# GIFT TO THE UNIVERSITY FROM THE CLASS OF 1978 THE CENTENNIAL YEAR GRADUATING CLASS

The Centennial Year Graduating classes leave Prairie View A&M University at an historic time in the University's rich and varied history: The Year of the Celebration of Prairie View's Centennial. The Centennial Year is, indeed, a fitting memorial to Prairie View's one hundred year tradition of Producing productive, successful people.

As these graduates join the ranks of distinguished alumni of Prairie View A&M University, they become a part of a tradition established by earlier senior classes: that of leaving a permanent reminder of their love and esteem for their Alma Mater. The Centennial Year Class—the Class of '78—leaves a cash contribution. —THE CLASS OF 1978

## THE COMMENCEMENT PROCESSION

An appropriate costume is a necessary part of Commencement. The costume includes a cap, a gown, and a hood. Each part of the costume has special significance.

The most common head-piece (or cap) for the ceremony is the black, square, flat-topped, or "mortar board" type with gold or black tassel. It is called a "mortar board" because it is shaped like the board of the mason which holds the mortar. Recently we are seeing large velvet Tam-O-Shanter styles of head pieces replacing the mortar board. Some of the velvet tams are brilliantly colored such as orange or bright blue.

The tassel on the doctor's cap is usually gold, and permanently fastened on the left side. The master's cap has a black tassel worn on the left. The bachelor's cap has a black tassel worn on the right prior to graduation, then moved to the left during the ceremony.

The hood can be the most colorful part of the entire costume. The colors inside the hood are those of the college or university which awarded the degree. The color of the outside rim of the hood symbolizes one of the following departments of learning:

| Library Science.....                   | Lemon          | Veterinary Science.....          | Gray          |

The gown is usually black. The traditional doctor's gown has velvet panels down the front and three velvet bars on the regular sleeves. The master's gown has no velvet, but does have unusually long sleeves. The bachelor's gown is similar to the master's but has regular length sleeves which tend to be pointed.

Some gowns may be in the color of the department granting the degree, such as "Education Blue." Others may be "Yale Blue" or "Harvard Crimson" for graduates of these universities.

### ALMA MATER—"Dear Prairie View"

Dear Prairie View, our song to thee we raise,  
In gratitude we sing our hymn of praise,  
For mem'ries dear, for friends and recollections,  
For lessons learned while here we've lived with thee  
For these we pledge our hearts full of devotion,  
To serve thee now, and through eternity.

As days go by our hearts will not grow cold,  
We'll love thy purple royal and thy gold,  
We'll through our lives exemplify thy teaching,  
We'll always strive a a blessing to be,  
Thy children we our love and pride confessing,  
We'll love thee now, and through eternity.
