PRAIRIE VIEW A&M UNIVERSITY PANTHERS VS. BISHOP COLLEGE TIGERS

Saturday, October 6, 1979

7:30 p.m.

COTTON BOWL — DALLAS

Hawking vendors, spininggling rides, challenging games and the tenseness and excitement of a Saturday night football game. It's the Texas State Fair Game with Texas rivals, the Bishop Tigers facing the Prairie View Panthers in the Cotton Bowl.

An added attraction to the Texas State Fair.

And if tonight's game is anything like lastyear's barn burner, won by the Tigers, 35-34, another setting would dull the spectators sense of excitement.

Bishop is off to a 3-1 start, one of its best starts in recent years under first-year coach James Jones.

Prairie View has faced four of the top ranked teams in the nation and is 0-4 coming into tonight's game. But that record won't mean anything when the Panthers take the field.

"Our offense showed improvement and a bit more consistency last week against Grambling," said Panther coach Hoover Wright.

The offensive show for Bishop will be centered around flashy running back Edmund Harris who rushed for 237 yards against Southeastern Oklahoma.

The offensive show for Prairie View will be centered around quarterback Darrell "Pop" Jackson who hit seven of 15 passes for 135 yards and one touchdown last week against Grambling.

His favorite targets will be freshman running back Michael Weatherspoon, who caught three passes for 65 yards including a 53-yard touchdown pass against Grambling. Tommie Dunson and Bobby Barker should be on the receiving end of some of Jackson's passes also.

FACTS ABOUT

PRAIRIE VIEW A&M

LOCATION: Prairie View, Texas

PRESIDENT: Dr. A. I. Thomas

FOUNDED: 1876 by the 15th Legislature of the State of Texas

LOCATION: Prairie View, Texas (45 miles northwest of Houston on Highway 290)

ADMINISTRATION AND TYPE: A part of the Texas A&M University System.
A public state supported senior college. A land-grant college.

ENROLLMENT: 5,675

CAMPUS AREA: 1,400 acres

SCHOOL COLORS: Purple and Gold

CONFERENCE: Southwestern Athletic Conference

NICKNAME: Panthers

HOME STADIUM: Blackshear Field

CAPACITY: 6,000

OPERATION SUCCESS

Operation Success is based on the philosophy that each student admitted to Prairie View A&M University has the potential to succeed.

The complete education and experiences of the student at Prairie View A&M University are designed and implemented to help them keep the status to which they were born, namely: **THEY WERE BORN TO WIN!!! THEY WERE BORN TO SUCCEED!!!**

The University recognizes that many students, who are admitted, may have academic, social, cultural, vocational, economic or personal handicaps.

There are no students admitted, however, with handicaps which cannot be corrected so that the student can achieve success. The students do have the potential to succeed.

Operation Success is based upon the philosophy that the University will organize its human and material resources into such systems that will maximize the academic, personal-social, cultural and career awareness and vocational attainment of each student enrolled.

Operation Success is also based upon the philosophy that it is important for the student to enroll at the University, but *it is even more important that he or she graduates from the University with a variety of new experiences and high level achievements.*

**THERE ARE SOME
JOBS WHERE
YOU CAN
GET
KICKED
AROUND
A LOT**

With some companies you can bounce around for years with too few responsibilities and rewards. But at Miller Brewing you get a good position from the start. In our dynamic billion dollar growth program you'll have important responsibilities and be recognized and rewarded for individual accomplishments.

Look at the scoreboard. Since 1972, we have increased our production more than 480%—we jumped from number five to number two in the industry—and we're keeping the fast pace. Last year we began commercial shipping from a new brewery in Eden, North Carolina; started construction on a huge brewery in Albany, Georgia; topped out a new brewery in Irwindale, California; began construction of a can manufacturing plant in Reidsville, North Carolina; as well as made improvements to plants in Ft. Worth, Texas; Fulton, New York; and Milwaukee, Wisconsin.

If you like the idea of playing on a winning team . . . where you have the ball under your control . . . talk with us. We have continuing needs in: Engineering, Sales & Marketing, Accounting & Finance, Production, Personnel, Computer Science and Administration.

Mail the mini-resume to: Trudi Pence, Dept 1106-9, Miller Brewing Company, 3939 W. Highland Blvd., Milwaukee, WI 53208. An Equal Opportunity Employer M/F/H.

THE FIRST CHEVY OF THE '80s. CITATION. OUR MOST SUCCESSFUL NEW CAR EVER.

