HOMEcomings QUEENS: Mrs. Erma Woodard '56 and Ms. Althea Tate '76

TODAY'S GAME:

It's *homecoming* for the Panthers, though the game has been moved off the Prairie View campus into Houston. Two of the league's top newcomers in Prairie View's JERRY RAND and Mississippi Valley's LEWIS WATSON will be romping all over the field. Both have figured in four different categories, rushing, receiving, punt returns and kick-off returns. Rand leads the league in kickoff returns and is No. 3 in all purpose running. Watson is seventh in punt returns, eighth in kickoff

returns and has 68 yards rushing and 104 receiving. Both teams have used a full stable of quarterbacks, Valley because of injuries has used DWAYNE HARRIS, JAMES SALMON and MAURICE JOHNSON while Prairie View, trying to find some consistency in its offense has used DARRELL "POP" JACKSON, MAURICE MITCHELL, MICHAEL MITCHELL, WILBERT MEYERS and freshman DARRYL TERRAL.

OPERATION SUCCESS

Operation Success is based on the philosophy that each student admitted to Prairie View A&M University has the potential to succeed.

The complete education and experiences of the student at Prairie View A&M University are designed and implemented to help them keep the status to which they were born, namely: **THEY WERE BORN TO WIN!!! THEY WERE BORN TO SUCCEED!!!**

The University recognizes that many students, who are admitted, may have academic, social, cultural, vocational, economic or personal handicaps.

There are no students admitted, however, with handicaps which cannot be corrected so that the student can achieve success. The students do have the potential to succeed.

Operation Success is based upon the philosophy that the University will organize its human and material resources into such systems that will maximize the academic, personal-social, cultural and career awareness and vocational attainment of each student enrolled.

Operation Success is also based upon the philosophy that it is important for the student to enroll at the University, but *it is even more important that he or she graduates from the University with a variety of new experiences and high level achievements.*

It's All in a Name

Ever wonder which nickname is the most popular in college football? Of course you have. The winner—by a wide margin—is Tigers. There are 27 NCAA football teams with that nickname—ranging from Auburn to Wittenberg.

You probably guessed that one, but can you name No. 2? It's the Bears, 17-16 over the Bulldogs. Then come the Eagles (13), Wildcats (11) and Indians (9).

Twenty-one other nicknames are listed by at least five teams—the Cardinals, Rams and Panthers eight each; Huskies, Pioneers, Raiders and Vikings seven each; Aggies, Bisons, Bobcats, Devils, Lions, Scots and Yellow Jackets six each; and Broncos, Colonels, Crusaders, Dutchmen, Knights, Spartans and Warriors five each.

The funniest or most unusual? That's strictly in the eye of the beholder—if you're a fan of that team it probably isn't either funny or unusual to you. You can do the picking in this category—and answer the irate fan letters.

If you're looking to tune up your voice

and diction, though, the P's provide precise practice — Pacers-Paladins-Peacocks-Penguins-Pioneers-Pipers-Pirates - Plainsmen - Poets - Presidents-Prof-Pumas-Purple Aces. Try those at high speed.

How many different nicknames are there among the country's 487 NCAA football teams? That's a good question, and there's no perfect answer. By our system, probably not a bit better than yours, there are 223, counting as one each those with slight variations (Hurricane singular and plural, Wolfpack one word and two and Bison-Bisons). So many different nicknames start with "Fighting," "Golden" and various other colors that we decided to list them under the second part of the name, as in Bears (Golden), Irish (Fighting), Tigers (Blue), Devils (Red), Eagles (Bald) and so on.

But it would never do to list the Ragin' Cajuns of Southwestern Louisiana as the "Cajuns (Ragin')," and the one and only Battling Bishops of Ohio Wesleyan as the "Bishops (Battling)"—would it? Of course not. And in case you're wondering why the Sun Devils of Arizona State aren't listed with the various other Devils, well, the Sun Devils are just too hot (102 in the shade is a cool day there).

ALCORN STATE UNIVERSITY (Lorman, Miss.)

HEAD COACH: Marino Casem (18th season 106-51-8 at Alcorn, 108-60-8 overall).

