Dear Mrs. Rowan:

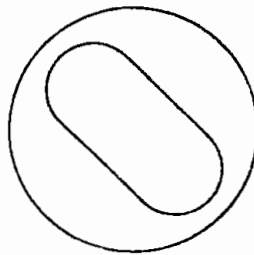

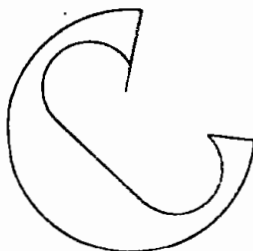

So far as I know now I shall be glad to come to Prairie View on October 31, for the purpose of discussing cutting and arranging Christmas greens. Since my trip this month will be in the Western section of the State, I wonder if it would be possible for one of your home demonstration agents to bring me some materials, such as holly, pine boughs, pine burs, sweet gum balls, etc. If you think it is, and will tell me the agent who could bring them to me, I will write and tell her what I shall need for that demonstration. Also please tell me what time of the day that you want me to be on the program.

Yours very truly,

/s/
