion, handicap or national origin.

# Bulldogs Finish Strong

The Waller Bulldog Varsity baseball team came out strong in the final round of District 11 AAAA competition, winning four out of the last five games in their first year at the 4-A level. The Bulldog's only defeat came in the last game of the year at the hands of the Tomball Cougars, who squeaked by the Dogs on a 3-2 score.

The Bulldogs started their four-game winning streak by beating playoff-bound A&M Consoli-

dated, 2-1. Next came a 12-3 victory over the Magnolia Bulldogs. The streak continued with a 6-2 win over Conroe Oakridge, with the final victory coming on a 7-5 win over Houston Furr.

The bright spot of the Bulldog season was the consistent play of the young Bulldogs. The team only graduates three starters, center-fielder Paul Hawkins, right-fielder David Wilkerson, and third baseman Brody Hoppers.

Bulldog Varsity Baseball Coach Bob Branyan expects big things out of his returning lettermen. "We have a good nucleus coming back next year. We're surely going to miss the play of our

seniors, but hopefully, we can fill their spots with the young kids coming up. We got off to a rough start this year, but the kids stayed after it and I think things are going to turn around."

Look for the Bulldogs to be in the thick of the race next year.

**FOR SALE - or re-lease, 1984 Dodge Ram D350 dooly truck** Features include crew cab, bed liner, low mileage and excellent condition. For \$225. per month. For more info. call Doug or Mary Beth at (800) 392-6655 or (713) 931-9703. (40-44)

## Hempstead Bobcat Track Team Takes 1st Place In Dist. 24-AAA

The Hempstead Bobcat Jay-vee Track Team took first place honors in District 24-AAA competition, earning a total of 204 points on some fine performances.

Coach Richard Hilderbrand, in announcing the results, stated that the young squad "has hit its stride and we're looking for great things from them as Varsity competitors next season."

The Bobcats took the three top slots in the shot put, with Charles Toler coming in first, Malcolm Wilson 2nd, and John Smith 3rd. Wilson placed 4th in the discus, with Smith 5th and Toler 6th.

In the 3200 meter run, Jimmy Johnson came in 2nd, followed by Kenneth Thomas in 3rd place and Marc Cooper in 5th. The same trio repeated their winning ways in the 1600 meter run - this time Thomas finished first and Johnson was 2nd, with Cooper placing 4th.

The Junior Bobcats took first and 2nd in the long jump, thanks to the efforts of Craig Turner and Ronald Busby, respectively.

In the relay events, the Jayvees placed first in the 400 meter and 2nd in the 1600 meter. The 400 meter relay team consisted of Ronald Busby, Leroy Singleton, David Glover and John Perez, with Perez, David Contreras, Timothy Hill and Richard Anderson combining in the 1600 meter.

Richard Anderson placed first in the 800 meter run, with Quinton Hood 4th and Lamark Williams 5th.

In the dashes, John Perez, Ronald Busby and Leroy Singleton took first, 2nd and 3rd respectively in the 100 meter event. The 400 meter was also dominated by Hempstead, with Richard Anderson taking first, David Contreras capturing 2nd and Timothy Hill taking 6th. The 200 meter event found Hempstead taking the 3rd, 4th and 5th place slots, due to the fine running of David Glover, Leroy Singleton and Ronald Busby.

Craig Turner captured first place in the 300 meter hurdles.

## Community Outreach Meeting

Community Outreach will hold their regular meeting, Monday May 13, from 12 Noon until 1 p.m. at the Methodist Church in Hempstead. Topics to discuss will include plans to participate in the Waller Fest, need for volunteer workers to help with the "Outreach Garden" which has already been planted. Anyone desiring more information about membership, donations, purposes and goals of the organization may contact Teresa Finlay, president of the organization.

Members of the Community Outreach encourage donations

### WALLER LIBRARY NEWS

The original Jimmie Rene Ogg Travelin' Photo Show is on display at the Waller County Library during the month of May. This is a pictorial account of Hempstead and Waller schools in the early 1900s.