Ever since its introduction, people have been flooding Chevy showrooms across the country to see the 1980 Chevy Citation. And according to Retail Delivery Reports, 33,765 units were sold in its first three weeks, more than any new entry Chevrolet has ever introduced.

MID-SIZE ROOM FOR 5.

Citation's engine is mounted sideways, so the passenger compartment can be bigger. In fact, in EPA interior dimensions, Citation is classified as a mid-size car. With the back seat folded down there's room enough for two adults in front and 30 bags of groceries in back.

0 TO 50 IN 9 SECONDS FLAT WITH THE AVAILABLE V6.

In engineering tests, Citation goes from 0 to 50 in 9 seconds flat. That's with available 2.8 Liter V6 engine and automatic transmission. California figures not available. (Citation is equipped with GM-built engines produced by various divisions. See your dealer for details.)

EASY ON GAS. 24 EPA ESTIMATED MPG. 38 HIGHWAY ESTIMATE.

That's with Citation's standard 2.5 Liter 4-cylinder engine and manual transmission. (Manual transmission currently not available in California. Calif. estimates lower.)

Citation's standard 4-speed transmission is made to conserve gas. It's an overdrive. And at cruising speeds the 4th gear lets the engine run slower than with a conventional transmission, helping to get impressive fuel economy.

IMPRESSIVE LONG-RANGE CRUISING ESTIMATES, TOO.

And Citation's long-range cruising estimates are just as impressive. 336 miles based on EPA estimated MPG (city) mileage figures, and 532 miles based on estimated highway MPG. Range figures obtained by multiplying Citation's 14-gallon fuel tank capacity rating by the EPA mileage estimates.

REMEMBER: Compare the circled *estimated* MPG to the estimated MPG of other cars. You may get different mileage and range depending on your speed, trip length and weather. *Your* actual city mileage and range will be less in heavy city traffic. *Your* actual mileage will probably be less than the highway estimate.

YOU'VE GOT TO DRIVE IT TO BELIEVE IT.

When you drive Citation you'll see what all the excitement is about. The way it feels. The way it maneuvers. The way it rides. And Citation's front wheel drive puts approximately 65% of its weight over the "driving wheels" to give you impressive traction on wet or snowy roads.

IT'S A WHOLE NEW KIND OF COMPACT CAR.

There's still a lot about Citation that we haven't mentioned. Like slip stream design to cut down on wind resistance and wind noise. The hidden cargo area in all hatchback models, so what's inside is protected from view. A dual diagonal braking system. And much, much more. That's why we encourage you to see your Chevy dealer and test drive the 1980 Chevy Citation today. This could be the car you've had in mind.

LETTERMAN LOST: Five (5)
LETTERMAN RETURNING: Twenty-one (21)

DR. WRIGHT SPEAKS

To alumni and friends of our two great institutions, PRAIRIE VIEW A&M UNIVERSITY AND BISHOP COLLEGE, we say "Greetings!" It is our earnest desire that the gridiron encounter between our schools will continue to symbolize the fine relationship that exists between our educational communities as we seek to build the foundations of "the better life" — not only providing facts about life, but even more importantly, a faith through which those facts can be most purposefully utilized.

"Lord, be kind to me . . . Your ocean is so wide . . . and my boat is so small . . . Lord, be kind to me!"

With this simple prayer, Dr. Harry S. Wright, dean of the chapel at Bishop College for twelve years, began his task as the interim chief executive officer of Bishop College. Presented to the campus family by Trustee Chairman Dr. J. K. Haynes of Baton Rouge, Louisiana. in the College Chapel, the 48-year old Wright pledged "a new attitude of confidence. "Let us be confident in ourselves . . . We can do it . . . GOD is able!"

Such was the emotional beginning of a new era at Bishop College. Brought through difficult times in the past, facing accumulated problems of fiscal instability and government investigation, climaxed by indictment of key officials, the institution — in the words of Trustee Chairman Haynes — is entering a new era and manifesting a "new sense of togetherness." He said, "We shall no longer speak of mere 'survival,' for REVIVAL is on its way!"

National Association of Intercollegiate Athletics

Dear Football Fans:

Your support of intercollegiate athletics, and other activities programs offered by your favorite college or university, reflects your belief in the young men and women who are being educated on our great campuses for leadership in tomorrow's world. Your attendance here today has important meaning for both the institutions involved and the participants.

There is nothing quite like the pageantry and excitement of American college football. It is the strong feeling of the National Association of Intercollegiate Athletics that football and other sports are an integral aspect of the total educational program. Over 70,000 student-athletes are annually involved in the varsity sports programs in the NAIA's more than 500 member institutions. We are very pleased that the Fall football program provides the vehicle for alumni and community involvement on campus, as well as a robust and desirable activity for the students.

