TO ALL NEGRO COUNTY EXTENSION AGENTS:

Annual reports are in and you've just breathed a sigh of relief - - then along comes another request for a report. This time it's brief, however, and we hope you won't mind filling in the five blank spaces below and mail right back to Dr. E. B. Evans, State Leader, Extension Service, Prairie View, Texas.

Up to August 1 Texas had produced about 750,000 gardens valued at roughly \$95,000,000. Of this number 25,743 were produced by Negroes and were valued at \$1,555,258.00. That's a mighty good showing, yet our goal for 1944 is 1,000,000 Victory gardens.

Fill in and return by not later than December 15, 1944. County Extension workers will please make a joint report.