The display is sponsored by the Waller County Historical Commission. Come by and see it and visit your library.

FOR SALE - 1979 GS-850, shaft drive Suzuki - \$1000. Call 372-3959 after 5 p.m. (36-39)

from individuals, groups, businesses, churches, etc. All donations are used to assist needy families with emergencies or necessities when no alternative source of help can be found. Community Outreach is a non-profit organization, therefore all donations are tax free.

On June 1 and 2, at the Waller Fest, we remind you to stop by the Mane Tamer "CUT-ATHON" booth and get a hair cut for charity. Consider donating it to Waller County Community Outreach. We need your help!

## Imperial Miss

(From Page 1)

Miles of Hempstead was judged Most Photogenic. Also receiving beauty crowns and trophies were Dina Chacaga, Michelle Fife and Kimberly Knabel.

In the Toddler division, Erin Dryden of Hempstead received the High Point trophy and Courtney Good, also of Hempstead won Most Photogenic. Other entrants receiving trophies and crowns were Kristlyn Taylor, Melissa Bazan, Tiffany Gurro and Jenna Contreras.

High Point winner in the Petite Princess division was Andria Mullins of Waco, while Krystal Fife was judged Most Photogenic. She also received a five-foot trophy and a Cabbage Patch Doll for selling the highest number of raffle tickets. Also in this division, Tonya Chacaga received the Sweetheart Award for cooperation and diligence in practicing for the pageant. Others receiving trophies and crowns were Kristina Contreras and Jeannie Dunn.

In the Princess division, Amy McCleod of Spring was the High Point winner and Stacy Pruitt of Hempstead was awarded the Most Photogenic award,

as well as a trophy for ticket sales. Tina Chacago and Amy McCleod tied in the Talent competition. Brandy Dozier and Stephanie Schrock also received beauty trophies and crowns.

Allison McCleod of Spring received the High Point trophy in the Countess division, Cheryl Wallace of Hockley placed first in Talent and Keisha Ormond of Hempstead was Most Photogenic. Sarah Songster and Tereesa Holloman also received beauty trophies and crowns.

In the Empress division, Lara Calhoun was judged High Point winner as well as Most Photogenic and received an award for having the most ticket sales in her division. Sophia Jackson also won a trophy for ticket sales, in addition to her trophy in the Talent competition.

Sheila Gage won the Queen division, as well as a trophy for ticket sales.

In addition to whatever other awards and trophies they had already received, the first entrant in each division received a red satin heart from Mrs. Wilkes. Krystal Fife, daughter of Daniel and Tina Fife of Hempstead,

Pictured left to right are: Queen - Sheila Gage, Talent Winner Empress Div. Sophia Jackson, Beauty and Photogenic Winner Empress Div. Lara Calhoun.

will receive a diamond ring for selling the most raffle tickets. Krystal sold the first place prize ticket - \$100 in cash donated by City Drug - won by Citizens State Bank. The bank has decided to use the money to start a savings account for Krystal.

Other raffle winners were: A Cabbage Patch Doll, donated by City Drugs, was won by Ron Stone of Sonic; a Katy Beck boy doll, donated by the Katy Beck Corp., was won by J.T. Bell; a Katy Beck girl doll, donated by the Katy Beck Corp.

The Oster Sizzler Grill donated by Schwarz, was won by Melissa Rhodes; a set of knives, donated by Devine Pharmacy, was won by Ron Stone of Sonic; the plant, donated by Carol's Flower Shop, was won by Doris Woody and the bacon dish, donated by Paul Garza, was won by Fowles Supermarket, was won by Paul Garza.

Also, the \$15 gift certificate, donated by Fowler's Supermarket, was won by Vicky Miles; the candy dish, donated by Ben Franklin, was won by Donna McAnally; the candle holders, donated by Ben Franklin, were won by Doris Woody, the fruit basket, donated by Dilorio's, was won by Shawna Contreras; the pictures, donated by Newcomb's Furniture, were won by June Parrot; the place mats and tablecloth, donated by Schwarz, were won by Swan's Bar-B-Que; and the Clown, donated by the Katy Beck Corp., was won by Jeannene Davis.

