Dear Mr. Yancy,

It was certainly a pleasure visiting with you again last week. Our new recruiting arrangement has been very well received by the various universities and I feel sure that we will find it mutually beneficial at Prairie View.

In follow-up to our conversation concerning fall recruiting, I would like to confirm Friday, November 3 as our interview date on your campus. We have a number of career opportunities in various areas of IBM, and are looking for all disciplines and degree levels, with emphasis on Engineering, Mathematics, the Physical Sciences, and Business Administration. Any student who wishes to interview IBM is certainly welcome, however, and if you happen to fill one schedule, I will be delighted to make arrangements for additional interviewers to be on hand. The job opportunities may be described as "Marketing, Computer Applications, Computer Programming, Research, Design and Development, Manufacturing, Finance and Administration." These opportunities are located in various IBM domestic locations. We normally schedule interviews from 9:00 a.m. to 5:00 p.m., at thirty minute intervals. I understand that you will take care of luncheon arrangements, and we will be delighted to have any of your faculty members join us.

If you have any questions or require further information, please do not hesitate to contact me. I will also look forward to hearing from you regarding the orientation program which we discussed.
