Dear Mr. Timberlake:

In the absence of Mr. Yancy I am acknowledging receipt of your letter of February 11, 1966 concerning the classification of your school.

On January 17, 1966, Mr. Yancy wrote to Principals asking for any suggestions on the subject and waited until January 31, 1966 before final formulation of districts. Therefore the districts were set up.

You might contact this office in late summer (August) again, and in the meantime contact the District Chairman of the Class A district you prefer and who can take your school.

While in some doubt at this late date, it would do no harm to check later.

Dear Mr. Yancy:

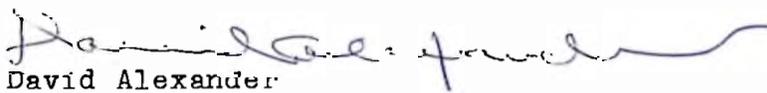

We would like to recommend that the Lincoln High School, Montgomery, Texas, be placed in District 7A for football and basketball for the 1966-1967 school year.

We feel that this will be an asset to our district since Hungerford will no longer be participating in the Prairie View Interscholastic League but in the UIL.

Since Montgomery was not listed on the news statement, 1966-67 listing, we feel that this will not handicap anyone very much.

Please let us know immediately if this is agreeable with your office.

Yours truly,
