Dear Mr. Denwiddie:

I have your letter of January 17, 1966, requesting information on a student who received a first place or (first rating) in the State Meet in Music (Piano Solo), and whether this person is eligible to participate in the same event the next year.

The rule prohibiting the participation of students who won first place in an event at the State Meet was deleted from the rules some time ago. Therefore, students who won first place in an event at the State Meet are eligible to participate the next year.

It was most kind of you to ask us to assist in your State Music Contest for March 10, 11 and 12. We shall be glad to obtain the judges for you, and we will look forward to visiting your school.

As to the sight reading music for the regions, this has caught us unawares. It will be impossible to furnish your six Regions with the same type of music. If you will be satisfied with having several different selections for each classification, we can supply it. Otherwise, they will have to secure their music elsewhere. We did not anticipate having a contest prior to the 1st of March and will not have the new music in prior to that date.

Please let me know, by return mail, your desire in this matter.