Judges for the district pageant were Niva McConathy, Jan Fridge, Juddy Ripple, Diane Dowd, Robin Meuschke and Mrs. Estrada.

A special thank you goes to all who sponsored girls in the competition and particular appreciation goes to Citizens State Bank, Sonic and Lawrence success.

## Range and Brush Control Field Day

The Range and Brush Control Field Day has been scheduled for Thursday, May 9, 1985 from 10 a.m. to about 12 noon. It will be held in Sunnyside, Texas at the Henry Mae Lang residence. Interested individuals will get a chance to see herbicides along

the roadside to control many different species of trees and under brush. There will be several drive by stops on our way to Sunnyside. To name a few of the trees that we are attempting to control are; huisache, bois'D arc, prickly ash, hackberry and

others.

Assisting with the Field Day will be Dr. Tommy Welch, Range and Brush Control Specialist; John Abraham, Dupont sales representative and myself. Dupont Chemical Company will sponsor a delicious meal. If you plan to attend please call 826-3357, extension 150 to make reservations. Reservations will be accepted until 4 p.m. on May 6, 1985. Looking forward to seeing each of you!

# Hempstead Volunteer EMS

By Sallie Planty

Three Emergency Medical Service units serve all of Waller County, with headquarters in Waller, Hempstead and Brookshire-Pattison. All the units are relatively new, having been founded within the last two years in response to the needs of growing county.

The Hempstead Volunteer Emergency Corps was founded on Feb. 2, 1984 by Steve Colburn, J.D. Lousch and Dwayne Tompkins, all of whom had been ECAs for a number of years and EMTs for about four years. Now there are 15 active members in the corps and Colburn states that new recruits are being actively sought.

The Hempstead volunteers have one fully equipped ambulance and an equipment vehicle at their disposal at the present time. Another ambulance is under repairs. However, the one in operation is a traveling emergency room, according to Colburn, and can handle the most severe emergency. The corps is on call 24 hours a day, seven days a week and is able to maintain an average response time of a little more than two minutes in an area that extends to Hwy. 6 and the county line to the North, the Prairie View light

at FM 1098 on the East, the Washington-Waller County line on Hwy 290 to the West, and to FM 529 on the South.

According to Colburn, the excellent response time is due to the pagers that each member wears. The pagers are connected to the Sheriff's Department and all members can be summoned simultaneously if necessary. In addition, a donated trailer home is available for those on night and weekend duty and this makes it possible for them to have the ambulance there and ready should a call come in.

In addition, Colburn adds, a great deal of credit goes to employers in Hempstead and the surrounding area, who allow employees to leave work to respond to emergency calls.

The 15 active members of the

Hempstead Volunteer Emergency Corps and their current certification are Steve Colburn, EMT, president; Quentin Chernosky, ECA; Joe Parker, ECA; Monte Parker, ECA; Dwayne Tompkins, EMT; Carolyn Tompkins, ECA; J.D. Lousch, EMT; Kendall Killian, ECA; Donna Killian, ECA; Pat Duncan, EMT; Sherry Ritter, EMT; Joseph Granoski, ECA; Steve Johnson, ECA; Jim Kahan, ECA; and Steve Schroch, ECA.

Colburn is presently taking courses to become a paramedic, which will allow him to use a cardiac monitor, apply drug therapy, intubate and use Mast trousers (this is a way to supply blood to the upper body, by applying pressure to the legs and lower body).

The four levels of skill at work in the county are ECA (Emerg-

ency Care Attendant), EMT (Emergency Medical Technician) Basic, EMT Special Skills, and Paramedic.

ECAs have completed 40 hours of training and are certified to take vital signs, bandage and splint, apply airways and are adept in traction splinting.

EMT Basics have 120 hours of training behind them, including all the skills of the ECA, plus in-hospital training in all departments, including surgery, obstetrical, intensive care, convalescent care and emergency.

EMTs Special Skills take an additional 60 hours of training to qualify them for IV therapy and tracheal intubation.

