Alumni Association
Prairie View State College
Prairie View, Texas

Fellow Alumni Officials:

I have been authorized by the Executive Committee of the Alumni Association of the Winston-Salem Teachers College to write to you, and to Officials of other Alumni Associations in Negro Colleges, and to invite you and them to send representatives to meet as guests of our Alumni Association on the Campus of the Winston-Salem Teachers College on Saturday, April 6, 1946. Room and board while here will be at the expense of our Association.

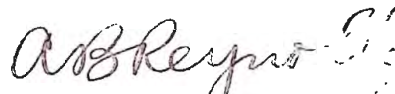

The purpose of the meeting will be to consider all matters of mutual interest to Alumni Associations in Negro Colleges and to consider the advisability of organizing a National Association of Alumni Organizations in Negro Colleges.

Our Executive Committee believes that organizations of Graduates of our Colleges are continually playing a more vital role and that the highest development of our Colleges will have an important relationship to the vitality and effectiveness of our Alumni organizations. We believe firmly that each organization can profit from information and ideas from other similar organizations and that there should be some clearing house for this purpose.

I hope that your Association will find it possible to accept this invitation and to send representation to the meeting on April 6, 1946. Please write me about this as soon as you find it convenient.

With best wishes for the continued success of your Association,
I am

Very sincerely yours,

A. B. Reynolds, President

TO: MEMBERS OF NEGRO NUTRITION COMMITTEE

Dear Co-worker:

In as much as we will be attending the Nutrition Meeting in Fort Worth on January 10, I am wondering if we should have our Committee Meeting immediately following the State Meeting. That is, have our meeting on Thursday night, January 10 or Friday January 11, instead of on January 17. To have our Committee Meeting on January 10 or 11 would eliminate the need for a second meeting and trip during the month.

Very truly yours,

Mrs. I.W. Rowan, Supervisor of
Negro Home Demonstration Work
and District Agent, and
Chairman of the Texas Negro Nutrition Committee.
