Dear Dr. Yancy:

The superintendents and board members of East Texas have called a meeting in Crockett, Texas for 7:00 p.m., November 16, 1966. The purpose of this meeting is to discuss problems caused by all desegregation. Most of us at this point do not know whether we will bring our all Negro schools into the league, try to keep an all Negro league, or discontinue Negro high school altogether.

We would appreciate your coming to Crockett and being on the program to discuss the future of the Prairie View League. Most of our information so far has been rumor and "they say". We would like to know where we stand in planning for the future.

Our meeting place will be the Crockett Elementary School on 10th Street, Crockett, Texas. We are looking forward to hearing from you as soon as possible on this matter.

Sincerely,

Mance E. Park

Dear Sir:

Please be advised that, after this school year, we will no longer participate in the Prairie View Interscholastic League. Our membership to the University Interscholastic League has been accepted, and, in keeping with the many changes and issues involved, we will participate in this League.

We commend you and the other officials for the professional manner you have conducted the League and its affairs. Despite some of the hardships encountered by the members due to inconveniences in travel, lodging, et cetera, all of which was no fault of the League or the members, the friendship and spirit of rivalry have been splendid and wholesome. Our withdrawal from the Prairie View League brings mixed emotions. However, the experiences we have had through the years will be invaluable to us as we go into the University League.

Thank you personally for the role you played in the overall operations of the League. May you have continued success.

Sorry to read of your rest in the hospital, glad it was for no longer than three weeks. Don't be hard headed and by all means do what the doctor and Mrs. Dix says, they know best.

Fortunately my health seem to be still improving. I do have to watch myself. It is so easy to over do.

Mr. Harold H. Loewe, Principal

Weimar, Texas 78962

Dear Mr. Loewe:

I have your letter of recent date relative to the schools left in your district. We are grateful to you for the information that there are three schools, Bastrop, Elgin and Weimar left in your area.

Since we have received no registration fees for Bastrop nor Weimar, we cannot put you into a district. Upon receipt of registration fees, we shall make some effort to provide league activities to all schools that would like to participate.

We will not consider 3-Teams to operate as a district, but will combine the three with another district and permit them to have a play-off for the district winner.

At present, Mr. Johnson is the most logical person to call a meeting for he is a member of the League. If you cannot get him, then try Mr. Jackson at Bastrop. We shall be pleased to work with you provided we can get the membership.

Please feel free to call on us if we can assist you further.

Dear Mr. Yancy:

I have fairly reliable information that Columbus, Burton, Waelder, and Yoakum do not have a School "Colored" anymore.

So that leaves only Bastrop, Elgin, and Weimar. Mr. Johnson of Elgin, does not seem to care to call a district meeting for the purpose of setting up a schedule.

What is your suggestions? Will you allow -3 teams for our district or will you consolidate a couple of districts.
