Dear Sir:

Please inform me of which resolve is being used in the Interscholastic League debate for the year of 1967. The following resolves are listed:

- ✓ 1. That the foreign aid program of the United States should be limited to non-military assistance.
2. That the foreign aid program of the United States should be limited to non-totalitarian countries.
3. That the foreign aid program of the United States should be administered through the United States or United Nations.

Your cooperation is appreciated.

Dear Mr. Yancy:

I have done the things that I promised you that I would do when I talked with you on the phone November 14, 1966. I talked to the school officials of both schools, Dickerson and China, and they promised to send the fees in this week. All three schools are expecting to continue to participate in the league program. If there is a question of the number of schools, Woodson never played football and the decision by Anahuac to integrate was too late to reorganize the district.

I am thanking you for your cooperation and understanding of problems during these changing times. Your interest in the boys and girls involved will always be appreciated.

Yours truly

Dear Mr. Yancey:

I have been asked by the principals of District 6AA to make this explanation to you pertaining to our situation.

In the end we had a three way tie between Jasper, Crockett and San Augustine. This is what I was asked to ask you. Since it was a three way tie would it be possible to award three ~~exp~~ trophies from the State. Or is there a possibility that you could provide us with two and allow the district to buy one exactly like the ones that you give. Or could we buy two from you that would be exactly like the ones that you give, If this is possible how much would the trophies cost.

I shall be pleased to have you answer as soon as possible.

Yours truly,

Mr. W. E. Pigford, Principal
L. C. Anderson High School
900 Thompson Street
Austin, Texas 78702

Dear Mr. Pigford:

Thank you kindly for your letter informing us that this would be your last year with the Prairie View Interscholastic League. May I assure you that the contact with you and the Anderson' High School has definitely enriched me personally and certainly meant much to the State of Texas in terms of operating an Interscholastic League. It is our sincere wish that you may have continued success and maintain the high standards that you and your school demonstrated in the Prairie View League. "We must move with the times."

Mr. Pigford, we have a copy of your receipt. Thanks for it. Your fee came in July before I reported to work after a spell of illness. In the meantime, a new Secretary came in as of September 1, and your receipt number was not recorded on the district assignment sheet the new secretary was using to check fees. Thanks again for the copy and our secretary here has found in the old receipt book the triplicate copy of your receipt, now this matter is clear.

Best wishes for your continued success, I am

Sincerely yours,