The NAIA strives for a well balanced and comprehensive program of activities — one that meets the needs and interests of the total student population. Currently the NAIA conducts 15 national championships in 14 different sports.

This is the second year of a new NAIA football playoff format that assures eight teams in Division I and eight teams in Division II an opportunity to compete for coveted national titles in each division. Angelo State University (TEX) is the defending Division I champion and Concordia College (MN) won the Division II crown last year, narrowly defeating Findlay College (O), 7-0 in a game played at Findlay.

W. C. MYERS

This year the Division I Championship Game will again be played as the Palm Bowl in McAllen, Texas. The Palm Bowl will provide an ideal setting for the 24th renewal of the NAIA Football Championship.

I echo the sentiments of our entire membership when I say thanks to you for your loyal support in helping make today's football game an outstanding athletic competition in the best tradition of American higher education. Return often. Welcome to today's game and congratulations on being a participant in an event that is associated with the best features of American life.

W. C. MYERS
PRESIDENT, 1979-80
NAIA

NAIA FOOTBALL

Established in 1940 as the National Association of Intercollegiate Basketball, the NAIA emanated from a "National Small College Basketball Tournament" inaugurated in 1937.

Football, one of 15 national championship events conducted by the NAIA, became part of the NAIA championship program in 1956. The first two years, only two teams were selected for the championship, but in 1958, the NAIA inaugurated a playoff system to determine which teams would advance to the championship game.

NAIA football teams were lumped together in one division for 13 years — from 1956 to 1969. Division II became a reality in 1970 following a year-long study of the membership and an endorsement by the NAIA Football Coaches Association.

Four teams made up the playoff field in each division until 1978 when the championship series was expanded to include eight teams and went from two weekends and seven playoff games to three weekends and 14 playoff games.

The first championship game was played in 1956 with St. Joseph, Ind. and Montana State battling to an 0-0 tie in the

mud in the Aluminum Bowl in Little Rock, Ark. Moving to St. Petersburg, Fla., in 1957 until 1961, the championship game was called the Holiday Bowl. In 1961 the title game moved to Sacramento, Calif., became known as the Camellia Bowl and remained on the West Coast until 1964.

The Champion Bowl became the official name in 1964 and held that title through the 1976 championship game. The last two championship games have been played at neutral sites — Seattle (Apple Bowl, 1977) and McAllen, Tex. (City of Palms Bowl, 1978).

All nine of the Division II championship games have been played at either on-campus sites or nearby locations.

Texas A&I University, holders of the NAIA record for consecutive victories (42) and the longest unbeaten streak (46 games) has captured six of the previous 23 national championship title games.

Westminster PA has won three national titles and Texas Lutheran has taken two crowns since Division II was formed in 1970.

SWAC FOOTBALL PREVIEW

Here's how league coaches summed up their prospects for the 1979 football season in the order of the pre-season coaches poll:

Last season's record in parenthesis.

GRAMBLING (9-1-1, 5-0-1) — The Southwestern Athletic Conference's biggest cliché is that coach Eddie Robinson doesn't rebuild, he just reloads.

The Tigers won the 1978 crown with an iron curtain defense and just a shell of what had been the greatest offense to hit the SWAC (512.8 yards per game in 1977).

This tinearound, Robinson is hoping for the offense to return to the forefront of the Tiger scheme.

"Our quarterback will be a year older, plus we'll have a group of good runners and receivers," Robinson said.

Returnees include quarterback Michael Williams (Doug's brother). Also back on offense are full back Robert Parham and running back Glenn Elmore, wide receiver Jerry Gordon and tight end David Butler set to catch Williams' passes.

Defensively middle linebacker Aldrich Allen (6-0, 237) is the top returnee. Also back are tackles Joe Gordon (263) and Mike Barker (286), end Charles Lewis (243) and linebacker Guy Prather (225).

Anchoring the offensive line will be All-American center Jeffrey Hudson (260).

If last year's ability to make do with little or nothing is an accurate barometer of the Tigers, then Robinson may indeed just be "reloading" for another fall — SWAC title No. 13.

JACKSON (10-2, 5-1) — The Tigers used a relentless offense and bone-crushing defense and trampled everyone in sight except Grambling and NCAA Division I-AA national champion Florida A&M.

Eight starters are gone from the league's best defense and half of the wishbone backfield, which became the eighth team in NCAA history to have two players rush for more than 1,000 yards.

