Dear Principal Mathis:

I am herewith returning your 1965-66 football eligibility list because the date of birth for James O. Anderson and the date of first enrollment in the eighth grade for Roger L. Horace would render them ineligible to participate this season. (See red checks).

It might be wise to read Article VIII, Sections 1 and 16, and Section 19, Football Plan, in the 1964-65 Rules and Regulations Bulletin.

We are in no way responsible for any errors you make, so check your entire list carefully.

Very truly yours,

Dear Sir:

If a boy's parents move to a city, isn't he eligible to take part in sports the first semester he is in the new school.

The boy has nothing to do with his parents moving and he has to go with them so he should not have to wait to play.

Please give me your ~~decision~~ ~~at once~~ decision at once.

Thanking you in advance.

Dear Mr. Follard:

I have your letter of September 9, 1965, relative to the eligibility of a student whose parents moved to your city.

According to Article VIII, Section 12-One year Rule, page 20 of League Rules and Regulation, our interpretation would be that the student is ineligible to participate in football and/or basketball for one calendar year in the school to which he changes.

As I understand, in your case, none of the exceptions would apply.

I do hope that you understand that the interpretation is based on the facts given- which were, his parents moved to this city.

Very truly yours,

CONTRACT

THIS AGREEMENT, entered into this 17th day of Sept. 1955, by and between J.W. Pruitt, Principal, Kernaack High School hereinafter designated as the party of the first part, and Ben Augustine, Principal, Lincoln High School, hereinafter designated as the party of the second part.

1. The said parties mutually agree to cause the teams of the high school which they are respectively officials to meet in the city of Kernaack on the 20th day of Sept. 1955, at 7:30 o'clock, P.M.

2. The above mentioned game of football shall be conducted under the Texas Interscholastic League of Colored Schools rules and regulations to which the provisions of which rules and regulations each of the signers hereto declares himself to be bound, and no contract, understanding any rule of the League shall invalidate the whole contract.

3. The party of the first part agrees to provide a parking lot for the cars going to collect admission fees and to make a business settlement under the terms of this contract within a reasonable time after the conclusion of said game.

4. The party of the first part agrees to pay the party of the second part (a) the sum of \$ 75.00 for playing said game on or after the date of the game, in the option of the party of the second part, (b) actual traveling expenses of a party to the members of the team and coaches, said expenses include cost of transportation of the team to the game and from the game, together with one half of the net gate receipts of said game. It is agreed that the above mentioned traveling expenses shall be considered as an expense of the game and not as a net gate receipt.

5. Both parties agree that in case they fail mutually to agree upon officials for said above mentioned game at least 7 days prior to the time set for the game the State Director of the Interscholastic League shall have authority to appoint the officials necessary for the proper conduct of said game.

6. In case either party fails to produce his team and play the said game on said date and at said place, or breaches any clause of this agreement, the party so in fault agrees to pay to the party not in fault the sum of \$ 75.00 as a forfeit within one week of the date on which said breach of contract shall occur, together with all expenses incurred in pursuance of this contract by the team which is not at fault, such payment to be conclusive in further damages except as to cost of Coach of Class Number 4 above.

7. In case either the Kernaack Football High School or the Lincoln High School shall be suspended in the sport of football from the Interscholastic League, this agreement shall become null and void.

Dear Sir:

I am assuming that there will be no interscholastic league in the state for Negro high schools, but all Negro schools have not been abolished.

St. Paul High School is an all Negro school district in that no whites live in the St. Paul District. Am I correct in assuming that we have been left out of interscholastic league competition?

We have no desire to participate in football as it is too late in the season, but we are interested in becoming a member of one of the integrated districts.

Please advise me concerning the requirements that are necessary for me to meet in order to qualify as a member of the interscholastic league, and participate in basketball.

Mr. C. D. Yancy
Prairie View Interscholastic League
Prairie View College
Prairie View, Texas

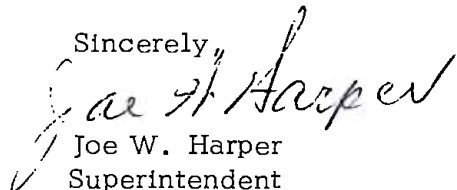

Dear Sir:

Due to integration of our school system the enrollment at Doty High School has dropped from 215 to 87 pupils. Since this drop in enrollment has curtailed the number of boys we have out for football, we are asking that our classification be changed from 2A to 1A.

District 3A has already accepted Doty High into its schedule if you will give your approval for the change.

Your consideration of this matter will be appreciated.

Sincerely,

Joe W. Harper