Coach Marino Casem has the task of rebuilding the Brave defense. It's tough with the likes of All American end Wilmarth Jackson, All Conference safety Leslie Frazier and linebacker Dennis Campbell missing. Six starters return on that side giving Casem a good building block for starters with defensive back Mark Harper the leader of the bunch. "Offensively, we've got to settle down our passing game and establish our pass as a genuine threat," Casem said. With that in mind Brave recruiters labled the quarterback position the top priority with defensive backs and linemen coming next. And thus, rookie players may play a big part in the Brave success this season. Quarterback then is listed by Casem as his major weakness as well as defensive backs and the line. "Pure passing" is lacking among the returnees and may indeed be the biggest problem. A major strength listed is the superb corps of sparkling running backs. Gregory Jones gained 1,000 yards as a sophomore and was named Sheridan Black Network All American and All Conference. He is tabbed the most sensational running back since Jack "The Ripper" Spinks, now an assistant at Alcorn. When Jones is not carrying the ball, ample yardage still can be generated by either Darnell Toy (252 yards on 76 carries and five touchdowns) or Ray Vaughn (152 yards on 29 carries and one touchdown). Depth among the receivers is also an asset as in the kicking game.

GRAMBLING STATE UNIVERSITY (Grambling, LA)

HEAD COACH: Eddie Robinson (40th season, 291-92-12).

Grambling experiences another of its usual outstanding seasons in 1980, winning 10 of 11 regular season games, sharing a part of the SWAC crown, participating in the NCAA 1-AA playoffs and winning the Black National Championship. The upcoming season is expected to be just as productive even though Grambling lost 23 lettermen and has but 10 returning starters. Thomas Ezell is expected to step in at quarterback and take over where Mike Williams left off. He'll have two outstanding receivers in Truaine Johnson (41 catches for 918 yards and 13 touchdowns) and Jerry Gordon (42 catches for 748 yards and 11 scores). The defense will have two of the nation's biggest in 6-11, 325-pounder James Polk along with 6-8 Robert Smith. The secondary is in a rebuilding phase but Mike Haynes is a steady player and has all the tools to be great. Earnest Walker is expected to fill Robert Parham's shoes with challenges from senior Jerry Elzy and rookie Boykins Hunter. The tailbacks are strong with senior Kenneth Jackson (362 yards) and James Robinson (4.3 speed). McKary Jackson is a firm anchor at center and his backups are just as solid, both weighing in at 256 — junior Jessie Bankhead and sophomore Robert Jackson.

JACKSON STATE UNIVERSITY (Jackson, Miss.)

HEAD COACH: W. C. Gordon, (5th year, 35-12).

The upcoming season looks super promising for Jackson State with only six starters gone from a co-championship team. Offensively the Tigers return the entire starting backfield with quarterback Keith Taylor, fullback Alvin Flowers and running backs Larry Cowan and Otis Brown. Those two finished the season fifth and sixth in the conference with Flowers seventh and Taylor ninth in rushing. Cowan had 502 yards in nine games while Brown had 522 in 11. Taylor also passed for 707 yards. Anchoring the offensive line will be Mike Fields and Carl Roberts, both outstanding All Star candidates. Fields has been a starter the past two seasons after seeing spot duty his freshman year. Roberts has quickness. Robert Johnson, a sensational sophomore, and Derek McClannahan head up a strong corps of defensive backs.

MISSISSIPPI VALLEY STATE UNIVERSITY (Itta Bena, Miss.)

HEAD COACH: Archie Cooley (2nd year, 5-5).

Coach Archie Cooley is faced with a year of rebuilding. Cooley will begin his second year with only 18 veterans. Of this number 12 are starters. Replacements will have to be found for quarterback Lloyd Farmer, wide receiver Billy Brown, All Conference receiver Wally Wright and running backs Robert Powell and Steve Jackson. "We're going to be a very young team at the skill positions," said Cooley. Maurice Johnson, the leading candidate for the quarterback spot, will have to battle freshman Dwayne Harris. Defensively, the teams strength is in the defensive line. Despite the return of seven starters Cooley will have to fashion a new secondary. Shifts are evident and with All Conference punter Otis Culliver and place kicker Stanley Jones and Reginald Hawthorne returning, things will not be a rose garden but won't be too thorny either. The big problem on defense will be finding replacements for defensive backs Larry Harmon and Hubert Owens and linebacker Dexter Hood. Although the Delta Devils are quite young this year, Cooley is optimistic about matching last year's record and possibly finishing higher in the conference.

PRAIRIE VIEW A&M UNIVERSITY (Prairie View, TX)

HEAD COACH: Cornelius Cooper (2nd year, 2-8).

