## HAPPY NEW YEAR

1955 is now history. For us, it has been a profitable year, institutionwise,

We have grown in our number of full-time students, our plant has expanded,

1956 will be another year of continuous growth for Prairie View if you will continue to give your support to our program. May this be for us another "Happy New Year!"

### ABOUT OUR JANUARY CALENDAR

From now on, our monthly schedule of activities will be completely filled. In addition to final examinations and the reporting of semester grades, there will be the Annual Extension Agents Meeting and the All-College Career Conference during January. All these activities require the time and concentrated efforts of our entire staff. Your cooperation in these matters is always needed and certainly, it is appreciated.

Special Note Re: Pre-Registration - Students who are currently enrolled at the College are encouraged to participate in pre-registration which is now in progress. This is a means by which we are given an indication of enrollment in specific classes, and it also provides an opportunity to make appropriate adjustments. Please encourage students to act now and get registration out of the way before the rush.

REMEMBER -

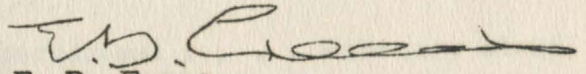

The "March of Dimes"

### IN CLOSING

Permit me to add a few words concerning "resolutions." Webster's New Intercollegiate Dictionary gives as its second definition of resolution: "Act of, or quality of mind admitting or productive of, resolving or determining."

Customarily, we make New Year's commitments to ourselves. For 1956, let us be sure to include a resolution to be true to ourselves; for if we are, our work, our personal aspirations and the results thereof will reflect credit upon us personally, and upon this institution of which we are an integral part.

Very truly yours,

  
E. B. Evans  
President
