Mr. R. W. Ratcliff, Principal
Dunbar High School
Livingston, Texas

Dear Mr. Ratcliff:

I have your letter of November 17, 1966 relative to the three way tie in your football district. We appreciate the manner in which you went about selecting the representative.

I regret that we cannot make the awards to the other schools, but I shall be pleased to purchase two additional trophies for you or the schools rather than trying to buy them direct. If you would like for me to place the order, the price per trophy will be twenty dollars (\$20.00) each complete.

If your District would like for me to place the order, I shall be pleased to do so.

Sincerely yours,

C. D. Yancy

Dear Sir:

Our school has integrated with the white school here and all of our athletes are playing with the whites. Since we are with the whites, naturally, we are in their league. Our league would like to know the playing status of Marvin Rice that is, how much participation, age, resident of what district, when he played last year.

It is stated that he participated with
Dunbar H. S. Texarkana, Tex. Any
information relative to this young
man's scholastic participation will
be appreciated by our league.

Yours very truly,

Dear Sir:

At the beginning of the basketball season we requested to become an active member of our assigned district; District XVII. We sent a copy of the letter to you. At the present time we still have not received replies from the district members. We offered to play all games in their home gymnasiums if they so desired. We were not notified of a district meeting.

Inclosed you will please find a check for our registration fee and a list of our basketball players.

We will now await a decision from you and your official staff, as to what course of action will be taken to enable us to participate in district and state basketball play.

We will respond to any decision made. There will not be any place too far for us to travel . .

Dear Mr. Yancy;

We will be glad to handle your contest materials as in the past. Will you please have the various contest directors contact this office as soon as possible giving us some indication of their needs and the classification of schools participating in their individual contests ?

For your State Concert-Sight Reading Contest in March, I will send you the names of the judges as soon as they have been selected. I am attempting to find the finest men possible who have had extensive experience in the adjudication field. I am sorry to tell you, however, that I will be unable to attend the entire contest, as I have a prior commitment in Tyler on that date, but I will supervise and appoint someone to act for me as in the past.

If you have need for any further help, please do not hesitate contacting this office.

Dear Sir:

I am writing this letter in regards to the eligibility of students, enabling them to participate in sports each year. In checking our students ages according to their birth certificates, we found a change of name for one of them, which could lead to some confusion on your part.

In the past, this student has gone under the name of Melvin Burns, however, his true name according to record is Melvin West.

If in checking the individual records of our students you find this error, please consider it as an adopted name by the student, or parent and not one of the school's.

Thank you.

Respectively yours,