(Next week, we will recognize the members of the Waller Emergency Ambulance Corps

The Waller Co. Hotline, Wednesday, May 8, 1985 Page 17

and the Brookshire-Pattison EMS. We will also meet the members of the Waller-Hempstead EMS).

## Rev. Flora Named Bike A-Thon Chairman

Reverend Kenneth Flora has been named Walk and Bike - A - Thon chairman for the Texas Gulf Coast Chapter, Cystic Fibrosis Foundation, according to James Palmer Woodson, Chapter president. "Our goal during this campaign is to reach many Hempstead area residents with the facts about cystic fibrosis, while raising important research, care and education dollars", said Woodson.

Woodson said that Flora will conduct the Walk and Bike-A-Thon at 10 a.m. on Saturday, May 25, at the Hempstead High School parking lot, to help the chapter in its efforts to raise money and heighten awareness of the disease. The Walk and Bike - A - Thon is a pledge-basis event, and participants collect money from their sponsors for the length of time that they ride. For sponsor forms or more information on the event, call Reverend Flora at: 409-826-3492.

"Cystic Fibrosis is America's number one genetic killer of children", explained Woodson. It suffocates and starves the body by producing a thick, sticky mucus that clogs the lungs and impairs digestion. The disease is presently incurable, and strikes one in every 1,600 live births. Medical advances have in-

creased the life expectancy of CF victims from three years of age to an average twenty years and beyond", added Woodson.

FOR SALE - Or Re-lease, 1984 Dodge Ram D350 dooly truck Features include crew cab, bed liner, low mileage and excellent condition. Only \$225. per month. For more information call Doug or Mary Beth at (800) 392-6655 or (713) 931-9703. (40-44)

# Jumpers Raise Thousands

The results of last month's "Jump-For-Heart" fundraiser at Holleman Elementary School, Waller, have been announced. Coach R.A. Hill termed the event "a great success" and wishes to thank all who sponsored children, as well as Mary Brooker, Debbie Mays and Lorraine Gonzales for their help. A total of \$11,621.46 was raised. The results grade by grade are as follows:

In the first grade, Sabrina Franklin turned in \$131.40, which was most turned in by a first grader. Second, was Christy Knapheide with \$107.60. Third place went to Justin Hackler, who collected \$79.20.

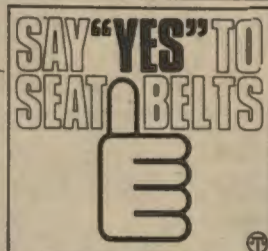

Sara Reeves turned in \$120.60, which was the most turned in by a second grader. J.J. Gonzales was second with \$114.60 and Jeriann Frazier was third with \$112.80.

The third grade results were as follows: Tricia Thompson, with \$211.85 was 1st; Lynette Fair-

banks was second with \$201. and Douglas North was third with \$132.20.

Daralyn Mosely, received 2nd place honors in the fourth grade for collecting \$267.40. Laura Plumee was third with \$179.40.

Richard Dixon, fourth grader, was the fourth grade winner and the school's over all winner - and this young man collected \$721.45 in contributions. Richard, was also the winner last year when he turned in over \$500. For his efforts and hard work, he will receive a jump rope, T-shirt, a choice of a cap

A surge of interest in automobile seat belt use is sweeping the country as more states pass laws requiring motorists to buckle up. To help explain how these laws save lives and prevent injuries, more than 7,000 new car, truck, and tire dealers are offering a 13-minute audio-visual program entitled "Say YES To Seat Belts" to local community groups and schools on a free loan basis.

The "Say YES To Seat Belts" program comes with handout literature for the audience and explores the reasoning behind belt use laws. It offers suggestions on how to build support for such laws in states that do not have them and how to increase community support for belt use laws where they already exist.

The dealers lending the program are members of the Dealers Safety and Mobility Council, an affiliate of the Highway Users Federation which sponsors community traffic safety programs nationwide. To locate a participating local dealer, contact the Highway Users Federation, 1776 Massachusetts Ave., N.W., Washington, D.C. 20036, telephone (202) 857-1251.

or visor, a barrel bag, a jacket, an award patch, a trophy, and special recognition from the AHA.

