MEMORANDUM

TO: Mr. J. E. Mayo
District Agent

FROM: *I. W. Rowan*
Mrs. I. W. Rowan
Supervising Home Demonstration Agent

REGARDING: Gas Range at Brazos County Agents' Office

Our Food Specialist, Eugenia A. Woods, has called my attention to the fact that the gas range which County Agricultural Agent, E. O. Page moved out of the Negro Agents' office in Bryan, Texas has not been returned to the office, at least it had not been returned when she attempted to conduct a training meeting in Brazos County on Friday, June 8th.

It was discovered by Miss Woods and our Brazos County home demonstration agent that the gas into the office had been cut off by someone other than a representative of the Gas Company.

Please assist us in getting the gas range returned to the office and properly installed.

cc - Miss Eugenia A. Woods
Mrs. Fannie J. Taylor

To All Negro Home Demonstration Agents
In the Texas Extension Service.

Dear Agent:

Approval has been given for holding a 4-H Wildlife Camp and a Short Course at Prairie View College, August 13 - 15, 1945. I hope this information will be good news to you and the club girls and women in your county.

We are strongly suggesting that you limit the attendance at the Short Course to three (3) women per county. The three women may be those who were selected to represent the county at the district or State Home Demonstration Council meeting this year.

Attendance at the Wildlife Camp is limited to two (2) 4-H club girls per county.

I would appreciate having your reaction to these two meetings before July 1.

Yours very truly,

Mrs. I.W. Rowan,
Supervisor of Negro Home
Demonstration Work and
District Agent.
