Subject: Area Conference - ASC State Committeemen and
Advisory Committee Members - May 5-6, 1966 -
New Orleans, Louisiana

An Area Conference has been scheduled for May 5 and 6 in the Fontenbleau Hotel, 4040 Tulane Avenue, New Orleans, Louisiana. The purpose of the conference will be for the ASC State Committees in the area to meet with the State Advisory Committees and discuss problems of mutual interest, such as better ways of reaching underprivileged farmers, a better understanding of ASC programs by underprivileged farmers, a better understanding of ASC committee election procedures and problems, employment of minority group employees, etc.

Each member of your State Advisory Committee must be invited and urged to attend the conference. It is also expected that each member of the ASC State Committee, including the Oklahoma State Committee, and the State Executive Director from each State in the South Central Area will also attend.

Each ASC State Committee Chairman should be prepared to make a report of 10-12 minutes on the progress of providing equal program opportunities to farmers of minority groups and providing equal employment, including problems incurred in both employment and program participation.

The conference will begin promptly at 9:00 a.m. on May 5, and will be concluded at approximately 4:00 p.m. on May 6. Please make your travel plans accordingly.

Sleeping room rates at the Fontenbleau Hotel are \$12-\$14 single and \$16-\$18 double. Each State group should plan to use as many double rooms as possible due to the rates. It is requested that the State Chairman or State Executive Director confer with each Advisory Committee

member and State Committee member before reservations are made. Reservations for the persons attending should be made for the entire State group by either the ASC State Committee Chairman or the State Executive Director. In writing for reservations address your request to:

Mr. Harold Brown
Convention Manager
Fontenbleau Hotel
4040 Tulane Avenue

In writing for reservations, mention attendance of the USDA-ASCS conference.

A part of the program will include a panel discussion by a panel consisting of three ASC State Committeemen and three Advisory Committee members. States having a State Committeeman and/or an Advisory Committee member on the panel will be written separately with reference to the subject assigned. Also, a copy of the agenda will be forwarded you at a later date.

Dear Mr. Yancey:

The birthdate of James Garrity was listed on our Eligibility List as July 30, 1947; this would have made him ineligible for football.

Enclosed is his Certificate of Birth stating the correct date as September 30, 1947.

Please advise me if James is eligible for football this school year 1966.

Yours truly,

Dear Mr. Day:

I have received your letter and read the document you enclosed.

Since this document does not show the date that this entry was made, at or near the time of birth, it does not necessarily serve as evidence of the official age of the contestant under the current Rules and Regulations of the Prairie View Interscholastic League of Texas. (See Article VIII, Section 1 under eligibility rules).

I am suggesting that you check all documentary evidence that is available on this student and use the earliest that can be produced in establishing his official age. Notify your District Executive Committee in advance of the meeting, thus giving them an opportunity to check also.

In this way, you might be able to avoid protest after the contestant begins participation.

I am enclosing the Certificate of Birth for James L. Garrity which you sent.

Very truly yours,

O. J. Thomas

Dear Mr. Thomas:

Thanks very much for sending us the list of high schools that are members of the Prairie View Interscholastic League of Texas. This will help us a great deal as we did not have a list of your members.

In regard to getting approval of an All-Star game in basketball and football from N.C.A.A., you should write to Mr. Arthur Bergstrom, N.C.A.A., Midland Bldg., Kansas City, Mo., and ask him for an application blank for approval of the game. I would suggest that you do this right away, because the last meeting of the N.C.A.A. would be in May of 1966, and if it doesn't get in for that meeting you would be left out for 1966.

Sincerely yours,

Mr. C. D. Yancy, Director

Prairie View A&M College
Prairie View, Texas

Dear Mr. Yancy:

On April 13, 1966, I served as coordinator of a group of judges for an Interscholastic League Meet at El Campo, Texas and I served as one of the judges of the contest in Extemporaneous Speaking. There were two contestants one of whom was a Miss Earnestine Brown of Angleton. We judges reluctantly disqualified Miss Brown because she brought in notes containing slightly more than 100 words and declared the other contestant the winner. Miss Brown was not aware that such a rule existed. She had worked quite hard and was at that time a much better representative of the district.

This is to request that Miss Brown be given a special invitation to attend the state meet in Prairie View as an independent representative if this can be done. Any help you can give will be appreciated.

Very truly yours,

J. E. Westberry, Registrar
and Director of Admissions

I write to inform you that the names previously listed on the entry blank for the Ready Writers participants (from Orange) were erroneously submitted. The contestants who represented North High School at Charlton-Pollard High School were Tommie Fusilier and Eddie Feathers. Tommie was victorious in the contest and will represent the district at Prairie View A. & M College in the State Meet.

Dear Mr. Yancy,

Your office staff has by no mean forgotten you. However, you know this is one of the busiest seasons of the League Office. Believe me, we have been busy. (smile)

We are all well, doing fine and hope these few lines find you taking the doctors, nurses, and Mrs. Yancy's orders in an effort to be up and out again.

I'm enclosing the campus mail that you have received. Some of it seems as if it is not important, but I felt that you should be the judge of that. I'm sending it anyway.

I'm also enclosing the basketball winners, band winners and a program of the State Meets.

The recruiters really increased. At one time, we thought they were thinning out, but we realized that it was an increase. However, we only have about two or three more for this year.

Miss Callaway is down this morning helping us with the tags. She sends her regards and best wishes for a speedy recovery.

The track medals and trophies were received and issues per usual. However, there was a slight mix-up on the literary medals. The literary committee didn't mind at all (smile). I'm sure we will receive them, as soon as possible according to Mr. Andrews.

I have just finished typing up the Legislative Budget Requests for Wages (hourly and student), Travel, Maintenance and Operation and Capital Outlay. However, we haven't seen the one for us. We are wondering if our services will be needed for another year. (smile)

We really wanted you to hear from us and know that you are being thought of. Take care of yourself and hurry back. We are all looking forward to your return.

Very truly yours,

(Mrs.) Orena R. Dixon

(Mrs.) Bobbye J. James
