Dear Mr. Yancey:

We want you to be our guest for a get-acquainted (or reacquainted) fishing trip to Freeport either Friday or Saturday, August 4-5, or Friday and Saturday, August 25-26. These dates have been reserved and we hope you can make a convenient choice.

We hope to enhance your educational endeavors by relaxing with rod-in-hand. With the fellowship and "possible" fish, you will gain momentum for tackling your fall program with greater vigor.

Please "drop a line" ("yes" with date choice) and we'll "reserve" some fishing for you. I'll send more details when I hear from you.

We would look for you to arrive at your convenience on Friday, have an informal plant visit and dinner, and then fish Saturday with departure any time after 2:00 p.m. Travel cost will, of course, be on Dow.

Cordially,

I received a bill stating that I owe a balance of sixteen dollars and ninety cents (\$16.90) for Disney Lib #67. We have no record of placing an order with your company for this item. Neither do I have any reason to use such an item in our line of work.

Will you please give me the details of this order; when was it placed and signed by whom?

I shall be pleased to work with you in clearing this matter, for in College Placement nor Interscholastic League would we have an occasion to use the item Disney Lib #67.

Placement Director
Prairie View A&M College
Prairie View, Texas 77445

Dear Mr. Yancy:

We are pleased to inform you that the recruiting year ending in June of this year has been most successful for the IBM Company. This result has largely been due to the support we have had from you and other placement officers throughout the country.

In order to further develop our recruiting effectiveness in the future, we have decided to further revise our procedures to include your school in our regular recruiting program. As you may know, we have four Corporate Recruiting Offices located in Atlanta, New York, Chicago and Los Angeles, and also over two hundred branch offices throughout the country. We feel at this time that due to their proximity to your school and other schools, a more effective job of recruiting can be done. This arrangement will allow us to realize a long-standing desire to treat all schools in a comparable manner.

This new change was announced on Friday, July 14, 1967 and is now in effect. You may expect to hear from our offices in the very near future in order that we may mutually develop plans for relations and recruiting activity on your campus during the coming year.

Again, we thank you very much for your help in the past and look forward to continuing the improvement of our relations with Prairie View A&M College.

Sincerely yours,

Dear Mrs. Caldwell:

I regret that I gave you the impression that I could just give you a job for the asking. At the time I saw you, I was getting ready to go to New York City which was the first of July. I have been there or was there from the 2nd until the 16th. From this, I am sure you can understand that my Placement Activities have been limited.

In the second place, I need to set up a folder on you in order that we may intelligently recommend you.

You will please find enclosed an application blank for teacher placement. Please fill the application blank along with two pictures and a copy of your transcript. You will find enclosed also two Confidential Rating Forms; one to be filled out by your Supervisor of Student Teaching or a former employee. The other is to be filled out by an instructor or someone who is acquainted with you as a professional person. The two Confidential Rating Forms are to be sent by the person executing them directly to the Placement Office. Upon receipt of these credentials, we will have a complete folder on you and then we can begin sending your name based on the information at hand to Superintendents.

Whereas we can promise nothing, may I assure you that as the opportunities present themselves, I shall be pleased to submit your name.
