It has become necessary that I change the date of the meeting for the Executive Board and Coaches of District II--Interscholastic League.

This has come about because of the non-completion of Basketball games and we must extend the time.

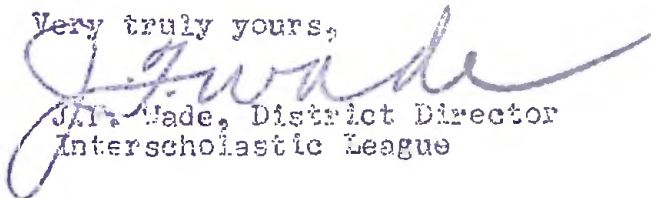

Consequently, I am asking you NOT to meet on Monday, February 14. I am asking you TO meet in Mt. Pleasant at the Booker T. Washington High School:

Wednesday, February 16, 1966

5:00 P.M.

Thank you for this cooperation.

Very truly yours,

Mr. C. D. Yancy,

I am writing this letter in reference to the reorganization and classification of schools. In viewing the District assignment of Class AA schools, I note that we are still classified as AA.

According to our enrollment for the 1960-67 school year, we will not have enough students to maintain our present status. Therefore, we would like to move to class A. According to our present enrollment, we anticipate that next year it will fall far below Class AA status. At present we are below the enrollment for Class AA status.

Thank you for your time and consideration in this matter.

Yours truly,

Dear Mr. Yancy:

Knowing of your illness, we wanted to send you our best wishes for your quick return to health.

All your many friends are waiting for your return to Prairie View. I hope it helps some to know that you have a host of well wishers.

Things here in the League and Placement Office are moving about as well as can be expected. Mr. Thomas has stood by and assisting in every way possible. You do have some real loyal, faithful and cooperative co-workers. (smile)

Principals, Personnel Directors and Superintendents are yet calling for teachers; everyone wanting the best.

The Recruiters are strictly following their schedule. Believe it or not, we are seeing that they move on and out. Miss Willrich, Secretary in the Engineering Building, is doing a fine job in helping us assist those in her building.

Don't worry about the office work; we are doing our best to carry it on just as we would if you were here.

We are yet having winter, so you might be fortunate being able to stay inside. (smile)

We called Mr. Andrews today and he is mailing the trophies and charms today. All the officials have replied. It seems as though the basketball tournament is well on the way.

The visitation team arrived today and all the arrangements have been taken care of.

So now that you see that the office work is being taken care of, your major concern should be to hurry back.

Mr. C. D. Yancy

When you return home and/or well enough to have visitors, we will be over to see you. In the meantime, please have Mrs. Yancy let us know if we can be of any assistance in any way. We will all be delighted to help.

I would appreciate very much your doing me a favor. I have heard a number of stories about why the basketball district of which Anderson High of Mart is a member (District 2-A I think) does not have a representative in your state tournament.

I would like to have the official state ruling which did not permit representation from this district.

Thank you very much.
