## COMMENCEMENT CONVOCATION

(THE NINETY-FIFTH SUMMER COMMENCEMENT)

WILLIAM "BILLY" J. NICKS BUILDING  
SATURDAY MORNING, AUGUST SIXTH  
TWO THOUSAND FIVE  
NINE O'CLOCK

## **TO OUR GUESTS**

Commencement is a significant and solemn event, recognizing years of study and sacrifice. To make this ceremony more meaningful, we ask all guests and participants to avoid unnecessary conversation and movement during the exercises. We also ask that cellular phones be turned off during the ceremony.

Please withhold your applause during the presentation of degrees until each degree group is acknowledged and the candidates have returned to their seats.

Following the singing of the Alma Mater, there is a Recessional for the platform party and all degree recipients. We ask the audience to remain seated during this period.

For your assistance, an Emergency Medical Services station is available in the Nicks Building. Please ask an usher for assistance.

# THE COMMENCEMENT PROCESSION

An appropriate costume is a necessary part of Commencement. The costume includes a cap, a gown, and a hood. Each part of the costume has special significance. The most common head-piece (or cap) for the ceremony is the black square, flat-topped, or "mortar board" type with gold or black tassel. It is called a "mortar board" because it is shaped like the board of the mason which holds mortar. Recently we are seeing large velvet Tam-O-Shanter style of head pieces replacing the mortar board. Some of the velvet tams are brilliantly colored such as orange or bright blue.

The tassel on the doctor's cap is usually gold, and permanently fastened on the left side. The master's cap has a black tassel worn on the left. The bachelor's cap has a black tassel worn on the right prior to graduation then moved to the left during the ceremony.

The hood can be the most colorful part of the entire costume. The colors inside the hood are those of the college or university which is awarding the degree. The colors of the outside rim of the hood symbolizes one of the following departments of learning:

Agriculture .....	Maize	Library Science .....	Lemon
Architecture .....	Lavender	Medicine .....	Green
Arts, Letters, Humanities .....	White	Music .....	Pink
Commerce, Accountancy, Business .....	Drab	Nursing .....	Apricot
Dentistry .....	Lilac	Oratory (Speech) .....	Silver Gray
Economics .....	Copper	Pharmacy .....	Olive Green
Education .....	Light Blue	Philosophy .....	Dark Blue
Engineering .....	Orange	Physical Education .....	Sage Green
Fine Arts .....	Brown	Public Administration, including	
Forestry .....	Russett	Foreign Service .....	Peacock Blue
Geography .....	Blue and Green	Public Health .....	Salmon Pink
Home Economics .....	Golden Yellow	Science .....	Golden Yellow
Journalism .....	Crimson	Social Work .....	Citron
Industrial Education .....	Light Blue	Technology .....	Golden Yellow
Law .....	Purple	Theology .....	Scarlet

The gown is usually black. The traditional doctor's gown has velvet panels down the front and three velvet bars on the regular sleeves. The master's gown has no velvet, but does have unusually long sleeves. The bachelor's gown is similar to the master's gown but has regular long sleeves which tend to be pointed.

Some gowns may be in the color of the department granting the degree, such as "Education Blue." Others may be "Yale Blue" or "Harvard Crimson" for the graduates of these universities.

## THE MACE

The mace is an ancient symbol of authority which is carried by the marshal ahead of the academic procession. The mace for Prairie View A&M University is four feet long and contains four bronze figures atop a Honduras mahogany base which tapers to fit into its stand. The four figures are symbolic of the four undergraduate academic years. Within the hollow area beneath the figures, and shared equally, is a flame which denotes knowledge and excellence. The base which serves as a grip and is carried by a faculty member, symbolizes the entire faculty; the stand which supports the mace characterizes the administration. The visual impact of the mace as a whole is "torch-like." The eight tassels represent the academic organization of the University.

## THE MEDALLION

The President's Medallion, the official symbol of the Office of the President at Prairie View A&M University, was created especially to commemorate the lineage of the Presidency by the late Mr. Frank Hayden, nationally famous sculptor and Professor of Fine Arts at Southern University, Baton Rouge, Louisiana. The first medallion was presented to Dr. Percy A. Pierre, fourth president of Prairie View A&M University, on March 21, 1985.

The medallion is designed to be worn with academic regalia at all official University programs. Abstract figures, representing the academic disciplines in an attitude of celebration, encircle the outer rim. The inner circle symbolizes the pursuit of excellence throughout four years of teaching and learning. The weave of the chain is the facsimile of that used by the ancient Greeks.

A replica will be presented to each subsequent President during his inauguration. The medallion will ultimately reflect the history of the presidency, revealing names and dates of inauguration.

## RUFUS P. CORMIER

Rufus P. Cormier, a native of Beaumont, Texas, attended Southern Methodist University as one of the three members of the second class of African-American scholarship athletes to play football in the Southwest Conference. At SMU, he was co-captain of the varsity football team, named outstanding defensive player in the 1968 Bluebonnet Bowl and named to the second consensus All-Southwest Conference team.

After graduating from SMU with honors and receiving the Avella Winn Hay Award as outstanding senior man in 1970, Attorney Cormier attended Yale Law School, graduating in 1973. He then served as Special Assistant to John Doar, Counsel to the House Judiciary Committee for the Nixon Impeachment Inquiry, before becoming a corporate and finance lawyer at Baker Botts L.L.P. where he became the first African-American partner in a major Houston law firm in 1981.

In addition to his legal practice, Mr. Cormier shares his time, talent, and financial resources with a broad variety of civic, philanthropic and educational organizations. He serves or has served previously in such roles as Chairman, Board of Regents, Texas Southern University; member, Executive Committee, Center for Houston's Future; member, the Executive Committee of the Board of Visitors of the M.D. Anderson Cancer Center; member, Board of Trustees of St. John's School; member, Board of Trustees, Texas Equal Access to Justice Foundation; member, the State Bar of Texas, Grievance Oversight Committee; member, the Executive Board, Southern Methodist University's School of Law; and member, the Executive Committee, Yale Law School Association as well as the Yale University Council Committee on Yale Law School. Mr. Cormier's civic commitments also include membership on the Houston-Harris County Sports Facility Public Advisory Committee, service as Vice Chairman of both the Board of Directors of the Houston Bar Foundation and the American Red Cross (Greater Houston Chapter). Keenly aware of the opportunities a progressive city presents to all citizens, Mr. Cormier found time to serve as a commissioner of the Houston City Planning Commission, a member of the Boards of Directors of the Memorial Herman Healthcare System, the Center for American and International Law, the Greater Houston Convention and Visitors' Bureau, the Texas Business Hall of Fame Foundation, the Gulf Coast Legal Foundation, and the United Way for the Texas Gulf Coast.

Mr. Cormier has received numerous honors and awards including but not limited to selection by the Texas Jaycees as one of Five Outstanding Young Texans, by the Community Partners as a Father of the Year Honoree, by the National Conference for Community and Justice as a recipient of its Humanitarian Award by the Anti-Defamation League as recipient of its Karen H. Susman Jurisprudence Award, by *Texas Monthly* and *Law and Politics Magazine* as a Texas Super Lawyer, and one of the listed Best Lawyers in America.

Mr. Cormier and his wife, Yvonne Clement Cormier, M.D., Ph.D., have three children, Michelle, Geoffrey, and Claire.
