Mr. C. D. Yancy, Director
Prairie View Interscholastic League of Texas
Prairie View A & M College
Prairie View, Texas.

Dear Mr. Yancy:

I would like to make application and for admission of our Carver High School into District I-AA, starting next year.

We understand that one team is going I-AAA and one is going to drop out from the District.

Mr. Yancy, we are in the Metropolitan Area, with the most of the teams of I-AA, and because of this, we feel that we are nearer the Metropolis of Dallas, and it would definitely benefit us by our affiliation with this District. We would appreciate it very much if you could place our Carver School in your District. This would help the School's Athletic Program a great deal. We are already playing several of these teams in this District, and we feel that it would be for the best interest, financially and otherwise, to be placed in your District.

I have talked with both the Principal, Walter D. Alexander and the head Coach, William Stell, and they are most anxious for the Carver High School to be permitted affiliation with your District, I-AA, in fact, they have been wanting the change for the past two years.

For further information as may be desired or necessary, you will feel free to contact me, and I shall be more than glad to comply.

In the above, your consideration and assistance in this request will be appreciated.

Mr. Yancy, I want to commend you for the fine job you are doing as District Director of Prairie View Interscholastic League of Texas.

Thanking you for your courtesies, I am

Sincerely yours,

James W. McCoy, Superintendent

Mr. James W. McCoy, Superintendent
Ennis Independent School District
Ennis, Texas

Dear Mr. McCoy:

I have your letter of recent date, relative to your application for the admission of Carver High School in District I-AA starting next year.

We can understand your position and interest in wanting to make the change. At present, we are attempting to gather information on schools of all districts in order to reorganize the districts. It is good for us to know that your principal and coach are anxious for the affiliation with District I-AA.

While we can promise nothing, we shall be glad to assist you in making the change should we find it feasible to do so.

We are grateful to you and the staff at Carver High School for the loyal support you have given the Prairie View Interscholastic League.

Please advise us at anytime we may be of service to you.

Very truly yours,

C. D. Yancy
Director

Member Schools
District 11A
Interscholastic League

Dear Member;

At our district meeting on Monday, November 8, 1965, it was unanimously decided that no District Basketball games will be played in gymnasiums that are not standard, by NCAA rules. There will not be any games played in gymnasiums where clocks and scoreboards do not meet specifications.

The following schools do not meet the above prescribed conditions.

1. Kendleton: The playing court, goals, backboards, and the gym is not according to regulations and students are forced to play without the advantage of an official clock or scoreboard. These disadvantages are not met anywhere else in the state competition.
2. Hempstead: The students are also forced to play without the advantage of an official clock and scoreboard. These hazards represent a disadvantage to district players. In view of the fact of the increasing qualifications of athletes of today we wish something could be done about the two schools as soon as possible, so as to prevent hindrances to our students.

Until the standards above are complied with, home games of the above schools must be played elsewhere.