Quarterback Tony Harris is gone also, but eight offensive starters, including the league's top rusher in Perry Harrington, are back for coach W. C. Gordon.

"We'll throw a lot more control type passes this season to get more offensive balance and keep the ball away from our opponents," Gordon said.

SOUTHERN (4-7, 2-4) — The Jaguars showed signs of brilliance last year and coach Cass Jackson figures those "sneak previews of 1978" will become "a box office smash in 1979."

"We'll be strong defensively with everyone back plus our offense should begin to show more consistency this year," Jackson said.

Sophomore Norman Gibbs figures to be the top quarterback candidate though senior Elgin Stewart and transfer Billy Mayo figure quite prominently at that spot.

There are a whole host of runners back with top rusher Reggie Morgan, Wilfred Charles, Johnathon Rochon, Byron Harrell, junior college transfer Greg Johnson, Thomas Broussard, Larry Seabrooks and John LaBoard vying for playing time.

The offensive line should be solid too with seniors Darrell Jones (260) and Ralph Williams (270) tops among the returnees.

SWAC receiving leader George Farmer will battle with transfer Michael Vaughn.

Heading up the defense will be all conference performer Ken Times (230), transfer Carter Spruill (250), Dennis McCollins and Eli Williams.

ALCORN (5-3-1, 2-3-1) — The Braves have been in the fight for the league pennant more times than not so one can't expect coach Marino Casem's Braves to take their lumps much longer.

Casem figures a strong recruiting season and a bunch of returnees who've endured two years of SWAC initiation may have the right chemistry to justify their "darkhorse" tab.

Otis Wonsley spearheads the running game while Sherrod Green and Richard Nash will direct the aerial attack.

Tony Gibbs (225), Dennis Cambell (214), Willarthur Jackson (230) and Melvin Brown (268) are ticketed to team with an intact secondary from last year of Roynell Young, Leslie Frazier, Alvin Bailey and Mark Harper on the Braves "hustling defense" which Casem hopes will return the Braves to the limelight.

MISSISSIPPI VALLEY (6-3-1, 3-2-1) — The Delta Devils are still seeking their first SWAC football crown since joining the loop in 1967. But coach Jim Thomas, last years SWAC Coach-of-the-Year, in his rookie season needs something for an encore.

All he did last year was guide the Delta Devils to a third place finish in the league and a 6-3-1 record. And he turned in the game of the year holding Grambling to an 0-0 standoff.

Among the missing are three-time SWAC punting champ John Standfield, SWAC Offensive Player-of-the-Year in wide receiver Donald Doaty and defensive standouts James McGruder, Gator Kinnard, Larry Harper and Willie Fulton.

And that brings a quick "I don't think we'll be able to duplicate a 6-3-1 record this year" from Thomas.

Strong points figure to be the offensive line, which should average 245-pounds per man; quarterback, with all conference performer Melvin Williams; the running back positions headed by Ricky Carson; an aggressive defensive line led by Jim Sankfield (255) and Hal Taylor (235) and outstanding linebackers in Dexter Hood and Timothy Batts.

TEXAS SOUTHERN (3-6-1, 1-4-1) — "We'll have to grow up in a hurry" says first year coach James Sorey. Turnovers and injuries contributed to the Tiger demise last season and Sorey hopes to turn that around.

"If everything goes well and we can eliminate the 'if,'s we may be able to play above .500 or dead even," he said.

Marc Johnson leads a Tiger secondary which had 11 interceptions last season. Marcus Stallworth, Will Davis and Calvin Ware are the top linebackers. The defensive line should average 240 pounds per man.

Lance Courville and Jackie Hicks are the top candidates at quarterback although freshman Anthony Johnson may have something to say about that.

Whoever wins the job will have lots of support in running backs Robert Thomas, Eric Williams and receivers Calvin Saleem Mihammed, Vance Courville and Carl Williams.

PRAIRIE VIEW (3-7-0, 1-5-0) — "We're hoping for improvement," said coach Hoover Wright. That will mean finishing high on the conference ladder for the Panthers, who have won 10 Southwestern Athletic Conference titles since 1921.

Charles Weatherspoon and Howard Grant should compliment each other well enough to provide a potent running attack. The passing attack should be just as potent with receivers Tracey Jones, Tommie Dunson, Eugene Scott and Bobby Barker.

The defense also is marked for improvement with returnees Robert Alexander and Andrew Winzer in the secondary and Milton Hall, Matthew Teauge, Larry Jackson and Sammy August up front.

Heading up the offensive line will be tackles Harold Norfleet and Keith Albury, guard Dale Clark and James Hicks and center Gerald Davis.
