We received from your College some of the information for the Interscholastic League. However, we did not receive ample information on the Science Program that's being introduced this year. Dear Sir:

This is to notify you , in writing, that at the last meeting of District 8 A, February 6, 1967, in New Waverly, Texas, no vote was taken for the certification of district champions in basketball.

The District Executive Committee did not meet in closed session, but rather the dispute in question was discussed by all coaches and principals present. A motion was made twice , once by Mr. Bradford of Coldsprings and once by Mr. Powell of Coldsprings, that Coldsprings be declared district champions, but both motions died for the want of a second.

The secretary of the meeting was a Miss Nelson, teacher at Coldsprings, who acted in the absence of the elected secretary.

It is my desire that this will help in some way in the rendering of a decision of this matter.

Respectfully,

Dear Mr. Benjamin:

I have your letter of February 7, 1967 relative to the action taken by the District VIII-A Executive Committee February 6, 1967.

According to the minutes presented to our office, a motion was made by Mr. Turner of New Waverly and seconded by Mr. Powell of Cold Springs that Cold Springs represent District VIII-A at the State Meet since Vernon Williams was not eligible according to documents, etc.

The Committee agreed to sustain the certification made by the District according to Rule VI, under Basketball Plan--Duties of District Executive Committee--It shall be the duty of the District Executive Committee: page 88, League Rules and Regulations.

This is an unfortunate situation; may I ask that you profit from the error of not notifying the State Office and District Director when you found an error in the birth date of Vernon Williams.
