PRAIRIE VIEW A&M

Prairie View A. and M. University is a senior, state-supported university offering the bachelor's and master's degrees. The institution is organized for instruction into seven major colleges as follows:

- The College of Agriculture
- The College of Arts and Sciences
- The College of Engineering
- The College of Home Economics
- The College of Industrial Education and
Technology
- The College of Nursing
- The Graduate School

DR. ALVIN I. THOMAS
President

PROJECT: *SUCCESS*

Operation Success is based on the philosophy that each student admitted to Prairie View A&M University has the potential to succeed.

The complete education and experiences of the student at Prairie View A&M University are designed and implemented to help them keep the status to which they were born, namely: **THEY WERE BORN TO WIN!!! THEY WERE BORN TO SUCCEED!!!**

The University recognizes that many students, who are admitted, may have academic, social, cultural, vocational, economic, or personal handicaps.

There are no students admitted, however, with handicaps which cannot be corrected so that the student can achieve success. The students do have the potential to succeed.

Operation Success is based upon the philosophy that the University will organize its human and material resources into such systems that will maximize the academic, personal-social, cultural, and career awareness and vocational attainment of each student enrolled.

Operation Success is also based upon the philosophy that it is important for the student to enroll at the University, but *it is even more important that he or she graduates from the University with a variety of new experiences and high level achievements.*

TONIGHT'S GAME

Prairie View and Bishop meet tonight on the football gridiron for the 39th consecutive year. The Panthers of PV hold the edge in games won with 27-10, but Bishop Tigers keep plugging away at this lead. They won the 1974 contest here last year by a score of 21-24.

Both teams have had problems over the past season and until Bishop's upset victory over Texas Southern last week, both were suffering poor seasons in 1975. The Panthers are looking for their first victory of the season. They will be especially hungry for victory over the traditional rivals in Dallas.

Look for a tough, hard-fought battle in the old PV-Bishop tradition.

Chevette.

Chevrolet

Chevrolet's new kind of American car.

- Chevette is international in concept, design and heritage. It incorporates many engineering features proved around the world.
- Its wheelbase is 94.3 inches. And overall length is 158.7 inches.
- Its turning circle, compared with that of any foreign or domestic car, is among the smallest.
- It gives you more head room and front leg room than some leading foreign cars.
- It can carry cargo up to four feet wide.
- It's basically a metric car. And, as you know, the metric system is on its way to becoming the standard American measurement.
- It has a standard 1.4-litre engine, with a 1.6-litre engine available (except on the Scooter).
- It comes with a self-service booklet.
- It's a two-door hatchback, with seating for four in the standard Chevette, Rally, Sport and Woody versions. A two-passenger version, the Scooter, is also available.
- It is sold and serviced by every Chevrolet dealer in America —all 6,030 of them.

BISHOP COLLEGE

COLLEGE FACTS —

Established in Marshall, Texas, in 1881, and moved to Dallas in 1961, Bishop College is a four-year, fully accredited Liberal Arts College, Baptist Affiliated, co-educational, inter-racial, non-sectarian, and fully recognized as a non-profit corporation.

The campus consists of a physical plant of 25 buildings on 387 acres of land located at 3837 Simpson-Stuart Road — total value of well over \$15 million.

Faculty at Bishop numbers 100 of which over 40% have earned doctorate degrees in their respective fields.

A well developed curriculum, offering degrees in Bachelor of Arts and Bachelor of Sciences; Teacher Education; Business Administration and Religion.

The College's purpose is to create a humanitarian and religious base to the aspiring search of youth, men and women for the fulfillment of their potential through education — with particular emphasis upon continuing a historical obligation to Black youth, and an assistance to all minority groups — that they might be equipped for, adapted to, accepted within, and appreciated by our pluralistic society so that their gifts, skills and talents may be creatively employed and their maximum potentials realized.

MISS BISHOP

Avalyn Williams is a native of Marshall, Texas, and the daughter of Mr. and Mrs. Aery Williams.

She is an 18 year old junior, majoring in Molecular Biology. For the past two years she has been actively involved in several social and academic affairs. She has served as vice president of the CSSP class, secretary of the Student Senate, solo performer for the Bishop College Dance Troupe, and cheerleader. She is also a member of the Tuxedo Society and the Biomedical Society.

She was honored with the title of "Miss Bishop" last spring and will serve in this capacity for the 1975-76 school year. While representing the college as "Miss Bishop," Avalyn's major interest is scientifically oriented, and plans to obtain a doctorate in the field of "Bio Molecular Logic".

Avalyn enjoys spending her spare time dancing, listening to jazz, classical and modern music. Through dancing she recreates by expressing her inner feelings outwardly because it provides an outlet to reveal emotions.

As an outstanding student, Avalyn has had the honor of being a member of the "Dean's List" and was voted the most outstanding Biology student.

In 1959 she had the honor of being "Little Miss Bishop" at that year's annual homecoming ceremonies.

SOUTHWESTERN CONFERENCE (SWAC) BRIEF HISTORY

The Southwestern Athletic Conference had its beginning as an alliance of small Texas schools in the early twenties. By mutual agreement, representatives from Jarvis, Texas College, Bishop, Prairie View and Paul Quinn met for preliminary consideration of a series of recommendations in 1921. They later acted upon the recommendations, resulting in the formal organization of the SWAC.

The function of the conference, as stated at the time, was to legislate the management and control of all intercollegiate athletics of the schools represented. With the exception of Prairie View charter membership was composed exclusively of church affiliated schools.

Later, Langston (Okla), Arkansas AM&N and Southern University were added by election. They were followed by Grambling, Alcorn A&M and Jackson State in the late fifties.

Wiley College, Marshall, Texas, the only church affiliated school holding membership in the league, dropped out in mid-summer of 1969 and was replaced by Mississippi Valley State, Itta Bena.

Today, the SWAC ranks as one of the nation's strongest small-college leagues. Conference teams have won national championships in basketball, baseball and track. The SWAC also ranks as one of the most prolific producers of professional football players, with Grambling placing next to Notre Dame in the number of active players.

Prairie View is the only charter member left in the conference.
