Mr. C.D. Yancy, State Director
Prairie View Interscholastic League of Texas
Prairie View, Texas, 77445

Dear Mr. Yancy:

On October 20, 1964, I wrote a letter to you requesting to be Placed in District VI-C, of which Mr. Clyde Simmons is the Director. After talking to Mr. Simmons and explaining our reason for transferring on my letter to you I waited to hear from your office. On October 27th. I recieved a letter from you stating that if I had talked the matter over with Mr. Simmons, and he had consented to accept us, we did have YOUR approval.

Based on your word, and the consent of District VI-C of which we felt justifiable, we started attending the meetings of District VI-C, for the purpose of setting things in order for a great year, of which I am enclosing a schedule of the basketball games to be played in District VI-C, of which we do understand that it is only district wide.

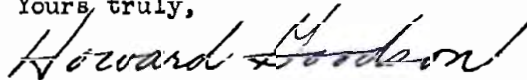

In one of our meetings District VI-C decided to hold the Interscholastic League Meet here at our school, this we have already begun making some preparations for the guest schools.

Based on your word, and your approval of our transfer, we have been looking forward for a great and successful school year with high enthusiasm of league representation, from the board of education here, Superintendent, Parents and student body.

Mr. Yancy, if we are not able to continue our participation in District VI-C, I am asking that your office refund our entry fee of \$5.00, and drop us from District IV-C completely. It is just too far for us to participate in when there is a district here by us where schools are on the same competitive level as ours. Our check dated 10-23-64 said "not negotiable unless applied to District VI-C".

Thank you very kindly for giving this matter your consideration.

Yours truly,

Howard Goodson, Principal

Mr. D. R. Countee, Interscholastic League Chairman
Booker T. Washington High School
119 East 39th Street.
Houston, Texas

Dear Mr. Countee:

I have your letter of November 24, 1965 relative to a penalty you received at the Band Marching Contest in Galveston on November 20, 1965.

I regret that I am not in a position to give an explanation of the penalty on the time element given your school. Dr. L. A. Morgan who is your Regional Band Director, I am sure, would be pleased to answer any questions relative to the Marching Contest or direct you to the officials who directed this contest, which according to the report was quite a success.

Please advise us at any time we may be of service to you.

Sincerely yours,

C. D. Yancy
Director

Principal E. E. Ford
Valley View High School
Gilmer, Texas

Dear Principal Ford:

I am herewith returning both of your 1965-66 basketball eligibility blanks. The second blank, which you indicated was the corrected list, the date of first enrollment in the eighth grade for several of your players would render them ineligible to participate this season. (See red checks).

Please read Article VIII, Section 16, page 22 of the 1965-66 Rules and Regulations Bulletin. This is a high school contest, no eighth grade pupils are eligible.

We are in no way responsible for any errors you make, so please check your entire list carefully.

I am enclosing another set of basketball eligibility blanks for your convenience in correcting this list.

Very truly yours,

C. D. Yancy
Director

Enclosures

December 8, 1965

The State Executive Committee met in the Office of the Director at 10:00 A. M., December 8, 1965.

The meeting was called to order by the Director and the business of the hour was presented. There was a dispute, evidenced by two telegrams, as to who was the winner of the Quarter-Final game, played between Mayflower High, Tatum and Carver High, Garland on Saturday night, December 4, 1965 in Longview, Texas.

The first telegram was sent by the Official Referee for the game, Mr. S. A. Anderson, to the office of the State Director, Monday morning, December 6, 1965. This telegram declared Mayflower, Tatum as winner on the basis of the following statistics:

Score--Mayflower 12, Garland 12; Penetrations--Mayflower 2, Garland 2; First Downs--Mayflower 8, Garland 7; Net Yardage--Mayflower 190, Garland 182; Garland claims a third penetration.

On the play in question, Garland reached the Mayflower 19-yd. line. Garland was penalized on that play, however, and the penetration was not allowed. They failed to reach the 20-yd. line again. Mayflower claims a third penetration. On the play in question, Mayflower scored a touchdown, but received a penalty which carried them back outside the 20. They scored again on the same drive. They claimed two penetrations. Since both penetrations came on the same drive, one was not allowed. That leaves the penetrations tied at two each. I can verify this because a record of penetrations was kept by me on the field. The other statistics listed above were taken from the records of the official statistician. These statistics were verified Saturday night following the game after consulting the Prairie View Interscholastic League of Texas Rules and Regulations, page 82, paragraph 14.

Statistician Sherman Gay, 610 Roosevelt St., Longview, Texas
S. A. Anderson, Referee, 2203 Spring St., Marshall, Texas

The second telegram was delivered Tuesday morning, December 7, 1965.

This telegram was sent from the Superintendent's office at Marshall, Texas. This second telegram stated that:

The initial decision made by the statisticians was correct, and that Garland won 3-2 on penetrations. The Referee had previously

rendered a decision of 2 penetrations each based on the unofficial statistics kept by the Refree on the field and the record of the Home Statistician.

The Home Statistician questioned one decision on a Garland penetration, which has since been resolved in his mind. Since the two statisticians are now in agreement, the referee has no official capacity in determining penetrations and the decision of the statisticians should be accepted as final.

Mr. S. H. Anderson, Refree
Mr. Sherman Gay, Statistician
Mr. Billy G. Jackson, Statistician

The Committee deliberated over the two telegrams and conflicting reports made by the officials. The final decision of the Committee in the interest of good relationship for the two schools and the districts, the interest of the students involved and the fact both schools and the officials involved did not get a clear and announced decision before leaving Longview, Saturday night, December 4, 1965, reached the decision that there would be no representative from the quarter-finals of Districts III-A and IV-A and that the winner of quarter-finals of Districts V-A and VII-A (O. J. Thomas High, Cameron), move to the Finals.

Mr. C. D. Yancey, Director
The Prairie View Interscholastic League of Texas
Prairie View A & M College
Prairie View, Texas

Dear Mr. Yancey:

Our Terrell High School is a member of the league district for this area. It is my understanding that several of the principals of the schools involved are concerned about some of the schools having an enrollment that exceeds the bracket set up for AA schools. I am concerned, too, if a school has more than the 225 students permitted is participating in the district.

Please write and tell me the enrollment figures on the several schools in the district. I should like to know, too, whether any of those exceeding the limit are to be reclassified and when.

Thank you for this information.

Sincerely yours,

H. W. Goodgion
Superintendent of Schools

Prairie View, Texas

Dear Sir:

We placed an order with your office for league material or supplies, and sent a check for \$15.05. We received all of the material but one item. We did not receive the prescribed music list bulletin #6317 at a price of \$2.00. You should send us the bulletin or refund two (\$2.00) to our school. I am hoping that you will take care of this matter at once. We have waited exactly one month, thinking maybe you were short on the particular item.

Respectfully Yours,

A. L. Traylor-Prin.
