Dear Mr. Yancey:

At the State Meet on Saturday, Vicki Howard of Pemberton High School won in the piano solo contest but did not receive a medal. Please, if any way possible, send the medal as she is very disappointed. Incidentally, the winners last year from PHS never did receive their promised medals. Perhaps these too could be sent at this time.

We do wish to congratulate you on a well-conducted 1967 State Meet.

Thank you for your letter of April 26, 1967 relative to the fact that you did not receive your Event Award. This I regret very much.

I have your letter of May 1, 1967 relative to the Medal won by Vicki Howard of Pemberton High School in the Piano Solo Contest but the Medal was not available.

May I assure you that we shall place an order for the Medal won by Vicki immediately. Just as soon as it arrives, we shall send it to the Principal. We have every reason to believe that she will receive it before school closes.

I regret the fact that you did not receive the promised Medals last year. If you will remember at that time I was ill and Mr. Thomas was acting Director. In checking the winners for last year, I see where Pemberton won several Medals. Would you mind letting me know just what Medal you did not receive last year? It may be that I can help you.

In my letter of April 26, 1967 relative to the fact that I did not receive awards for the years 64-65, and 66-67.

If my letter is read again I think it stated that the awards I am speaking of are regional awards and not State awards. I agree with you I have all of the State awards that are due this School, but the regional have not given the awards for those two years, and the money that was asked by each school to pay was paid but no awards was given.

This Matter was taken up with the regional Chairman and we as band directors got no results, and this is why I am writing you. As league Director I think you should know of this matter.

As I stated in my last letter anything you or your office can do about the above matter will be appreciated by the director's and some of the principals in this region (regional 1).

Dear Mr. Ross:

I have your letter of May 5, 1967 relative to my misinterpretation of your letter dated April 26, 1967.

It is good to know that I was incorrect and that all medals and honors due your school from the State Office have been received.

We regret and are deeply concerned about the information given as to the unbusiness like manner your district has been operating. In the first place, it is the duty of the members of the Regional Committee which consists of the Principals of the Region to see to it that all funds and activities are conducted on a business and professional basis.

Then if something gets out of line with League Rules and Regulations, report it to the State Director who has a State Committee to assist in enforcing all rules and regulations.

If you could get a report of the neglected awards and statements or a report from the Principals or schools involved and send this information signed by the Principals, then I would have something definite to present to our State Committee.

I must say, however, that this problem should have been presented to our office before now.

May I assure you that I shall be glad to call a meeting and present any information sent to us under the signatures of the majority of the schools involved.

In keeping with a letter I received on May 19, 1967 from Mr. E. H. Cummings, this is to advise that I would like single room reservation. It is with much regret that Mrs. Yancy cannot be in attendance with me at your Placement Association Conference on Ambler Campus of Temple University, from Sunday, June 11, 1967 until afternoon on Wednesday, June 14, 1967.

This will be my first experience to meet with the Middle Atlantic Association. I am looking forward to this rich experience with great anticipation.

Sincerely yours,

Dear Madam:

I am returning the shoes as the size 8AA is a bit too narrow and long. My wife like the shoe but it does not fit.

If you will, please get the size 7½ B and send them to my address above.

Respectfully yours,

Mrs. Geneva Martin Prevost  
516 West 15th Street  
Port Arthur, Texas 77640

Dear Mrs. Prevost:

Your letter of May 27, 1967 addressed to Dr. J. L. Brown has been referred to me for immediate attention.

Upon checking our files here at the Placement Office, we do not find a folder for you. The application and transcript you sent to Dr. Brown will become a part of your folder.

We are enclosing two forms for you to send as instructed. One to the Supervisor of student teaching or your employer and ask that they execute this form and send it to The Director of Placement. The other form which is a Confidential Rating to be executed by an instructor in either your major or minor field who knows you as an individual, ask that this form be sent directly to my office also.

It would be wise if you would ask that they return these forms as early as possible.

Upon receipt of your rating forms, we shall be pleased to send them to Mr. E. G. Toland in Los Angeles, California.

If we can assist you further, please feel free to call on us.

Sincerely yours,

C. D. Yancy, Director