The Panthers will be young but experienced and should improve with each game, says coach Cornelius Cooper. "We started improving and building up momentum in the middle of last season and it continued with each game and even through spring practice. We'll be working on improving with each game we play this year, too," Cooper said. Cooper will have 25 lettermen, including 17 starters to open his second season at the helm. Included in that are nine starters on offense and eight on defense. The bright spot is the secondary where starters Willie Thomas, James Hayes and John White return. They'll be bolstered by senior Robert Alexander, who missed last year with grade problems and sophomore Gerald Barnett, who missed last season with a knee injury. Both were starters two years ago. Another bright spot is the receiving corps headed by Tommie Dunson, the teams leading receiver for the past two seasons and a second team All Conference choice two years ago. An added plus is the return of Tracy Jones, who led the team in receptions three years ago, then missed the last two seasons because of a knee injury. "He hasn't lost anything — speed, ability to get open, agility, quickness or good hands," Cooper said.

SOUTHERN UNIVERSITY (Baton Rouge, LA)

HEAD COACH: Otis Washington (1st year).

First year coach Otis Washington seems to be stealing a page out of the coaching philosophy book of the late Vince Lombardi. Washington, like Lombardi vows that "the objective of the game is to win — fairly, squarely, decently, by the rules — but to win." And with that Washington, after a super successful high school career at St. Augustine High (113-17-1) and one year as an assistant at LSU, jumps into one of the best football conferences in the country. "The SWAC is one of the top conferences in the country as evidenced by the number of players from SWAC in the NFL and I feel that coming into the conference, we will be involved with and pitted against some of the best coach minds in the country," he said. Johnny Hankerson is the top running back candidate and senior Jonathon Rochon is another who looked good in spring training. Washington labels center as one of the Jaguars critical positions. Back-up center Anthony Wilson returns but there is little depth after Wilson. Jerrell Franklin is the top line returnee and Washington feels Franklin should repeat as All Conference this time around. Al Harris is the big player on defense along with Jeff Lendo while Tyrone Jones, at linebacker, caught Washington's eye during spring drill.

TEXAS SOUTHERN UNIVERSITY (Houston, TX)

HEAD COACH: Joe Redmond (1st year at TSU, spent past two seasons at Central State in Wilberforce, OH).

A new era begins in Texas Southern University football when Joseph Redmond marches the Tigers onto the playing field in September. When Redmond, who spent the last two seasons at Central State University in Wilberforce, Ohio, started spring practice with the Tigers he told the aspirants: "We are looking for the best 22 players we can find to play — there will be a rebirth of the Tigers in 1981!" His major problem will be on offense — the selection of a Number 1 quarterback. He has three who played quite a bit last season in Jackie Hicks, Lance Courville and Anthony Johnson but at the end of spring practice Hicks had caught Redmond's eye. The Tigers have an outstanding crop of receivers in Carl Williams, Arthur Cox and Roosevelt Weeks. The biggest loss on offense was fullback Robert Thomas. Defensively it's a complete overhaul needed with only three returning starters, but old faces may be playing in new places and new faces may be playing where old faces were last year, says Redmond — "that will be the best 22 football players we have. They will be on the field somewhere!"

About the Southwestern Athletic Conference

Dr. E. B. Evans, J. E. Stamps and Aaron Day were Prairie View representatives on a Sunday morning in September of 1920 at the Old Oriental Hotel on San Felipe Street in Houston at the start of the Southwestern Athletic Conference. Other colleges present were Bishop, Wiley, Samuel Houston and Paul Quinn. Before the meeting was adjourned the Southwestern Athletic Conference was brought into existence.

The purpose at that time was to coordinate the Inter-collegiate Athletic Activities of the five colleges. Football and baseball were the only sports involved at that time.

In 1922 Texas College joined the conference and basketball was recognized as an official sport.

The conference was a success from the very beginning because coaches, administrative officers and students worked together unselfishly and gave freely of their time and talent in order that it would grow and prosper, reported Dr. Evans.

As time moved on track, tennis and golf were added as conference sports giving the league a well-rounded program.

Langston, Southern and Arkansas AM&N (now Arkansas-Pine Bluff) joined the league in the 1930s.

Bishop, Samuel Houston and Paul Quinn dropped out for economic reasons and were replaced by Texas Southern in 1956, Jackson State in 1958 and Grambling in 1959. Langston dropped out of the conference to join the Oklahoma Collegiate Conference in 1957.

Texas College discontinued football after the 1960 season and was replaced by Alcorn A&M. Wiley dropped out of the conference in 1967 and Mississippi Valley was the replacement. Arkansas-Pine Bluff dropped out in 1970 leaving the league as it now stands with seven members.

The Southwestern Athletic Conference ranks as one of the top conferences in the nation with national championships won by member schools in baseball, basketball, indoor track and field, outdoor track and field, and football. There have been a number of professional players produced by member schools in football, basketball and baseball.
