Dear Sir:

This is to state that since you mailed out your district assignments for 1966-'67, two schools of our district will not operate next year; they are Victoria and Edna. That leave three schools they are, Bay City, Wharton and Corpus Christi. Some of the neighboring district are the same way with one and two schools in the district.

I am wondering if you would consider a new district alinement with approximately six schools in a district, to increase the competition and interest in district participation.

If this can or cannot be done please let me hear from you soon in order that we may complete our football schedule for 1966.

Yours truly,  
*James White*

Dear Mr. Yancy;

Please inform me as to why the medals for our students who won first place in the State Interscholastic League were not sent to us.

The students are, Allen Brandon, Piano solo, and Tommie Fusilier, Ready Writer.

Your immediate attention to this matter will be keenly appreciated.

Yours sincerely,
