## Prairie View A. & M. College

vs.

## Wiley College

TONIGHT'S GAME is the 41st edition of the annual Texas State Fair Football Classic which features two age-old rivals — Prairie View A. and M. College and Wiley College.

The Panthers have met Wiley's Wildcats in this big event for 32 years. The game was initiated in 1924 with Wiley and Langston University. Prairie View entered the Classic four years later and has entertained Wiley each year except the one in which the Panthers played Tennessee State (1959) and Texas Southern (1958-59).

Prairie View holds a considerable edge in the long competition, having won 20, lost 8, and tied 4, but record books are usually laid aside when these two great Southwestern Conference rivals get together. For the first time in history, Prairie View enters the contest without a victory. The Panther record is 0-2-1 and Wiley has won one and lost two.

You're invited...  
To go to the games!

There's enjoyment in the game... and enjoyment in the going if you stop for "Happy Motoring" products and service — and the cleanest restrooms ever — at Humble's Enco sign.
