At the session held in the College auditorium and under the presidency of the President, a regular meeting of the students of Prairie View was held. The principal of the college is Dr. M. R. Banks, and he was on hand to conduct the business of the meeting. The principal outlined the work of the college and the progress of the students. The principal also made a speech on the importance of education and the need for continued study.

The Princpal: After a few words of welcome to the assembled students, the principal proceeded to give an account of the work of the college and the progress of the students. He mentioned the good work being done by the students and the efforts being made to improve the facilities of the college. The principal also spoke of the importance of education and the need for continued study. He urged the students to make the most of the opportunities offered by the college and to work hard to achieve their goals.

An interesting feature of the meeting was the presence of Mr. W. S. Hunter, a former student of the college. Mr. Hunter was presented with a citation in recognition of his efforts to improve the facilities of the college and to promote the welfare of the students. The principal also presented Mr. Hunter with a copy of the college catalog and a list of the available courses.

The meeting was adjourned at 3:00 p.m. after a few words of closing remarks by the principal.

The President: The president made a few closing remarks and expressed his appreciation to the assembled students for their cooperation and support.

The meeting was then adjourned.
