IV FARMERS SHORT COURSE -

The out look for a splendid Short Course this year is very bright. This is an important phase of our school work. Every facility of this institution - Buildings, Equipment and Grounds - will be made available for this occasion. Each member of our force is requested to give the usual fine co-operation in every instance called upon - in making this Short Course worthwhile and satisfactory. Mr. C. H. Waller will let each one know in what capacity he wants our services.

AND FINALLY -

Let me thank each one of you for your contribution in making this one of the most fruitful years in the history of the institution.

Faithfully yours,

W. R. Banks
Principal