The winning team was Team # 2. They were as follows: Richard Dixon, Joshua Cervantes, Scotty Scott, Michael Stokes, Joel Bueckner, and Brandon Marler. Together, they turned in \$854.95. They each will receive an award patch.

Congratulations to all the winners and participants who helped raise \$11,621.46 in contributions toward the fight against the nation's number one killer, heart and circulatory disease. In addition, their participation will help

keep all hearts healthy, since the proceeds from this event will benefit the research, education, and community programs of the American Heart Association.

## If you haven't checked John Deere's deal, you haven't gotten the best deal

Shop around. There are all kinds of "deals" floating around out there. And most of the benefits of those "deals" disappear after the dollar sign. Our "better" deals go far beyond the dollar sign. We're going to

be very competitive price wise, but we can offer you so much more. We're ready to show you just how sweet a deal you can make—right now.

### DEAL 1. 4WD TRACTORS

Thousands of dollars in pass-along savings on every new John Deere 4WD tractor in stock. No interest for 9 months from date of sale, (or 1 May, 1986 depending on Ser. #) with John Deere financing.\* Or in lieu of the finance waiver take an extra discount worth thousands more! Don't wait, offer ends June 15, 1985.

MODEL	DISCOUNT IN LIEU OF WAIVER	
8450 Ser. #3500 & below	\$4325	Ser. #3501 & above \$2925
8650 Ser. #5000 & below	\$5275	Ser. #5001 & above \$3575
8850 Ser. #5100 & below	\$6575	Ser. #5101 & above \$4475

### DEAL 2. 100- TO 190-HP TRACTORS

Huge pass-along savings on new 100- to 190-hp tractors plus interest-free financing for 9 months from date of sale.\* If you prefer, take an additional discount in lieu of finance waiver. But don't wait, offer ends June 15, 1985.

MODEL	DISCOUNT IN LIEU OF WAIVER
100-hp 4050	\$1550
120-hp 4250	1675
140-hp 4450	1825
165-hp 4650	2250
190-hp 4850	2600

### DEAL 3. 40- TO 85-HP TRACTORS

Get unheard of savings - like factory-direct discounts worth up to \$2700 - on new John Deere 40- to 85-hp utility tractors. Then get interest-free John Deere financing for 9 months from date of sale.\* Or, take an additional discount in lieu of finance waiver. Offer ends June 15, 1985.

\*Availability of John Deere financing subject to approval of credit. All tractor offers end June 15, 1985 and others may be withdrawn at any time.  
\*\*This model is not available in Nebraska.

MODEL	CUSTOMER DISCOUNT
40-hp 1250	\$ 550
50-hp 1450	200
60-hp 1650	700
45-hp 2150	1150
50-hp 2255**	1200
55-hp 2350	600
65-hp 2550	1100
75-hp 2750	2200
75-hp 2750 High Clearance	1000
85-hp 2950	2700

### DEAL 4. COMBINES

John Deere combines listed here are offered at fabulous off-season savings worth thousands of dollars. Plus, all new combines have interest-free financing from now until 6 months after the first of the month in which it is next used in the 1985 use season (3 months on used combines). In addition there's a discount in lieu of financing waiver offered. The discounts shown and finance waivers apply when combine is purchased with new header equipment.

MODEL	CUSTOMER DISCOUNT	
	SERIAL #600000 AND BELOW	SERIAL #600001 TO SERIAL #610000
4420	\$ 5,000	\$ 3,500
6620	5,000	4,000
6620 (SIDEHILL)	6,000	4,500
6622	10,000	7,000
7720	7,000	4,500
7721	4,000	2,500
8820	10,000	5,500

If a new head or platform is purchased independent from the separator, a \$1,000 discount and waiver to 1985 use season will apply. If the separator is sold without new header equipment, the discounts will be reduced by \$1,000. (Combine offers end June 30, 1985)

Don't delay! Come in and make the deal of your choice.
